

Liberty House South West

Trustees report 2022-23

- (1) As chairman of Liberty House South West (LHSW) I am pleased to present the Trustees report on our activities for the financial year 2022-23.
- (2) The Trustees spent the year continuing to review of future provision that had commenced in 2020-21. However, the impact of Covid-19 on the charity's work meant that it was unable to meet and consider in detail any proposals. At this stage plans are being developed to review the objectives of the charity and options are expected to be brought forward in the relatively near future.
- (3) The Charity did not raise or spend any money in the last financial year. As a consequence, the charity's bank account ended the year with a closing balance of £540
