Structure, Governance and Management

Tennis4TheWorld existed as an unincorporated organisation before its registration as a charitable incorporated organisation in England and Wales. The Charity's governing document is the CIO Foundation Constitution dated 2 November 2018.

The Charity is the creation of young tennis players, Amaya Sharma (*now aged 16*), Aarav Sharma (*now aged 14*) and their tennis coach Theo Ezekowitz.

Inspired by the work of tennis coaches in Uganda, Aarav, Amaya and Theo were inspired to collect and donate rackets, kit and other equipment they had no more use for to less advantaged children around the world. With just the aim in 2017, of sending one package initially to Uganda, Amaya, Aarav and Theo decided to establish a charity with a bold vision "*To help transform the lives of children*".

Continuing this with initiative, Amaya and Aarav continue to approach schools they attend and have attended, tennis clubs they are and were members at, and other venues to collect unwanted tennis equipment and clothing and distribute it to schools, colleges and social development projects around the world.

The Charity aims to help children in disadvantaged communities around the world by collecting and sending donated equipment and kit to help children learn and improve their skills, capacities and capabilities and their conditions of life through:

- (a) The provision of recreational and leisure time activities with a particular focus on tennis provided in the interest of social welfare, designed to improve their conditions of life; and

- (b) Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

The trustees meet on a quarterly basis.

The Charity's trustees from time to time are its only members.

Trustees are appointed by the board of Trustees and meet four times a year to deal with the governance of the Charity.

The secretary is appointed by the Trustees to assist in the day to day administration of the Charity.

The induction process for newly appointed Trustees comprises an initial meeting with the Trustees to brief them on their legal obligations under charity law, the decision making processes of the charity and its policies and procedures. Trustees are provided with a handbook detailing relevant aspects of the trust.

Objectives and activities

The Charity's objects are to help children and young people from disadvantaged communities around the world through:

- (a) The provision of recreational and leisure time activities with a particular focus on tennis provided in the interest of social welfare, designed to improve their conditions of life; and
- (b) Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.

Achievements and performance

2022 has been another productive year in terms of raising awareness of, and fundraising for the Charity. With the ongoing generosity of our many supporters, volunteers and partners, the Charity has as a result of the initiatives of two of the Charity's co-founders, Amaya and Aarav Sharma, has continued to receive donations of tennis equipment and clothing from students attending amongst others, Wycombe Abbey School, Winchester College, and historically from Caldicott Preparatory School, Glendower Preparatory School, The Falcons Prep School for Boys, as well as from members of Virgin Active Chiswick Riverside Health Club & Gym, Dukes Meadows Golf and Tennis Club and David Lloyd Action. Amaya, Aarav and the Trustees are grateful for the support students, parents, schools, clubs and other organisations have provided by donating valuable equipment.

In addition, financial donations totalling £2,450.94 have been received through the year, from

- parents of students attending the schools mentioned above;

- the sale of used tennis balls; and

- the sale of raffle tickets at the David Lloyd Action Annual Tennis Dinner, where the Charity was invited to be the beneficiary of the evening's fundraising efforts.

Amaya, Aarav and the Trustees would like to express their thanks to all those who have donated money, and in particular, to Adam Rider for inviting the charity to be the beneficiary charity at the David Lloyd Action Annual Tennis Dinner, and Ms Patricia Verona, a member of Virgin Active Chiswick Riverside Health Club & Gym, whose efforts in collecting and selling used tennis balls have raised further donations received by the Charity.

Report of the Trustees
For the year ended 31 December 2022

Since sending the first packages of equipment to Uganda in 2017, packages of donated equipment have now been sent to a number of organisations in Africa, including:

- Uganda: Tennis For All Uganda, Coach: Vincee Vine Vinnie
- Ghana: PMSports Foundation, Coach: Peter Mensah
- Nigeria: Kodian Tennis Foundation, Coach: William Kodian

Commented [PS1]: Theo any others to add here?

Relationships with local tennis clubs in the UK and abroad are being developed, as well as links with other tennis related organisations. Additional fundraising activities and initiatives are being considered.

The Trustees have spent significant time resources during the period in establishing the Charity as a properly constituted organisation, with appropriate governance and management systems. These efforts have continued since the period end and form the basis of the charity's developing strategy.

Financial review

The Charity had limited income (essentially donations) and expenditure (bank, website and Just-Giving charges) during the period. The accounts for the period, drawn up on a receipts and payments basis, The Charity had no assets or known liabilities at the period end.

No amount of remuneration is due to any Trustee.

The trustees see fundraising as a high priority for the Charity, however reflecting the continuing nature of the Charity as a low cost organisation, its activities are supported entirely by volunteers.

Given the above, and the fact that the Charity has minimal ongoing spending requirements, there are no reserves (beyond any cash at bank - which is not formally designated as a reserve), and there is not yet a reserves policy.

No funds were or are held as a custodian on behalf of others.

Risk management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to ensure regular reports are produced for Trustees to ensure all necessary actions are taken to lessen the risks.

Public benefit statement

The trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

The Trustees have complied with the duty in Section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission in respect of public benefit and in planning the activities for the year, have kept this in mind.

Investment powers and policy

Under the constitution, the Charity has the power to make any investment which the Trustees see fit. Given limited funds, the Trustees have not adopted an investment policy at this stage. Funds are currently held in a charity savings account.
