2 Objectives and Activities

Principle Objectives

Advance Movement is a charitable incorporated organisation controlled by its governing document. It was registered as a charity on 07 November 2018. As detailed in this documentation, the charity has four core charitable objectives:

- 4.1.1 the co-ordination of partnerships between churches;
- 4.1.2 promoting and assisting with the planting of new churches;
- 4.1.3 raising awareness of the Christian faith;
- 4.2 the relief of persons who are in need by reason of financial hardship, ill-health, unemployment and/or disability.

Advance Movement UK
Trustees' Report
Year Ended 31 December 2024

Principle Activities

In order to achieve its objectives, Advance Movement UK works with and through a family of churches to:

- Strengthen and support churches and their eldership teams
- Plant new churches
- Train, educate, envision, and support the development of church leaders, potential church leaders and individuals through organising conferences and training
- Work directly with, or providing grants to individuals and organisations to promote and support church projects, such as church planting, ministries to the poor, disadvantaged or those in hardship.

Grant Making Policy

Advance Movement UK works with churches worldwide and where these contacts are able to fulfil the objectives of the charity more ably, or maintain closer working links with activities or projects, grants are sometimes provided. These are made in line with the charity's grant framework and financial policy.

The trustees confirm that they have referred to the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning its activities.

3 Achievements and Performance

Overview

Advance Movement UK is part of a global movement of churches with the shared aim of advancing the Christian faith through the planting and strengthening of churches (<https://www.advancemovement.com/>). We also continue to partner with Newfrontiers (newfrontierstogether.org). In the UK, we are responsible for a growing family of churches and church plants in England, Wales, Scotland and Northern Ireland as well as a partner church in Switzerland.

For the year ending 31 December 2024, we are delighted that our financial and operational position has remained strong, with a growing number of partner churches joining, participating and being started or strengthened by Advance both globally and in the UK.

Here are some of the highlights of the period from 1 January 2024 – 31 December 2024:

Five national and international church planting and strengthening conferences were held for church leaders and members of Advance churches, aimed at equipping and establishing new and growing churches across the globe:

- 2-3 February: Advance UK Lead Elders Conference in Stratford-on-Avon. To equip and strengthen church leaders and create collaborative opportunities for church planting.

Trustees' Report
Year Ended 31 December 2024

- 7-10 May: Advance Global Conference in Houston, Texas. Available to anyone in an Advance church worldwide. This conference helps to equip and envision people for church planting, strengthening and other forms of mission and ministry within their towns and cities.
- 12-13 June: Advance UK days of prayer in Cheltenham. For leaders to gather, share news and resources, and pray for church planting and strengthening.
- 18-19 September: Advance UK Staff Elders Conference in Ealing. For elders employed by their churches to be equipped and envisioned to lead healthy churches that serve their communities.
- 22-23 November: Advance UK Conference in Poole. For members of Advance Churches in the UK to gather, pray, receive training and vision for church planting and strengthening worldwide.

Additionally:

- Advanced Church Planting Training Course: A focused church planting training course held for prospective church planters at various venues throughout the year. There were 16 attendees at this in 2024. Our expectation is that we will continue to work with these people to see healthy churches started and established in various UK locations.
- Advance Theology Course – many partner churches ran and continue to run this course aimed at developing and strengthening leaders around matters of leadership, theology and ethics.
- Advance UK is comprised of four geographic regional hubs. The leaders of churches within these hubs gather regularly to pray and plan for church planting and strengthening within their context.
- Our UK churches donated £37,300 to support church planting, training, equipping and strengthening in Nepal and India. Similarly, through our partnership we have established 'church2church' partnership giving for individual churches to financially support the work of church planting and strengthening in India and Nepal.
- In 2024 we launched several funds open to Advance UK churches for the purpose of theological education, church planting and strengthening. As a result of these funds, and other initiatives we were able to provide financial gifts and grants to support theological education, church planting, training, equipping and strengthening in these areas:
 - £20,000 to support theological education and internship opportunities in Cornerstone Church Newcastle
 - £83,000 to support church planting, training and equipping leaders and strengthening churches in Nepal and India
 - £4,000 to support church planting in Wales
 - £10,000 to support a church plant in Brussels
 - £1,000 to strengthen a church in Belfast
 - £7,700 towards supporting the work of NewFrontiers
- In addition to these centrally administrated transactions, the nature of our organisation is such that individual churches are able to interact and support other partner churches from one church to another. This has meant that significant assistance (financial, spiritual and administrative) has been offered from church to church within our Global partnership.

Year Ended 31 December 2024

- Finally, the strengthening element of our partner churches in the UK means that churches are better able to serve their towns and cities in a variety of ways through acts of mercy and assistance to people in homeless situations (Glasgow and Poole), Debt (London, Cardiff, the Rhondda Valley, and Poole), Emotional Health Issues (Redhill and Poole), Domestic Violence, Warm Spaces (Poole), School Uniform and Food Poverty (Plymouth), early intervention coaching and pastoral support in local schools (Truro) and in many other ways across the UK.
- In 2024, through our partnership gatherings, we have entered into discussion and planning for a church plant into Milan, Italy. We are excited to see how this develops in 2025 and beyond.

4 Financial Review

Advance Movement UK is financially dependent upon the donations made by supporting churches, individuals and income generated via events.

Advance Movement UK would like to thank all the churches, individuals and organisations that have supported the charity throughout the year.

During the year ending 31st December 2024, Advance Movement UK had income of £182,688 (2023: £174,481).

For the period ended 31st December 2024, Advance Movement UK had a net loss of £108,712 (2023: loss of £87,165). The losses in both 2023 and 2024 are due to increased charitable activities, using reserves set aside for these purposes.

Plans for Future Periods

The Trustees aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. In doing this the Trustees aim to make sure that the current budget forecast and reserves levels allow the charity to continue in operation for a rolling 12-month period. This is reviewed at a minimum at two points within the financial year.

Specific intentions for 2025 include:

- The training and financing of a new church into a European City
- The ongoing support, development and training of churches in the UK, including starting new churches. Each of these churches will also have the expectation of 'serving' their cities by addressing areas of poverty and disadvantage in their individual contexts.
- We anticipate that we will need to maintain our current level of income plus 10% in order to meet these objectives.

5 Structure, Governance and Management

Advance Movement UK is a Charitable Incorporated Organisation (CIO) governed by constitution. The charity trustees of the CIO are appointed by ordinary resolution of the members as set out in articles 11 of the constitution.

Five trustees have run Advance Movement UK over this period, each with differing backgrounds and expertise that can contribute to the delivery of the charity's objectives. Every Trustee that is appointed is inducted in line with guidance laid down by the Charity Commission.

The policy and key operating decisions (i.e. budget setting, risk management) of the charity rest with the trustees who meet regularly to monitor the activities of the charity. Day to day operation has been delegated to the UK Team of Matthew Hosier, Pete Cornford, Charles Friend, Matthew Leach and Richard Stamp.

Advance Movement UK are affiliated to Newfrontiers. While this affiliation is important from a historical, relational and maintaining values perspective it has limited impact on day-to-day operations.

Reference and Administrative Details

As outlined previously day-to-day management of the charity has been delegated by the Trustees to the AMUK Team and UK Implementer. All other reference and administrative details are shown within 'Company Information' on page 3 of these accounts.

Trustee's Responsibilities

Charity law requires us as Trustees / Directors to prepare financial statements for each accounting year which give a true and fair view of the state of the charity and of its income and expenditure for the year.

In preparing the financial statements, the trustees are required to:

1. select suitable accounting policies and apply them consistently
2. make judgements and estimates that are reasonable and prudent
3. state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts
4. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

2 Objectives and Activities

Principle Objectives

Advance Movement is a charitable incorporated organisation controlled by its governing document. It was registered as a charity on 07 November 2018. As detailed in this documentation, the charity has four core charitable objectives:

- 4.1.1 the co-ordination of partnerships between churches;
- 4.1.2 promoting and assisting with the planting of new churches;
- 4.1.3 raising awareness of the Christian faith;
- 4.2 the relief of persons who are in need by reason of financial hardship, ill-health, unemployment and/or disability.

Advance Movement UK
Trustees' Report
Year Ended 31 December 2024

Principle Activities

In order to achieve its objectives, Advance Movement UK works with and through a family of churches to:

- Strengthen and support churches and their eldership teams
- Plant new churches
- Train, educate, envision, and support the development of church leaders, potential church leaders and individuals through organising conferences and training
- Work directly with, or providing grants to individuals and organisations to promote and support church projects, such as church planting, ministries to the poor, disadvantaged or those in hardship.

Grant Making Policy

Advance Movement UK works with churches worldwide and where these contacts are able to fulfil the objectives of the charity more ably, or maintain closer working links with activities or projects, grants are sometimes provided. These are made in line with the charity's grant framework and financial policy.

The trustees confirm that they have referred to the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning its activities.

3 Achievements and Performance

Overview

Advance Movement UK is part of a global movement of churches with the shared aim of advancing the Christian faith through the planting and strengthening of churches (<https://www.advancemovement.com/>). We also continue to partner with Newfrontiers (newfrontierstogether.org). In the UK, we are responsible for a growing family of churches and church plants in England, Wales, Scotland and Northern Ireland as well as a partner church in Switzerland.

For the year ending 31 December 2024, we are delighted that our financial and operational position has remained strong, with a growing number of partner churches joining, participating and being started or strengthened by Advance both globally and in the UK.

Here are some of the highlights of the period from 1 January 2024 – 31 December 2024:

Five national and international church planting and strengthening conferences were held for church leaders and members of Advance churches, aimed at equipping and establishing new and growing churches across the globe:

- 2-3 February: Advance UK Lead Elders Conference in Stratford-on-Avon. To equip and strengthen church leaders and create collaborative opportunities for church planting.

Advance Movement UK
Trustees' Report
Year Ended 31 December 2024

- 7-10 May: Advance Global Conference in Houston, Texas. Available to anyone in an Advance church worldwide. This conference helps to equip and envision people for church planting, strengthening and other forms of mission and ministry within their towns and cities.
- 12-13 June: Advance UK days of prayer in Cheltenham. For leaders to gather, share news and resources, and pray for church planting and strengthening.
- 18-19 September: Advance UK Staff Elders Conference in Ealing. For elders employed by their churches to be equipped and envisioned to lead healthy churches that serve their communities.
- 22-23 November: Advance UK Conference in Poole. For members of Advance Churches in the UK to gather, pray, receive training and vision for church planting and strengthening worldwide.

Additionally:

- Advanced Church Planting Training Course: A focused church planting training course held for prospective church planters at various venues throughout the year. There were 16 attendees at this in 2024. Our expectation is that we will continue to work with these people to see healthy churches started and established in various UK locations.
- Advance Theology Course – many partner churches ran and continue to run this course aimed at developing and strengthening leaders around matters of leadership, theology and ethics.
- Advance UK is comprised of four geographic regional hubs. The leaders of churches within these hubs gather regularly to pray and plan for church planting and strengthening within their context.
- Our UK churches donated £37,300 to support church planting, training, equipping and strengthening in Nepal and India. Similarly, through our partnership we have established 'church2church' partnership giving for individual churches to financially support the work of church planting and strengthening in India and Nepal.
- In 2024 we launched several funds open to Advance UK churches for the purpose of theological education, church planting and strengthening. As a result of these funds, and other initiatives we were able to provide financial gifts and grants to support theological education, church planting, training, equipping and strengthening in these areas:
 - £20,000 to support theological education and internship opportunities in Cornerstone Church Newcastle
 - £83,000 to support church planting, training and equipping leaders and strengthening churches in Nepal and India
 - £4,000 to support church planting in Wales
 - £10,000 to support a church plant in Brussels
 - £1,000 to strengthen a church in Belfast
 - £7,700 towards supporting the work of NewFrontiers
- In addition to these centrally administrated transactions, the nature of our organisation is such that individual churches are able to interact and support other partner churches from one church to another. This has meant that significant assistance (financial, spiritual and administrative) has been offered from church to church within our Global partnership.

Advance Movement UK
Trustees' Report
Year Ended 31 December 2024

- Finally, the strengthening element of our partner churches in the UK means that churches are better able to serve their towns and cities in a variety of ways through acts of mercy and assistance to people in homeless situations (Glasgow and Poole), Debt (London, Cardiff, the Rhondda Valley, and Poole), Emotional Health Issues (Redhill and Poole), Domestic Violence, Warm Spaces (Poole), School Uniform and Food Poverty (Plymouth), early intervention coaching and pastoral support in local schools (Truro) and in many other ways across the UK.
- In 2024, through our partnership gatherings, we have entered into discussion and planning for a church plant into Milan, Italy. We are excited to see how this develops in 2025 and beyond.

4 Financial Review

Advance Movement UK is financially dependent upon the donations made by supporting churches, individuals and income generated via events.

Advance Movement UK would like to thank all the churches, individuals and organisations that have supported the charity throughout the year.

During the year ending 31st December 2024, Advance Movement UK had income of £182,688 (2023: £174,481).

For the period ended 31st December 2024, Advance Movement UK had a net loss of £108,712 (2023: loss of £87,165). The losses in both 2023 and 2024 are due to increased charitable activities, using reserves set aside for these purposes.

Plans for Future Periods

The Trustees aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. In doing this the Trustees aim to make sure that the current budget forecast and reserves levels allow the charity to continue in operation for a rolling 12-month period. This is reviewed at a minimum at two points within the financial year.

Specific intentions for 2025 include:

- The training and financing of a new church into a European City
- The ongoing support, development and training of churches in the UK, including starting new churches. Each of these churches will also have the expectation of 'serving' their cities by addressing areas of poverty and disadvantage in their individual contexts.
- We anticipate that we will need to maintain our current level of income plus 10% in order to meet these objectives.

5 Structure, Governance and Management

Advance Movement UK is a Charitable Incorporated Organisation (CIO) governed by constitution. The charity trustees of the CIO are appointed by ordinary resolution of the members as set out in articles 11 of the constitution.

Five trustees have run Advance Movement UK over this period, each with differing backgrounds and expertise that can contribute to the delivery of the charity's objectives. Every Trustee that is appointed is inducted in line with guidance laid down by the Charity Commission.

The policy and key operating decisions (i.e. budget setting, risk management) of the charity rest with the trustees who meet regularly to monitor the activities of the charity. Day to day operation has been delegated to the UK Team of Matthew Hosier, Pete Cornford, Charles Friend, Matthew Leach and Richard Stamp.

Advance Movement UK are affiliated to Newfrontiers. While this affiliation is important from a historical, relational and maintaining values perspective it has limited impact on day-to-day operations.

Reference and Administrative Details

As outlined previously day-to-day management of the charity has been delegated by the Trustees to the AMUK Team and UK Implementer. All other reference and administrative details are shown within 'Company Information' on page 3 of these accounts.

Trustee's Responsibilities

Charity law requires us as Trustees / Directors to prepare financial statements for each accounting year which give a true and fair view of the state of the charity and of its income and expenditure for the year.

In preparing the financial statements, the trustees are required to:

1. select suitable accounting policies and apply them consistently
2. make judgements and estimates that are reasonable and prudent
3. state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts
4. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

Dear Sirs,

Independent Examiner's Report to the Trustees of Advance Movement UK (1180592)

I report to the trustees on my examination of the accounts of Advance Movement UK (the Trust) for the period ended 31 December 2024.

Responsibilities and Basis of Report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
