## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Dylan's Quest is a small established charity. We are there to provide magnificent memories or financial help for families of children and young adults with life limiting conditions.</p> <p>In this financial year, we have directly provided assistance to 41 families.</p> <ul style="list-style-type: none"> <li>- We provided 5 families the opportunity to make magnificent memories, comprised of : - a theatre trip and hotel; costs towards passports and treats for a trip to Disneyland Paris; funds towards the cost of an overnight zoo visit; a hotel stay, trip to an aquarium and a package of toys/books and a contribution towards the cost of an animal lodge and spending money.</li> <li>- We provided 23 families with a financial grant to help with the additional costs that come with either a poorly child, such as travel expenses, or, for young adults, the expenses of trying to live whilst not being able to work.</li> <li>- Under the banner of financial assistance, we also provided 12 families with 'goods' which ranged from essentials such as the cost of a window repair; mattresses; a tumble drier, to items to help the development of, or to help occupy,</li> </ul>

		<p>children who are/have been in hospital for long spells and who would benefit from items for therapy that the parents are unable to afford at a time when most are either not able to work, or on severely restricted incomes as a result of their child's illness. These items included a swing seat; an outdoor playhouse, a slushie machine and development/sensory toys for young children.</p> <ul style="list-style-type: none"><li>- We have also been able to help siblings, who often spend months away from their parents whilst their sick brother or sister is in hospital. Through our work with the charity Young Lives vs Cancer (YLvsC) we provide small denominations of Amazon vouchers to distribute to siblings so that they know they have not been forgotten at a time when their parents' attention is naturally focussed on the poorly child or young adult.</li><li>- we continue to provide small denominations of vouchers for YLvsC to provide to families in hospital for use in the food outlets – the cost of eating from such outlets soon builds up and this action eases the pressure on a family's finances.</li><li>- We also provided YLvsC with books aimed at younger children, for them to distribute to families on wards, to enable the children to understand what is happening to them and their families in an age appropriate way.</li><li>- We again partnered with 7 other charities, the founders of which have all lost a child and who support our local hospital. The event was 'dragon boat racing', held at a local marina and helped to raise our profile, and that of the other participating charities and demonstrated that whilst we all support the local hospital and we have different objectives, we all work together to help families negotiate the difficult journey of a life limiting illness.</li></ul>

## Financial Review

<p>Review of the charity's financial position at the end of the period</p>	<p>Para 1.21</p>	<p>In our 5th year as a registered charity, Dylan's Quest raised £15,534.46, with a net income gain over expenditure of £1,131.87.</p> <p>Our primary fundraising was through supporters participating in physical challenge events as well as another Ibiza evening at a local pub, which was well supported.</p> <p>We also secured grants totalling £4,783 from 2 sources.</p> <p>We continue to be well supported by a local firm who have provided a number of donations in this financial year. A significant donation received at Christmas enabled us to provide £60 of M&amp;S &amp; Costa vouchers to each of the families of the wards that we cover, who were spending Christmas Day in hospital. This was to enable them to have some treats at a difficult time and we felt would benefit the whole family, rather than just the child/young adult who are fortunate to receive gifts from other charities at Christmas time.</p> <p>Our expenditure, outside of our charitable activities has been minimal, with our overheads for operation limited to costs such as web domain costs and insurance. As we had a number of physical events ongoing, with donations being received regularly through the fundraising platform JustGiving, we decided to upgrade our membership with JustGiving to enable the production of more detailed fundraising reports.</p> <p>We purchased a laptop for our Founder to use exclusively for Dylan's Quest related activities as she had limited access to a family one at home. This has been recorded as an asset of the charity.</p> <p>We continue to review each referral for assistance on an individual basis; however, the Trustees voted to limit the assistance received by any one family to £750, in order to ensure that we have sufficient funds to assist families well into the future. The limit of £250 for a financial grant still stands, but we will allow requests for other assistance – e.g. a memory making activity, or an essential item/therapy item</p>
--	------------------	--

		<p>separately providing the total for all help remains within the £750 limit.</p> <p>We intend to continue to review each referral on an individual basis to ensure that we are providing targeted and meaningful assistance.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	
Amount of reserves held	Para 1.22	<b>£0</b>
Reasons for holding zero reserves	Para 1.22	The trustees continue to consider it prudent that reserves remain unrestricted and should be sufficient to enable the operation to continue for minimum of 12 months, whilst we source other means of income.
Details of fund materially in deficit	Para 1.24	<b>n/a</b>
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	<p>In the current financial climate, fundraising continues to be difficult, as the cost-of-living crisis leaves supporters with less disposable cash to give to charities; nonetheless, we continue our fundraising efforts through events and grant applications.</p> <p>Our income has again exceeded expenditure, so we remain satisfied that the charity can continue as a going concern for some considerable time.</p>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Dylan's Quest is a pro-active, up and coming small charity. We are there to provide magnificent memories or financial help for families of children and young adults with life limiting conditions.</p> <p>In this financial year, we have directly provided assistance to 30 families.</p> <ul style="list-style-type: none"> <li>- We provided financial grants to 26 families, including the purchase of a washing machine in one instance; providing winter coats for a family along with financial grant; for matters such as covering the cost of travel away from home and helping several young adults with the day to day expense of living independently but being unable to work.</li> <li>- We provided 4 families with opportunities for making memories, including: an overnight trip to London, for a bus trip with afternoon tea with Paddington and a trip to Kidzania the following day; a trip to Harry Potter Studios with the cost of an overnight stay included; tickets for a pantomime; funds to go to a Nigerian Restaurant for a young person and their extended family</li> </ul>

		<p>We continued our working relationship with Young Lives vs Cancer charity who are based at our local hospital – as social workers for families undergoing treatments, they are well placed to refer families to us for assistance..</p> <p>This has enabled us to help significantly more families than in previous years. We have also been able to help siblings, who often spend months away from their parents whilst their sick brother or sister is in hospital. We provide YLvsC with small denominations of Amazon vouchers to distribute to siblings so that they know they have not been forgotten at a time when their parents’ attention is naturally focussed on the poorly child or young adult.</p> <p>We have also provided YLvsC with small denominations of vouchers for them to provide to families in hospital, for use in the food outlets – the cost of eating from such outlets soon builds up and this action eases the pressure on a family’s finances.</p> <p>We also provided YLvsC with books aimed at younger children, for them to distribute to families on wards, to enable them to understand what is happening to them and their families in an age appropriate way.</p> <p>We also partnered with 7 other charities, the founders of which have all lost a child and who support our local hospital. This event, held at a popular local country park raised our profile, and that of the other participating charities and demonstrated that whilst we all support the local hospital, we have different objectives and work together to help families negotiate the difficult journey of a life limiting illness.</p>

## Financial Review

<p>Review of the charity's financial position at the end of the period</p>	<p>Para 1.21</p>	<p>In our fourth year as a registered charity, Dylan's Quest raised £17,653.93</p> <p>Our primary fundraising was through supporters participating in physical challenge events – Romsey Relay and Endure 24. All of our trustees went out of their comfort zone and completed a fundraising 'Firewalk'.</p> <p>We also secured grants totalling £7,500 from 4 sources.</p> <p>We continued our efforts to raise our profile in the local community by attending coffee mornings, a BBQ at a local pub and who also then held an Ibiza Evening with popular DJ's. This helped attract new followers in our local community and in a wider way through social media.</p> <p>Our expenditure, outside of our charitable activities has been minimal, with our overheads for operation limited to costs such as web domain costs and insurance.</p> <p>Whilst we have continued to set a £250 limit for financial grants per family, we have also taken a broader view in some cases where a different approach is necessary – e.g when asked to contribute towards the cost of a washing machine, the Trustees voted to bear the cost of the machine in full. When asked for funds to help bear the cost of a family having to undertake expensive journeys to and from London where their child was being treated, mention was made of the siblings not having warm coats. The trustees voted to award the financial grant to help with the cost of the travel, but also provided a supermarket voucher for the purpose of purchasing coats for the children.</p> <p>We intend to continue to review each referral on an individual basis to ensure that we are providing targeted and meaningful assistance.</p>
<p>1</p>	<p>Para 1.22</p>	
<p>Amount of reserves held</p>	<p>Para 1.22</p>	<p>None</p>
<p>Reasons for holding zero reserves</p>	<p>Para 1.22</p>	<p>The trustees continue to consider it prudent that reserves remain unrestricted and should be sufficient to enable the operation to continue for minimum of 12 months, whilst we source other means of income.</p>

		Should such time arise where the charity has difficulty fundraising, or needs to help out more families, we will review our decision.
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	In the current financial climate, fundraising continues to be difficult, as the cost-of-living crisis leaves supporters with less disposable cash to give to charities; nonetheless, we continue our fundraising efforts through events and grant applications. However, having had a successful year with income significantly exceeding expenditure, our position is secure at present.

The charity's organisational structure and any wider network with which the charity works	Para 1.51	<p>During 2022, we established a working arrangement with Young Lives versus Cancer (YLvsC). Social workers from this charity are based at Southampton General Hospital and are uniquely placed to know the specific needs of families under their care. Where they consider we might be able to help, they complete a referral form and send to us. We also continue to receive referrals from playworkers on the Piam Brown ward in Southampton Children's Hospital.</p> <p>On receipt of the referral request, the trustees decide whether the request is within the capacity of the charity and whether it is practical and financially viable. Where approval is agreed, the charity then deals directly with the families involved, keeping the referral originator in the loop.</p>

## Trustees' Annual Report for the period

From 01/04/2022 Period start date To 31/03/2023 Period end date

Charity name: Dylan's Quest

Charity registration number: 1180823

## Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>To relieve the needs of children and young adults suffering from life limiting conditions or terminal illnesses and their families. These children are referred to us by Southampton Children's hospital and Naomi House Children's hospice. The young adults are referred to us by the Teenage and Young Adults Cancer Ward at Southampton General Hospital.</p> <p>We can provide: Magical memories for them and their families following diagnosis, or financial relief as a direct result of diagnosis of their child. We also provide treats for siblings of poorly patients.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Dylan's Quest raises funds from the public via donations or fundraising. We do not work with a professional fundraiser.</p> <p>Main activities held during this financial year: Romsey Relay Marathon Endure 24 Fetes and Fayres Pig Racing evening</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p>All trustees when performing charity duties are aware of the guidance and have taken it into account when making decisions in order to make the charity of public benefit.</p>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Dylan's Quest is a pro-active, up and coming small charity. We are there to provide magnificent memories or financial help for families of children and young adults with life limiting conditions.</p> <p>In this financial year, we have provided assistance to 25 families.</p> <ul style="list-style-type: none"> <li>- We provided financial grants to 18 families, including for matters such as rent deposit; covering the cost of travel away from home;</li> <li>- We provided 5 families with opportunities for making memories, including an overnight trip to Chessington for one family; a trip to Lapland UK for another, and a trip to watch the local premier league football team in action.</li> </ul> <p>We also provided 6 families with a variety of practical goods, including a laptop package for a child to do her school work from home, a TV to keep another occupied when confined to bed. We also provided some siblings with treats such as hairdryers and a football themed package.</p> <p>We established a working relationship with Young Lives vs Cancer charity who are based at our local hospital – as social workers for families undergoing treatments, they are well placed to refer families to us for assistance..</p>

		<p>This has enabled us to help significantly more families than in previous years. We have also been able to help siblings, who often spend months away from their parents whilst their sick brother or sister is in hospital. We provide YLvsC with small denominations of Amazon vouchers to distribute to siblings so that they know they have not been forgotten at a time when their parents' attention is naturally focussed on the poorly child or young adult.</p> <p>We have also provided YLvsC with small denominations of vouchers for them to provide to families in hospital, for use in the food outlets – the cost of eating from such outlets soon builds up and this action eases the pressure on a family's finances.</p> <p>We raised our profile in the local community by attending local fetes and fayres which has resulted in an increase in social media following.</p>

## Financial Review

<p>Review of the charity's financial position at the end of the period</p>	<p>Para 1.21</p>	<p>In our third year as a registered charity, Dylan's Quest raised £8,755.06</p> <p>Our primary fundraising was through supporters participating in physical challenge events – Romsey Relay and Endure 24.</p> <p>We also secured grants totalling £2,000 from 2 sources.</p> <p>In order to primarily raise awareness of us, but also additional funds, we attended several local school and community fetes and fairs. We also staffed a stall at a local market at various times throughout the year.</p> <p>Our biggest expenditure was the purchase of a gazebo bearing our branding and colours, together with weights to hold it down (totalling £1460). The design of the gazebo is striking and has helped us stand out in a crowd at all the events we have attended in the past few months.</p> <p>We also refreshed our website in line with the colours and graphics used in our gazebo and literature.</p> <p>We were fortunate to win £1000 worth of printed products from a local company. This enabled us to purchase a banner for use at events, new product brochures, branded notecards etc. This was of great benefit to us and we made the most of the award, which had to be used by the end of 2022 – going forward, we will obviously now need to finance any further purchases of marketing products.</p> <p>Due to the increase in the number of referrals since the start of 2023, we decided to reduce the maximum financial grant payable to ensure our continued ability to provide help to as many families as possible.</p>
<p>1</p>	<p>Para 1.22</p>	
<p>Amount of reserves held</p>	<p>Para 1.22</p>	<p>None</p>
<p>Reasons for holding zero reserves</p>	<p>Para 1.22</p>	<p>The trustees continue to consider it prudent that reserves remain unrestricted and should be sufficient to enable the operation to continue for minimum of 12 months, whilst we source other means of income.</p>

		Should such time arise where the charity has difficulty fundraising, or needs to help out more families, we will review our decision.
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	In the current financial climate, fundraising is proving more difficult, as the cost-of-living crisis leaves supporters with less disposable cash to give to charities; nonetheless, we continue our fundraising efforts through events and grant applications.

## Structure, Governance and Management

Description of charity's trusts:		
Type of governing document (trust deed, royal charter)	Para 1.25	Constitution
How is the charity constituted? (e.g unincorporated association, CIO)	Para 1.25	CIO
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Para 1.25	Any new trustees must be appointed by a resolution passed at a meeting of the current charity trustees where at least 3 agree to the appointment.

### Additional information (optional)

You may choose to include further statements where relevant about:

Policies and procedures adopted for the induction and training of trustees	Para 1.51	
The charity's organisational structure and any wider network with which the charity works	Para 1.51	<p>During 2022, we established a working arrangement with Young Lives versus Cancer (YLvsC). Social workers from this charity are based at Southampton General Hospital and are uniquely placed to know the specific needs of families under their care. Where they consider we might be able to help, they complete a referral form and send to us. We also continue to receive referrals from playworkers on the Piam Brown ward in Southampton Children's Hospital.</p> <p>On receipt of the referral request, the trustees decide whether the request is within the capacity of the charity and whether it is practical and financially viable. Where approval is agreed, the charity then deals directly with the families involved, keeping the referral originator in the loop.</p>
Relationship with any related parties	Para 1.51

Treasurers Annual Report

The past year has seen us as a charity help 2 families, one by treating a family and another purchasing a fridge freezer. We donated £500 to Abbys Heroes to fund a weeks treats on the Piam Brown ward to fund a picnic lunch for patients, parents and staff one afternoon and Pizza, Ice Cream and Drinks on an evening at the weekend during lockdown in hospital and we once again provided refreshments at Christmas time to parents who are staying in hospital with their children.

During the year we had donations from the following people/events:-

Derek donated to us, Shannon donated from a concert which got cancelled due to lockdown, Lee Bugler participated in a Tandem skydive, Nisa local donated to us, we held a Xmas raffle, Millbrook rugby club run the 12k of christmas instead of their normal festivities, Michelle held a 50th birthday fundraiser, Laurice Edmond donated, Saints shirt raffle and a mothers day raffle.

Events were cancelled due to lockdown so we were very limited to how we could raise funds especially as alot of what we organised was cancelled too.

MAIN EXPENDITURE WAS HELPING CHARITY ABBYS HEROES BY DONATING £500 TOWARDS A WEEKS WORTH OF TREATS FOR PATIENTS AND PARENTS WHILST HAVING TO ISOLATE ON WARD INCLUDING LUNCH ON WEEKDAY AFTERNOON AND DOMINOS PIZZA AND ICE CREAM  
INSURANCE AND WEB COSTS

No cash was held in hand at the end of 31st March 2021.

I can confirm that none of the trustees have been paid any remuneration or received any other benefits from the charity, nor claimed expenses from charity funds.

The accounts have been drawn up in accordance with the Charities SORP (FRS 102). This is our second year of accounts as a charity organisation.
