We offered help and assistance to other charities who share similar objectives.

We are working towards having our own property for our training and community outreach programme.

We also aim to increase our impact and supporters of our Charity in the coming months and years, in order to enhance our beneficiaries' mental and spiritual wellbeing. As well as inspire them to engage in any relevant community activities that promote stronger community.

You **may choose** to include further statements, where relevant, about:

We are getting better in running some of our meeting, and training, and coaching Online.

We ran two Online Bible Study Groups for adult men and women successfully. These studies go a long way to helping people's mental wellbeing.

Over 150 women across Yorkshire & Northwest attended our Ladies events in May and October 2022.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Charity is working toward setting aside unrestricted funds equivalent to 3 months of the CIO annual expenditures. The trustees think that such level of reserves would ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised.

Details of any funds materially in deficit

We have no deficit or savings at present but working toward having savings to deal with emergencies and any potential income drop in the future.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Offerings and donations from those who attend our charity events and training are our major source of income, plus gift aid claims.

We hope to apply for grants, and/or make funding applications, and carry out some fundraising activities in the future.

Trustees Report

For the Year Ended 31 December 2022

The trustees present their report and accounts for the Year Ended 31 December 2022

The accounts have been prepared in accordance with the guidance provided by the Charity Commission relating to the Receipts and Payments Accounts and comply with the Charity's governing documents.

Structure governance and management:

The Charity operates as CIO and the principal activity continues to be running of events, conferences, seminars and training for the public benefits for adult men and women who wish to find and fulfil their inherent life purpose.

The trustees served during the year were:

Andrea Onduku
Lynda Ojiakor
Olayemi Adelekan

The trustees are also members of the Charity's management committee and are elected/re-elected at an annual meeting in accordance with the Charity's governing documents.

Organisational Structure:

The Charity's management committee meets at regular intervals and is responsible for the strategic direction and policy of the Charity.

The trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

Financial Review:

The Charity is considering a policy where unrestricted funds should be designated for a specific use, and be maintained at a level equivalent to three months expenditures of the Charity. The trustees think that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue to run the Charity's current activities while consideration is given to ways in which additional funds may be raised.

On behalf of the board of trustees

Andrea Onduku
