## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The Charity is working toward setting aside unrestricted funds equivalent to 3 months of the CIO annual expenditures. The trustees think that such level of reserves would ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised.

### Details of any funds materially in deficit

We have no deficit or savings at present but working toward having savings to deal with emergencies and any potential income drop in the future.

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Offerings and donations from those who attend our charity events and training are our major source of income, plus gift aid claims.

We hope to apply for grants, and/or make funding applications, and carry out some fundraising activities in the future.
