Trustees Report

For the year ended June 2023

The trustees present the report and financial statements for the year ended 30th June 2023

Objectives and Activities

The charity's stated objectives include the provision of community and environmental services as well as to enhance international relations.

Health activities include hearing, sight, mental health and general wellbeing awareness and promotion.

The trustees have considered the Charity Commission's guidance of public benefit in planning the charity's activities for the year.

Achievements and Performance

During the year ending June 2023, the charity has continued to provide awareness about health activities and community and environmental services. This has been a very busy year for us with several new members joining has enabled us to undertake more adventurous community-based activities which are not only a good source of funds but also encourage the community to join in events. All our schools receive bursaries to help fund extra provisions for the community's young people. We continue to support the local food bank both financially and with practical support. Many other smaller groups receive donations.

The club also provides practical support to many town events and projects.

The trustees consider the performance of the Charity has been satisfactory during the year.

Financial Review and Reserves

The charity's primary source of income is raised from community based activities along with donations received for service activities, such as supporting other local events.

The charity supports a number of locally based groups and individuals through donations this along with its commitments to both National and International Lions initiatives.

Structure, Governance and Management
