The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Our objects

The objects of charity are the prevention and relief of child poverty and to advance children's education for the public benefit among children and young people in Africa, specifically the Kibera in Nairobi, Kenya. This is achieved through various awareness activities and events. The charity is then able to provide financial grants, items including kit and all other relevant equipment, and other services and a range of supportive activities to meet and provide the resources for their needs.

The main activities to achieve these objects are the provision of:

- Creating partnerships with Rugby Clubs to engage with the issues of extreme Child poverty

- Establish educational and school partnerships to ensure the children gain access to funded primary and secondary education.
- Mobilising donations from schools, clubs and other charitable organisations
- Rugby kit, including boots and trainers, and other clothing items
- The provision of weekly nutritious meals, fruit and clean water
- To facilitate the recruitment and development of World Rugby Qualified Coaches and Co-ordinators
- Provision of weekly structured training sessions
- Transportation to the playing fields from the Kibera
- Access to clean and safe facilities
- The promotion of an Ambassador's Programme to help sustain and develop the KRDA
- The provision of medical treatment and medicines for the well being of the children

Our Mission

Our mission is to connect with Rugby Unions, National teams, local league rugby clubs and schools. To recruit and engage ambassadors that will champion and promote the upliftment of children out of extreme poverty through sport. To connect each child to a rugby 'family' for their basic needs; food, education and healthcare and other welfare needs.

To grow the programme from 350 Kibera & slum children to 1,000 children. To recruit 27 additional coaches, who will train and develop the children to a level of proficiency.

KINGS RUGBY DEVELOPMENT ACADEMY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 NOVEMBER 2020

OBJECTIVES AND ACTIVITIES

Vision

We have the principle aim of uplifting the children and youth of Kibera out of hopeless poverty. To provide them with an opportunity to realise their individual worth and uplift their lives.

The aim is to impart positive life and social skills and aid the development of the whole person, physically, emotionally, intellectually, socially and spiritually.

We want to provide healthy role models through positive sports coaches and establish peer relationships to demonstrate alternative conduct and positive behaviour patterns for the youth, ones that help them avoid the desperate descent into antisocial and destructive behaviour.

Our medium-term vision is to grow the impact of the programme from 350 Kibera & slum children to 1,000 children. To recruit and train 27 additional coaches, who will train and develop the new children to a level of proficiency.

We want to provide primary and secondary extra tuition educational classes for the 7-14yrs and the 15-19yr olds. If we can raise their scores and grades it will change their future educational opportunities. With increased scores and grades the Ministry of Education will provide them an offer of higher quality Secondary School or University.

We aspire to be a beacon of hope for the Kibera boys and girls, which builds the hope that their lives are not destined to be in poverty.

Activities and achievements

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake. The trustees have also had regard to the Charity Commission's guidance on public benefit when preparing this report.

Activities undertaken for the public benefit in relation to the objects:

The principle objective is providing children from 5 years of age to 19 years from resource poor communities and disadvantaged backgrounds with opportunities to access, train and participate in the game of rugby, through tag rugby (non-contact) and rugby training once a week at Hillcrest International School grounds Nairobi. The training is facilitated by 22 World Rugby certified coaches and facilitators, drawn from various leading Rugby Clubs in Nairobi.

The programme currently has 350 children from Kibera of whom 270 are boys and 80 are girls. The program provides a development framework for the children from the extreme poor communities. They learn essential social and life skills. The goal is to help them walk out of their adverse and harsh conditions into a brighter future.

The Charity has a Kenya based sister partner - The Kings Rugby Development Academy Kenya Limited which is a Kenyan registered charitable company (previously a registered Trust), founded on 8th May 2016 the founders are Stuart & James McGreevy. The Kenya partner provides the local management and delivery of the programme in Nairobi, Kenya.

KINGS RUGBY DEVELOPMENT ACADEMY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 NOVEMBER 2020

OBJECTIVES AND ACTIVITIES

Funding of a weekly Rugby Development Programme

The Sunday Rugby Programme currently has 350 boys & girls. They benefit from the therapeutic freedom of open space, a natural and clean environment, positive "coach" role models, nutritious food, plenty of clean water to drink, the joy of exchanging rags for rugby kits and much more.

350 vulnerable children are bused every Sunday to International School grounds and learn rugby skills through the rugby programme. The children who attend the programme enjoy structured rugby sessions that include:

- A warm up of fun and games
- Individual skills
- Unit/team skills
- Game play
- Cool down
- Nutritious food and plenty of clean water

The children are fed every Sunday through the rugby programme. Following the rugby session, the children are given a nutritious meal of rice or chapati, greens or cabbage, beans or lentils, banana and a carton of milk. This is fully funded and provided by the Lunchbowl Network for which we are very grateful.

Sponsorship & Fundraising Events

Fundraising activities were suspended due to COVID-19 from March 2020 onwards.

ACHIEVEMENT AND PERFORMANCE

Held 42 Sunday supervised training sessions for children ages 6-19 years reaching up to 350 children each session.

Provided up to 350 children with a hot weekly nutritious meal. In the region of 11,920 meals and counting...

110 of the 'Old Ruts' Rugby children have been sponsored by the Lunchbowl Network to attend the ACK Good Samaritan & Lunchbowl Network Partnership local primary school.

Sourced rugby kits including boots and trainers for 250 children.

Deliver a quarterly deworming programme, improving the vitality of the children. This is a significant factor in combatting stunted growth and poor mental development.

Creating a healthy competition in the children who took part in several tournaments including:

Impala Floodlite Tournament

Including several local derbies with Shamaas & RuckIt

The programme operated until the COVID-19 legal restrictions suspended all activities. They remain suspended in Kenya. We are hopeful of some annulments to the Kenyan restrictions.
