### **TRUSTEES ANNUAL REPORT 2024/25**

**This year is the last of the current President and Treasurer term of office. New officials are being voted for and names will be forwarded to the Charity Commission when finalised.**

**There has been a reduction of members from 20 to 10. The purpose is still to raise funds to help with local charities in our area, we are in the process of recruiting new members and having DBS checks obtained.**

**As usual most of the income has been generated by Father Xmas and his sleigh collecting around local streets as permitted by the police.**

**We managed to raise £9,538.72 and we were able to support 27 local charities and events.**

**Our intention is to carry on as we are and raise funds to support our local area needs, events and activities.**

**The trustees declare that they have approved the trustees' report above.**
