## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The Fen has been grazed at the correct times in line with SSSI and Natural England requirements. This has meant that invasive weeds have been kept to a minimum allowing rarer flora to flourish. Insects and wildlife have also benefited from this.</p> <p>Regular inspections have also been carried out to monitor fencing, the natural springs and the general condition of the Fen. No major problems were found other than routine fence repair work.</p> <p>The charity has set up a website to make information and photographs of the fen available for viewing by interested parties, and which will be undated as necessary. It has a section where the charity can be contacted with queries if required.</p> <p>The charity is involved with a large local project to refurbish the bells of the village church, and first provided a grant for the internal cleaning of the bell tower, before the bells were removed to be refurbished.</p> <p>The charity is open, through the parish council, schools and local groups, to provide grants for other projects that benefit the community.</p>
