### Notes to the financial statements

For the year ended 30th September 2025

#### 1. Accounting Policies

##### ***Accounting conventions***

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Chapel of His Glory UK meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### ***Incoming resources***

All incoming resources are included in the SOFA when the charity is legally entitled to the income, is reasonably certain of receipt and the amount can be measured with sufficient reliability. In accordance with the SORP, no value has been attributed to the work performed by volunteers, although their work is considered vital to the activities of the charity.

##### ***Tithe, Regular offering and Donations***

Tithe, Regular offering and Donations consist of the total tithe, regular offering and donations from members of the church and other members of the public along with income from fundraising events.

##### ***Company status***

The charity is a charitable Incorporated Organisation (CIO). The members of the charity are represented by the trustees named on page 3. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

##### ***Resources expended***

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs of generating funds are those incurred in seeking voluntary income and do not include the costs of disseminating information in support of the charitable activities.

##### ***Gift aid***

Gift Aid tax reclaims is recognised for any Gift Aid certificates received up to two months after the year-end, in relation to donations made prior to the year-end, where the Gift Aid tax reclaim application was filled to HMRC prior to the year-end.

In many cases, costs are incurred on projects before the relevant restricted income is received. Therefore, unless contrary to a donor's wishes, interest income generated from restricted funds is treated as unrestricted, to cover the pre-financing costs incurred.

## CHAPEL OF HIS GLORY UK

### Notes to the financial statements

For the year ended 30th September 2022

#### 1 Accounting Policies

##### ***Accounting conventions***

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

Chapel of His Glory UK meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### ***Incoming resources***

All incoming resources are included in the SOFA when the charity is legally entitled to the income, is reasonably certain of receipt and the amount can be measured with sufficient reliability. In accordance with the SORP, no value has been attributed to the work performed by volunteers, although their work is considered vital to the activities of the charity.

##### ***Tithe, Regular offering and Donations***

Tithe, Regular offering and Donations consist of the total tithe, regular offering and donations from members of the church and other members of the public along with income from fundraising events.

##### ***Company status***

The charity is a charitable Incorporated Organisation (CIO). The members of the charity are represented by the trustees named on page 3. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

##### ***Resources expended***

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Costs of generating funds are those incurred in seeking voluntary income and do not include the costs of disseminating information in support of the charitable activities.

##### ***Gift aid***

Gift Aid tax reclaims is recognised for any Gift Aid certificates received up to two months after the year-end, in relation to donations made prior to the year-end, where the Gift Aid tax reclaim application was filled to HMRC prior to the year-end.

In many cases, costs are incurred on projects before the relevant restricted income is received. Therefore, unless contrary to a donor's wishes, interest income generated from restricted funds is treated as unrestricted, to cover the pre-financing costs incurred.

#### **About us**

Chapel of His Glory UK is a faith-based charity that advances the Christian religion mainly, but not exclusively, by means of broadcasting Christian messages of an evangelistic and teaching nature for the benefit of the public through the holding of prayer meetings, lectures, public celebration of religious festivals, producing and/or distributing literature on Christian religion to enlighten others about the Christian religion.

We promote social inclusion for the public benefit by working with people who are socially excluded, to relieve the needs of such people and assist them to integrate into society, through the provision of a local network group that encourages and enables those who are socially excluded to participate more effectively within the wider community and by increasing, or co-ordinating, opportunities to engage with service providers, to enable those providers to adapt services to better meet the needs of that community.

Our social inclusion programme also supports refugees and asylum seekers who are socially excluded on the grounds of their social and economic position, by providing:

1. education and training in the English language and in vocational skills;
2. social and recreational facilities and events involving the local community.
3. items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.
