The Trustees are responsible for formulating the strategies and policies of the Charity in line with guidelines set by the Charity Commission.

Objectives

Our vision is to reduce hunger and provide monthly food support to the most needy. In planning our activities, we have considered guidance from the Charity Commission to ensure we meet our public benefit requirements. Our objectives, activities and developments are reviewed annually.

Our Strategy

To achieve our objectives we ensure we source the most needy people and provide monthly food supplies to poor households.

Reserve policy

It is the trustees' intention to generate a balance of unrestricted reserves, which will allow for the operation of the charity.

Investment policy

The trustees have considered the most appropriate policy for investing funds and have found that a building society or bank deposit account meets their requirements should funds be available to invest.

Statement of trustees' responsibilities

Under company law the trustees have the same legal responsibilities as company directors and the title is interchangeable.

Company law requires the trustees to prepare accounts for each financial year, which give a true and fair view of the state of the affairs of the company and the profit and loss of the company for that year.

ITTEFAQ FOUNDATION

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
