Section B Structure, governance and management

Description of the charity's trusts

Type of governing document	Constitution
How the charity is constituted	Charitable Incorporated Organisation
Trustee selection methods	Appointed by the trustees

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

We have continued to keep a great relationship with Kingston Voluntary Action, who have been helping and advising the charity on a varied amount of subject. We have been starting to run classes in the outside world again. The classes have adhered to any restrictions the community centres we have worked at, with no incidences or problems.

We also have maintained a great relationship with Local Giving who have also helped keep the charity running.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

For the public benefit to relieve the needs of elderly people residing in Surrey and the surrounding area in such ways and by such means deemed charitable within the laws of England and Wales, and in particular but not exclusively by providing therapies, activities, advice and information designed to promote better physical and mental health and well being.

Brighter Living has adhered to the Charity Commissions guidelines on how we should deliver our services. **Brighter Living** charity was set up by people concerned about the health of the elderly, and by Ki Gong professionals who, having seen the benefits of running sessions for the elderly in a local community centre, decided to open the project to a wider community. Our aim is to empower people over 60 to look after their health and well being in an innovative and practical manner. The activities we are running are Ki Gong sessions which include gentle movement, stretching, breathing exercises, mindfulness and meditation. Brain exercises are also incorporated from Ilchi Lee's Brain Education System which is recognised by the UN. So the services offered stimulate the body and the brain in a fun and informative way.

We have provided Ki Gong, Amrchair Yoga, meditation and breathing exercise classes to our beneficiaries. A big thank you to all the trustees, who without their contributions and commitment to delivering these services to our beneficiaries, none of this would have happened.

Thank you to Magic Little Grants, run by Local Giving, who are in partnership with the Postcode Community trust for their £500 grant.

Thank you to Kingston Charitable Foundation for their £500 grant. Thank you for all your help and the patience shown at all the community centres and homes we have been working with while we have been setting up Brighter Living for the beneficiaries.

A big **thank you** to all the volunteers who came to the community centres and helped our service providers with such passion and commitment to the beneficiaries. And lastly a big thank you to our beneficiaries for attending the sessions and making this commitment to our local communities so worthwhile. This is good for everyone.

Summary of the main achievements of the charity during the year

Brighter Living's objectives for this year were to deliver the services offered by the charity to more elderly beneficiaries in Surrey and Surrounding areas. Our objectives are to help more older people in Surrey and surrounding areas achieve better body flexibility and agility. More older people in Surrey and surrounding areas achieve a more positive mindset. More older people in Surrey and surrounding areas feel less isolated and will have formed more friendships. More older people in Surrey and surrounding areas achieve more independence.

We did not manage to achieve these objectives because of the slow recovery from lockdown. With a special thanks to grants coming from Magic Little Grants and Kingston Charitable Foundation, we will see the end of the year as an open opportunity to do more and better our performance. With weekly Ki Gong, Armchair yoga and meditation sessions happening in MILAAP, New Malden, The Longmead Centre and, we have maintaining from the growth of last year and our humble beginnings into helping over 60 beneficiaries with their health and well being.

Brighter Living is continually reporting back to organisations we are working with in the local communities are we are receiving good recognition for our achievements. We are now starting to liaise with local organisations and local councils and are looking at ways to extend our services further because of the needs highlighted by the local councils of the areas we are covering. Here is a brief synopsis of one of the reports.

Brief statement of the charity's policy on reserves

No reserve policy

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Brighter Living have finished the financial year with **£759.54**. This money is to deliver services, and we will be going back to the community centres when the restrictions have been lifted. Brighter Living has already been applying for funding to extend these services for the rest of 2023. There are no funds being held as a custodian trustee by Brighter Living.
