We have not uploaded annual accounts or annual report as we have still not converted to using this account (1180571). This is due to the fact that

we have not been able to transfer to a new bank account as yet, so are still operating under account (1112068). We have entered zero balances as

advised by yourselves a few years ago. We have tried to get a new account opened but with this and long-term illness of one of our Trustees it has

not happened. Our focus has been on recruiting new volunteers which we are in the process of doing and a new committee will be formed shortly

after which we are then able to get a new bank account opened.

Please let us know if we need to action

Yours Faithfully
