SCENE CHANGE PRODUCTIONS

Objectives and activities

Objectives

Scene Change Productions is a charitable incorporated organisation presenting innovative, high quality productions and learning and participation experiences. We collaborate with and commission performers, workshop leaders/artists and creatives worldwide who are leaders in the industry.

We look to provide engaging experiences that challenge an audience's preconceptions of arts participation and performance, working with like-minded partners to create challenging, commercial, didactic work raising England and Scotland's local, national and international cultural profiles.

The objects of the CIO are to promote, maintain, improve and advance education of the arts particularly by the production of educational plays and the encouragement of the arts including the arts of drama, ballet, music, singing, literature, sculpture and painting and to formulate, prepare and establish schemes to develop an understanding of theatre as an art form through artistically excellent performance, training and learning and outreach activities.

Activities

Subsequent to Covid-19 Scene Change Productions has been effectively dormant

Structure, governance and management

Governing document

Scene Change Productions is a charitable incorporated organisation governed by its Constitution dated 17 January 2018. The only voting members are its trustees.

If the CIO is wound up, the members of the CIO have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

Appointment of trustees

Every trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Organisation

Since Scene Change Productions was conceived in January 2018, the Trustees have met on nine occasions with constant email and telephone contact in between meetings. The Trustees intend to meet on a monthly basis now that fundraising and meeting its' charitable objectives have commenced in earnest.
