Your Company Tax Return

If we send the company a 'Notice' to deliver a Company Tax Return it has to comply by the filing date or we charge a penalty, even if there is no tax to pay.

A return includes a Company Tax Return form, any supplementary pages, accounts, computations and any relevant information. The CT600 Guide tells you how the return must be formatted and delivered. It contains general information you may need to deliver your return, links to more detailed advice and box-by-box guidance for this form and the supplementary pages.

The forms in the CT600 series set out the information we need and provide a standard format for calculations.

### Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The objects of the CIO are for the public benefit the advancement of health and saving lives through the provision of first aid and event medical services in Essex and surrounding areas, and facilitation of healthcare training to our membership and the wider population.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We provided first aid cover at 154 events over this period, a 11.6% increase on the previous year. We provided one first aid course to the general public. In addition, the charity held six promotional/recruitment events. The charity is responsible for the maintenance of defibrillators available to the public in Wickford, and Rettendon.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	As well as the direct benefit of providing first aid to the public, we provide affordable first aid at charity events, enabling other charities to fundraise for their causes for the public benefit. The trustees confirm that they have complied with the guidance issued by the Charity Commission on public benefit.

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During the past year first aid cover has been provided at 154 events, allowing them to go ahead and members of the public to be treated for medical emergencies (in some cases life threatening). This has allowed other charities to raise funds for their own causes. Some events were over more than one day, giving a total of 160 days at events. Over 300 people were treated ranging from minor to life threatening incidents. Lifesaving treatment was provided to the very serious, and for the less serious casualties, they could continue at the event. We also provided a first aid course to the public.

Achievements against objectives set	Para 1.41	The charity purchased a new ambulance, earlier than anticipated. Instead of replacing our unreliable vehicle, it has been retained as we have an increasing number of events, often using all three ambulances we now have.
Performance of fundraising activities against objectives set	Para 1.41	Fundraising was highly successful, obtaining sufficient grants and donations to purchase a new ambulance in May 2024. We continued fundraising to replace the unreliable vehicle, so we can have three ambulances available as a mobile treatment centre at events.
Investment performance against objectives	Para 1.41	Funds reserved for purchasing ambulances have been held in savings accounts, earning over £600 in interest.

## Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>Donations rose by 50% due to our fundraising efforts to purchase a new ambulance. The number of events increased 11.6%, including some commercial events, for which a higher fee is charged, to raise funds for ourselves. As a result, event fees increased substantially. Overall, income increased by around £19000. Expenditure after allowing for exceptional items (new ambulance this year, garage last) remained around £13000.</p> <p>Despite the increase in events, volunteer expenses again fell, as many volunteers did not claim expenses. Workwear and welfare (drinks etc.) costs also fell as we largely had sufficient workwear. Because of the ambulance purchase, there was deficit of £19000, but this was more than offset by the £40000 held in reserve last year, allowing us to set aside £25000 towards purchasing another ambulance to replace the unreliable one, keeping 3 vehicles.</p> <p>The charity remains on a strong financial footing, tightly controlling expenses and is well placed for the future.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The aim is to hold £5000 - £10,000 in the current account to cover costs. We aim to build up sufficient funds in the savings accounts to replace our unreliable ambulance.
Amount of reserves held	Para 1.22	£8085 in current account, £25000 in savings.
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
