Wyre Forest Youth for Christ

Annual Report January - December 2024

Prepared by Brigette Whitley and Barry Mason

Introduction

This report will capture the work of Wyre Forest Youth for Christ from March 2024 to March 2025. It reflects the leadership transition from Barry Mason, who had faithfully served as Director for six years, to Brigette Whitley, who excitedly took over this role in October 2024.

Vision

While there is a new director, the mission of Wyre Forest Youth for Christ remains unchanged, **we want to see young people's lives changed by Jesus**. We want to see engagement with young people in the Wyre Forest in a way that allows them to experience the love of a God who cares for them. We continue to partner with and champion those who are already invested in the lives of local youth, including local churches and schools.

Note from Former Director

This report covers the final two academic terms of my time as Director, and continues into Brigette taking up the responsibilities.

It has been a real pleasure and absolute honor to have served as Director since January 2019. Whilst I leave the role with so many things not yet fulfilled, I am encouraged by the progress we have made as a charity over the last 6 years. Considering the struggles so many faced during the Covid19 pandemic lockdowns, even just surviving as a charity is an achievement.

However, we have done so much more...

- Established foundations of positive fellowship and partnership between so many churches in Wyre Forest and the surrounding areas, focusing on youth ministry;
- Relationships with secondary schools, introducing ourselves to senior leadership, delivering lessons and clubs, and building reputation to be able to partner with schools in serving young people;
- Church youth ministry, being started, nurtured and developed in several local churches. Each of these expressions has the potential to share the Christian faith with so many young people beyond the church congregation;
- Collaborative youth events - it has been great to see you groups/leaders working together to run events and attend a summer festival together. This has enabled individual smaller church youth groups to be part of something bigger and help young people form foundational friendships.

I am encouraged that Brigette has such a strong heart and vision for how each of these areas can grow and have much greater impact than they have so far. I fully support our new director being appointed in to the role, and am looking forward to continuing to serve this ministry in the role of a trustee.

Church Youth Ministry

Wyre Forest Youth for Christ continue to connect with different church youth leaders to explore how we can support them reach young people.

Wyre Forest Youth for Christ is committed to supporting the excellent youth work being carried out in local churches. We maintain regular connections with churches, embracing a diverse range of denominations and striving to cultivate a 'kingdom culture' where youth leaders and young people come together, united by their love for Jesus.

Our church ministry includes hosting monthly Wyre youth events. Our events have included a post-Satellites party, family bonfire night and Christmas climbing at the Hub. Our peak attendance was at the Bonfire Party, where over 100 people joined us, thanks to inviting families of young people. Typically, most events attract around 50 attendees.

The Summer Camp at Satellites saw us take four different church youth groups to the event. Satellites, hosted by Youthscape, provided a variety of activities, sports, and evening programs, along with worship and Bible teachings. At our own village camp, we were blessed to share meals and fellowship together, and several young people made commitments to follow Jesus—one even made the decision twice, just to be sure!

Schools Connections

Our aim is to serve schools in a way that enables them to share the Christian faith in a relevant and meaningful manner, empowering students to make informed decisions about their own beliefs.

Barry established valuable connections with key figures at Bewdley and Holy Trinity Schools. We continued to build on our engagement through school community focus days. In and through schools, we engaged with 209 individual students through over 2610 face to face interactions, in both formal (RE lessons) and informal (lunch clubs and activity sessions) settings.

Staff Development

There have been changes to the staff team this year. Barry Mason has taken on a new role with Greater Europe Mission after six years of faithful service. Brigitte Whitley has now taken over as Director, working 40% full-time equivalent.

Brigitte also continues her role in Child and Adolescent Mental Health Services (CAMHS), exploring how to integrate her skills and training into Wyre Forest Youth for Christ's holistic approach to supporting young people. Recently, she completed Trauma-Informed Schools Supervisor training and Dialectical Behavioural Therapy for Adolescents (DBT-A) training, both of which will greatly enhance our work with schools.

With thanks...

We are deeply grateful for the time, effort, and commitment of volunteers from local partnering churches, including David Grist and his team at Kidderminster East, Steve Robinson and his team at Riverside, Naomi Bishop and her team at Cleobury Community Hub, Adam Whitley and his team at Kidderminster Elim, and Jason Borlase and his team at Kidderminster Baptist Church.

Structural Development

Maintaining strong governance and accountability is fundamental to our work, and we are grateful for the continued support of our Board of Trustees. Ahead of the AGM, we note the following board members:

- Chair of Trustees – Rev. Steve Robinson (due to step down after 18 months of leadership)
- Treasurer – Ian Phillips
- Secretary – Liam Carroll
- Trustees – Mike Follett, David Grist, Jane Pollard, Milka Russell
- Barry Mason has now transitioned from Director to become a trustee.

We also plan to refresh the Council of Reference, aiming to create a 'think tank' to consider how God may use Wyre Forest Youth for Christ in the coming months and years. Changes to the Council of Reference are expected in the near future, with new members joining. The current Council includes: Heidy Hague (Local Prayer), Sarah Holmes (Education Inclusion Specialist), Neil O'Boyle (British Youth for Christ Director), Rev. Adam Whitley (Kidderminster Elim), and Pastor Paul Ella (Stourport Baptist), Jason Borlase (Kidderminster Baptist Church)

We want to express our thanks to Simon Harry, who has stepped down from the Council due to his move to Cambridgeshire to lead a church, and to Sam Guille, who has stepped down to focus on his teacher training. While they will be greatly missed, we continue to pray for their exciting new ventures

Finances

Financial sustainability is a priority for us as a charity. As we present our finances below, we recognise that we are wholly reliant on God's provision through His people—whether through regular donations, church partnerships, payments for services, or grant awards.

For the financial year (January–December 2024), our income was £33,324, with expenditures totaling £30,300, leaving us with an operational surplus of £3,025. Funds brought forward from previous years totaled £4,677, resulting in an end of year balance of £7,702 in the bank.

We will continue to maintain the Director's role at 40% full-time equivalent and are confident that our financial practices align with the Charity Commission's guidelines.

In 2024, we are particularly grateful for the ongoing financial partnerships from individual donors, church missionary donations from Kidderminster Baptist Church, and the continued support of Riverside Bewdley, who provides office space. We have also received significant grants from the John James Trust, The Gladiator Trust, The Benefact Trust, Grace Charitable Trust, and the Norman Whiteley Trust.

Looking Ahead...

Schools Ministry

We continue to see our work with schools as a key avenue for transforming young people's lives through Jesus. We will prayerfully focus on one school at a time, exploring how we can serve through lessons, assemblies, and chaplaincy support. We also aim to expand our role in offering schools expertise and support following critical incidents.

We remain committed to our participation in the Wellbeing Showcase at Bewdley High School, where in 2025, we aim to distribute Kidderminster Harriers branded New Testaments to all students in Yrs 7-13, inviting them to take a moment to connect with God.

Holy Trinity School has expressed interest in having Wyre Forest Youth for Christ return to their RE lessons, and we have eight lessons scheduled to speak about Jesus.

We are also pleased to have secured funding from Gladiator Trust to enable us to deliver focused mission activities in the schools.

Looking ahead, we continue to explore opportunities to reach out to more schools, meeting prayerfully with one school at a time.

Church Ministry

We will continue to seek feedback from local churches on how we can support their youth programs and the young people they serve. Our regular events in partnership with local churches have proven successful, and we plan to continue these leading up to the next Satellites Summer Camp, where we plan to bring five churches in 2025. We hope to connect with more churches over the rest of 2025.

Final Thoughts

It is a great privilege to present this report of our charitable activity for 2024. Being part of Wyre Forest Youth for Christ is an incredible opportunity, and we are continually inspired as we see young people's lives transformed by the love of Jesus. Our goal is that every young person in Wyre Forest has the chance to make an informed decision about their faith. We are committed to supporting local churches and being a presence in schools, because as Romans 10:14 reminds us,

“How will they know if no one tells them?”

As a charity, we are well-positioned to continue impacting the lives of young people. We look forward to seeing our current activities expand and develop in both churches and schools. This is an exciting season for Wyre Forest Youth for Christ, and we are already witnessing God's favour poured out upon the youth in our community. We continue to pray that God's will be done in Wyre Forest Youth for Christ and in the lives of young people throughout the district.

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☐</td><td>☐</td><td>☒</td></tr> </table> <table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☐</td><td>☐</td><td>☒</td></tr> </table>	Yes	No	N/a	☐	☐	☒	Yes	No	N/a	☐	☐	☒

Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. 2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☐</td><td>☐</td></tr> </table>	Yes	No	N/a	☒	☐	☐

Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☒</td><td>☐</td><td>☐</td></tr> </table>	Yes	No	N/a	☒	☐	☐						
Yes	No	N/a

Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☐</td><td>☐</td><td>☒</td></tr> </table> <table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☐</td><td>☐</td><td>☒</td></tr> </table>	Yes	No	N/a	☐	☐	☒	Yes	No	N/a	☐	☐	☒

Yes	No	N/a												
☒	☐	☐												
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	<table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☐</td><td>☐</td><td>☒</td></tr> </table> <table> <tr> <th>Yes</th><th>No</th><th>N/a</th></tr> <tr> <td>☐</td><td>☐</td><td>☒</td></tr> </table>	Yes	No	N/a	☐	☐	☒	Yes	No	N/a	☐	☐	☒

Wyre Forest Youth for Christ Annual Report 2023

Prepared by: **Barry Mason, Director**
March 2024

Strategy

The beginning of 2023 saw a renewed commitment to focussing on initiating new expressions of youth ministry and engaging well in areas where there are already positive opportunities to support young people.

After a prayerful approach to seeking out the right projects to get involved in, several opportunities to partner emerged and we have seen a range of opportunities open up with schools and churches in Wyre Forest.

As always, our long term commitments are to ensure;

- efficiency in our use of limited resources;
- effectiveness in our impact with young people;
- wisdom in the focus of our commitments to youth focussed projects;
- sustainability working towards engagement with young people being sustained beyond our involvement.

Culture

We are committed to Wyre Forest, the young people in and around the area, and all those who would like to see the district thrive as a community. With that in mind, our priority is to partner with those who are locally focussed and committed.

Our aim is always to champion the work of local churches and education bodies in supporting young people to explore faith. We exist to enhance and support those bodies, and not to grow our own presence or brand.

We value partnership with others to increase the extent of our reach; empowering young people to make informed decisions for their own lives and subsequent engagement in the world; ensuring that each young person we engage with knows they are valued as an individual and loved for who they are; we aim to help each young person be supported to fulfil their full potential without any pressure to do so.

We enter into partnership with the hope that our partners may own such values for themselves and we are able to cheer them on. That means;

- We want to see each and every church be given the opportunity to implement their own youth ministry, maximising their reach and impact on the lives of young people in their community, or at least to feel connected into youth ministry happening in their community;
- We aim to serve schools in a way that enables them to be able to share the Christian faith in a relevant way, allowing each student to make an informed decision about their own beliefs in response;
- We intend for every young person to know that they are loved - both by a living God, as well as within their local setting - exactly as they are.

We are keen to work in partnership with all who work with young people, whilst maintaining our commitment to show the love of Jesus.

Church Youth Ministry

Engaging with young people through local church

Our priority in seeing the establishment of a range of expressions of regular youth group events, is that they are owned and hosted by local churches. We believe we have a crucial role to play in helping churches to set up and grow youth ministry as part of their overall community engagement. Where needed we aim to resource and support youth groups getting started and sharpening to be relevant and engaging for young people. We work on a strategy of trying to equip local church to be self-sustaining in running youth groups for themselves, connecting them into wider networks and cheering them on from the side, only stepping in when it will benefit them as a group.

"Wyre Forest Youth for Christ exists to support the efforts of the churches in Wyre Forest, to see young people's lives changed by Jesus."

We were excited to have our third trip to Limitless One in February, with young people from across several Wyre Forest churches taking part in the 600+ youth event at Lifecentral church in Halesowen. Our young people worshipped and celebrated as part of the large event, with some responding to the message inviting them to live a life that follows Jesus, for themselves.

We were then excited to join with our friends for Cleobury Hub again to take young people to the Pioneer centre to explore their social engagement skills whilst taking on high ropes and climbing skills.

Due to a great gift from the Benefact Trust, we were able to take around 40 young people from across four different youth groups on an activity day to build relationships and bonds ahead of our Summer camp together. This included axe-throwing, a pool party and barbecue, and (changes of plans due to the rain and winds coming in) concluding with a gather inside for games and fun, whilst sharing the vision of working together as youth groups across the area.

It was great to have this group go on to camp together over the Summer at the Satellites Summer camp. We had 45 people as part of our own village camp, being able to share food together and see the young people mix, whilst also being able to be part of their own local group and see their friendships deepen.

Each of our young people were able to join in the wider camp activities, teaching sessions, workshops and the main meetings each day seeing over 2,000 young people together for worship, celebration and hearing about a God who loves them.

As always we are grateful for the leaders who volunteer their time and energy to spend quality time engaging with and supporting the young people from their church youth groups – namely from Riverside Bewdley & Cleobury Community Hub, and we were excited to partner this year with young people from Bridgnorth and Tamworth with leaders from Catalyst Youth Trust. These leaders make such a difference in enabling the young people to feel safe, loved and supported.

During their time at camp, members from across the youth groups made a range of decisions about their lives. Some were able to accept that God loves them for who they are, some to give up harmful ways in which they have been living, whilst others committing to make positive changes for themselves, and some making a commitment to live a life of following Jesus.

When we state we are supporting local churches in seeing young people's lives changed by Jesus - this is what it looks like.

Schools Connections

This year has seen exciting developments in the ways we have been able to get involved with both Bewdley High School and Holy Trinity School in very different ways.

On Valentines Day we were invited to be part of the Wellbeing Community Day at Bewdley School, where we were able to set up and run a stall showcasing some of the ways in which we run youth groups and engage with young people.

We had over 80 young people spend quality time at our stall engaging with the life questions, thought provoking ponderings and St Valentine's Day logical puzzle with LoveHearts.

The success of the stall led to positive meetings with senior leadership at the school, and we were able to go on to deliver Relationships & Sex Education lessons to around 200 students in Year 7 classes.

Since delivering those sessions, we have been invited to run a regular Lunch Games club for the next year's cohort of Year 7 students – seeing a regular group of those young people transitioning from primary to secondary education be able to come along and engage with peers in a safe space.

At Christmas we were able to connect the school tutor groups to the local Shoebox appeal and were even able to help arrange students to be able to take their schools' donations to the sorting warehouse and prepare boxes being sent across the globe.

An unexpected bonus was being invited to contribute to the content and programme for the school Christmas Carol event, seeing over 150 students and family attending at St. Anne's church in Bewdley.

Meanwhile, on the other side of the district, we were invited to deliver lessons over 2 RE days in **Holy Trinity School**, speaking on Life after Death, and the True Meaning of Easter across each of the year groups. This led to an invitation to run a lunch time debating club exploring Big Issues, and furthermore to take on a role as a Religious Studies teacher within the school. It has been exciting to explore a range of faith based topics, covering different faiths, Life After Death and the purpose of prayer within the school curriculum. We love taking on opportunities to engage with and support local schools as part of their commitment to educating the young people of Wyre Forest.

Summary of Ministry

Despite a slow start to the year, 2023 has seen a significant growth in face to face interactions with young people across the Wyre Forest, both through in school engagements and the development of local youth group expressions.

Throughout 2023 we had over **3,716** face-to-face interactions, in schools

with over **1,234 individual young people;**

We also supported and engaged with **343 young people** in local church settings, primarily from **5 local youth** groups, but also from larger scale one-off events, where we were part of **47 young people** making commitments in response to the Christian faith.

We continue to be encouraged to see so many of our young people growing closer in their understanding of and relationship with Jesus.

Staff Development

We continue to strive towards growing the staff team and are hopeful of new roles emerging soon. We continue currently with the Director role fully salaried at 80% pro rata.

Barry Mason continues as Director, having been in post for 5 years. He has also taken on part-time teaching work with Holy Trinity as part of our commitment to serve local schools.

Barry has extended his training in Relationships & Sex Education, being a schools advocate for Naked Truth, as well as training as a Mental Health First Aid practitioner. He has again spoken at Kidderminster Baptist church, Far Forest Baptist Church and continued a regular speaking presence with Riverside Church in Bewdley. We have also been greatly supported by the time and effort of volunteers in local partnering churches.

Structural Development

It continues to be a core part of our structure and accountability to have a board of trustees. There were some changes following the AGM in October 2023;

Rev. Steve Robinson is now appointed as Chair of Trustees;

Mike Follett continues is now Vice Chair of Trustees;

Liam Carroll continues as Secretary;

Ian Phillips continues in role as Treasurer;

Jane Pollard and Milka Russell also continue as trustees;

Bridget Follett has stepped down as a trustee from October 2023;

David Grist has been accepted as a new trustee.

We remain open to expanding the trustee board to include a more diverse representation and church involvement.

The Council of Reference remains in place and includes;

Pastor Sam Guille (Franche Community); Pastor Simon Harry (Bewdley Baptist);

Simon Hill (Worcester Diocese Youth Officer); Heidi Hague (Local prayer);

Sarah Holmes (Education Inclusion specialist); Neil O'Boyle (British Youth for Christ

Director); Adam Whitley (Kidderminster Elim); Pastor Paul Ella (Stourport Baptist);

Rev Robert Legge has stepped down having relocated to Blackpool.

We are sad to see the passing of Rob Palmer who was a valued Council of Reference member.

The Council of Reference met in person in October 2023, as part of their own meeting observing the charity activities and holding the Director and Board of trustees to account. They stayed on to be part of our AGM.

Still to come...

Whilst 2023 saw some significant increase in ministry activities, we were also confined in some areas and did not fulfil the complete plans for the year. This was in part due to struggles outside of work faced by Director, Barry Mason, and it was acknowledged that some projects could be postponed in order to keep the workload manageable.

Pray through May

We acknowledge the importance of prayer to underpin all of our charitable activities and remain committed to regular prayer gatherings and requests.

We also aim to raise the profile of prayer support directly for young people across the Wyre Forest, whether they are part of local youth groups or not. Where possible, we

hope to raise opportunities for young people to experience prayer for themselves and be comfortable in asking for prayers in support of their own lives.

We still hope to see Pray through May be a focal point where we can support young people being able to seek prayer support and schools being able to educate students on the role of prayer.

Schools Ministry

We continue to see serving schools as a valuable way of seeing young people's lives changed by Jesus.

We are keen to offer bespoke packages to each secondary school in Wyre Forest, in the hope that we can enhance the great service they already provide to young people from across Wyre Forest.

Heat & Eat

We are looking at new ways in which we can support local church to engage with young people from their own communities in relevant ways.

One such future project we are exploring is Heat & Eat – a regular gathering giving young people space to eat in community and explore faith and life around the meal table.

The Finances

Remaining financially sustainable is a priority to us as a charity.

It is our intention to ensure each project or ministry works towards a financially sustainable delivery. In presenting the details of the finances below, it is clear that we are fully dependent on the financial blessing of God through His people - whether that be regular giving, church partnership, payment for services or awards of grants.

During the financial year of 2023 we continued to release excess funds previously raised in 2020/2021, having been unable to spend due to the restrictions of lockdown.

The intention remains for the Director role to be fully financed through external partnerships and grants, so that any local individual partners, churches or likewise who make any financial payments, a donation or a payment, would be doing so to enable and further the ministry directly.

Total Income: £29,561

Total Expenditure: £31,924

For the financial year (Jan-Dec 2023), we submit accounts with a £29,561 income and a £31,924 expenditure, giving us an operational deficit of £2,363.

This figure is covered by reserve funds built up from allocated grants which had been unable to be spent during the lockdown restrictions. This resulted in an End of Year balance of £11,177 in the bank, with further monies assigned to future restricted funds. We have committed to maintaining the working hours of the Director up to 80%, and have designated some of these reserves to cover this increased cost until partnership support increases sufficiently to cover this expenditure.

We are comfortable that these figures represent good practice in line with Charity Commission's guidance on charity finances.

In 2023, we are thankful to the continued financial partnership of 25 individual partners and the church missionary donations from Kidderminster Baptist Church, Stockton Baptist Church and the ongoing gift in kind from Riverside Bewdley providing office space. We have received significant grants from John James Trust, The Gladiator Trust, The Benefact Trust, Grace Charitable Trust and Norman Whiteley Trust.

Final Thoughts

In conclusion, I am pleased to present this report of our charitable activity for 2023. Despite a range of challenges through the year we are delighted to see the start of some significant schools partnerships, and the development of local church youth groups. Whilst there is always more that we feel we could be doing, we remain committed to a primary position of thankfulness and celebration.

The end of 2023 sees a completion of 5 years of youth ministry through Wyre Forest Youth for Christ. We are excited to recognise this and hope we have laid significant foundations to enable ongoing further ministry to be developed.

We continue to acknowledge God's provision for us both financially and prayerful partnership.

Let us remember,

“Wyre Forest Youth for Christ is about seeing young people's lives changed by Jesus.”

As a charity we are in a healthy position to commit to ongoing ministry and continue impact the lives of young people. We want to see our current charitable activities continue and develop as well as expanding our work into more schools and supporting more young people through church set ups.

Wyre Forest Youth for Christ is committed to championing young people and lobbying for youth ministry to be a priority for churches and for the loving message of the Christian faith to fit within priorities of local schools in supporting their students with the intention that Good News is shared with every young person in Wyre Forest.

Our hope remains that every young person in Wyre Forest has the opportunity to make informed decisions about their own faith belief.

We aim to do this by enabling every church across Wyre Forest to have some expression of engagement with young people, whether that be in physical provision, community engagement, discipleship, delivery within schools, financial support, or prayer support. We would also like to see each Secondary and Further Education provider have some sort of proactive intentional Christian representation within their faculty. We will act in partnership with, or provide support to, any agency who is willing to work to this end.

We are once again excited about the possibilities that lay ahead in the year ahead, for 2024 and beyond.

Annual Report

Prepared by: **Barry Mason, Director**
March 2023

Strategy

After the challenges of two years in which gatherings and organised activities were put under various levels of restriction, overall 2022 saw a positive return to opportunities for engaging with young people.

Due to a growing base of financial and prayerful support, Wyre Forest Youth for Christ were in a position to reestablish foundations upon which to be able to rebuild our connections with churches, schools and directly with young people.

We remain committed to our core focus of seeing young people's lives changed by Jesus, and have prioritised engagement with young people aged 11-18 yrs old, with a church partnership involvement, to ensure ongoing support to each young person. Whilst finances remain challenging, we are delighted to still be in a secure position and able now to continue our connections with, and support of, local churches in an effort to help young people explore the Christian faith and their own spiritual understandings and beliefs.

In order to sustain our role long term we continue to prioritise being;

- efficient in our use of limited resources;
- effective in our impact with young people;
- strategic in how we implement ministries;
- sustainable in that we are able to continue in a manner that avoids a 'hit and run' approach to project delivery.

Culture

As a locally based charity, we aim to partner with, and support local churches in efforts to engage with young people. **Whilst we see a clear role to meet the need for championing young people within church ministry and to encourage education bodies to support young people in exploring faith, we don't aim to make any ministry development about our own growth or dependant on our involvement.**

We value partnership with others to increase the extent of our reach; empowering young people to make informed decisions for their own lives and subsequent engagement in the world; ensuring that each young person we engage with knows they are valued as an individual and loved for who they are; we aim to help each young person be supported to fulfil their full potential without any pressure to do so.

We enter into partnership with the hope that our partners may own such values for themselves and we are able to cheer them on. That means;

- We want to see each and every church able to implement their own youth ministry, maximising their reach and impact on the lives of young people in their community, or at least to feel connected into youth ministry happening in their community;
- We aim to serve schools in a way that enables them to be able to share the Christian faith in a relevant way, allowing each student to make an informed decision about their own beliefs in response;
- We intend for every young person to know that they are loved - both by a living God, as well as within their local setting - exactly as they are.

We are keen to work in partnership with all who work with young people, whilst maintaining our commitment to show the love of Jesus.

Church Youth Ministry

Engaging with young people through local church

We continue to prioritise the delivery of youth ministry through partnership with local churches. Whilst youth groups in the area are still very much in a fledgling state we are encouraged to see positive expressions reemerging and gradual increases in the numbers of young people engaging with the churches we are partnering with.

"Wyre Forest Youth for Christ exists to support the efforts of the churches in Wyre Forest, to see young people's lives changed by Jesus."

It has been positive to see churches responding to the invitation to be part of this partnership and to engage both in gatherings we are hosting and events we are able to attend together.

In February, we saw 4 churches bringing young people along to a wider regional celebration with over 600 young people worshipping, celebrating and hearing an invitation to choose to follow Jesus for themselves.

Shortly after this, we were excited to support around 70 youth from Bewdley, Kidderminster and Cleobury joining together for an activity afternoon at the Pioneer Centre hosted by the Cleobury Community Hub. With many of them having not yet connected into a church youth group, this was a great opportunity for youth to invite their friends and for the youth leaders to connect with families.

In April we were able to host a first gathering of those engaging in leading youth groups in Wyre Forest, with Youth for Christ National Director, Neil O'Boyle coming to speak on the importance of youth ministry and how well we can work together to reach young people. It was so encouraging to see ten churches represented and to share heart, vision and fellowship. This was followed by a youth event in the evening with youth from several churches connecting for games, fun and a challenge of who Jesus is in their lives today.

Each of these gatherings were great opportunities for the young people to connect and for the youth groups to develop those connections. This culminated in a joint venture between 4 churches to attend the summer Limitless Festival as one larger group of 50 young people and leaders.

It was so encouraging to see this rapid turn around in levels of engagement following two years in which the summer camps had been cancelled. The majority of the young people included would not necessarily have identified as Christian or felt they were directly attached to a church, though they very much are through the respective youth groups. Many of them had never experienced the idea of camping, being away from home, large scale youth participation in activities, worship and hearing God's word, or being released to just have fun and laughter together. [We had a range of responses](#) as each of the young people explored their own understanding of the messages that were being shared and the times they spent in the larger corporate times of worship.

We are deeply grateful for the time and energy given from those volunteering as leaders for the camp (specifically from Kidderminster Baptist church, Riverside Bewdley & St. Mary's Youth Project) who were able to support the young people through group and one-to-one discussions enabling the young people to respond in a way they were ready for - [ranging from acknowledging there is a God who loves them as they are through to choosing to live a life of following Jesus](#). When we state we are about seeing young people's lives changed by Jesus, this is what it looks like.

We were delighted to conclude the calendar year returning to a Cleobury Community Hub Christmas event with 4Front theatre, and a post event youth celebration.

Schools Connections

We have continued to remain in good conversation with Bewdley High School, Holy Trinity and Stourport High School.

With limited resources, and respect for the schools working on how they got their full programmes back up and running we switched our focus this year onto supporting the set up of church youth ministry.

We did not engage in any in-person schools ministry in 2022, but have laid good relational foundations that are set to grow and provide opportunities in 2023.

We continue to pray for those in staff and voluntary roles, pupils and students, and for our own opportunities to serve in each of the secondary and further education faculties in Wyre Forest. Namely;

Baxter College; The Bewdley School; Heathfield Knoll; Holy Trinity; King Charles I; Madinatul Uloom Al Islam; Stourport High School & VIth Form; Wolverley High School; Wyre Forest School and Kidderminster College.

Summary of Ministry

Whilst 2022 continued to have some challenges with regards to reestablishing partnerships with churches and schools, we were delighted to be able to start again in our efforts to take Good News relevantly to every young person in Wyre Forest.

Throughout 2022 we had over

2,750 face-to-face interactions,

with over **105 individual young people;**

supporting and inviting young people from **5 different youth** groups to attend area wide events; with

ten churches

partnering into a united youth ministry network.

We are really excited to have seen so many of our young people growing closer in their understanding of and relationship with Jesus.

We particularly celebrate **3 young people** becoming followers of Jesus and **1 young person** inviting friends and family to attend their believer's baptism service.

Staff Development

Whilst the long term intention is to grow the ministry and reach of Wyre Forest Youth for Christ in order to better support local churches and increase presence in schools, at this stage we are pleased that we have been able to retain the services of a Director role and from October increased this to an 80% salaried role.

Barry Mason continues as Director, having been in post for 4 years.

In February He was delighted to mark 30 years of being a Christian and celebrated the day with activities similar to ones he took part in as a young person himself when making the decision to follow Jesus for himself. Dressed as Where's Wally, Barry set some young people on an Scavenger challenge, whilst considering what it means to have to search for Jesus, only to discover that He is right there alongside us, when we know what to look for.

This year Barry has trained in Relationships & Sex Education with ACET, and became a Schools Associate worker for Naked Truth in delivering in-schools sessions on the impact of pornography with young people.

He was delighted to have spoken at Kidderminster Baptist church, as well as continued a regular speaking presence with Riverside Church in Bewdley.

From September - December, Barry was seconded part-time to a role with British Youth for Christ helping to collate a collective voice from across the local Youth for Christ centres in Britain to speak into strategic developments of the national ministry.

We have also been greatly supported by the time and effort of 7 local volunteers.

Structural Development

It was good to be able to have the trustees meeting again in person and to add more regularity to engagement with the relevant trustee roles.

Mike Follett continues in role as Chair of Trustees

The role of Secretary has now been taken on by Liam Carroll

Ian Phillips continues in role as Treasurer.

Jane Pollard (Vice-Chair), Bridget Follett, Steve Robinson and Milka Russell also continue as trustees. We remain open to expanding the trustee board to include a more diverse representation and church involvement.

The Council of Reference remains in place and includes;

Pastor Sam Guille (Franchise Community); Pastor Simon Harry (Bewdley Baptist);

Simon Hill (Worcester Diocese Youth Officer); Heidi Hague (Local prayer);

Sarah Holmes (Education Inclusion specialist); Neil O'Boyle (British Youth for Christ Director);

Rob Palmer (Christian minister); Pastor Paul Ella (Stourport Baptist);

Rev Robert Legge (Kidderminster East).

The Council of Reference did not meet in person in 2022, but will hopefully be able to set up a regular annual meeting going forward.

Still to come...

There has been a strange contrast (as seen in wider society) between the pace of life returning to face to face engagements at full pace for young people which has brought a range of mental health issues to be aware of; whilst also dealing with ongoing frustrations in the limits of being able to get ministry up and running as volunteer resources are reduced due to a shift in people's commitments to community activities.

Pray through May

We remain fully committed to the priority of prayer not only underpinning all our ministry, but also being a core part of activities being delivered.

In 2023 we want to grow on the success of our previous expressions of Pray through May. We aim to invite young people to pray themselves. Not only those who know God themselves and understand prayer, but to create an open invitation to all young people with a theme of #PrayOneForMe.

We hope to see young people sharing their prayer requests, calling out to God in the hope of connecting, and to even consider praying themselves.

Wyre Forest United: **Gathering across the churches**

We continue to prioritise our commitment in creating opportunities for youth groups to join together giving young people within each church youth group events where they would happily invite their friends along to.

During 2023 we are hoping to explore a first venture into creating more permanent spaces through partnership with churches and others looking to provide youth facilities.

We are also hoping to increase the workers for youth ministry in the area, both through training of volunteers and creation of job roles in local communities.

Schools Ministry

We are keen to reignite a schools ministry across Wyre Forest with the hope of seeing the Christian faith shared in relevant ways with young people in each of the schools. We hope to be able to openly share our heart of serving schools and helping students to be able to explore aspects of the Christian faith within a school setting - being open and honest about their own beliefs and questions they may have associated with these. We will look to serve through delivery of assemblies, curriculum lessons, extracurricular activities, lunch clubs and support of staff within school settings.

The Finances

Remaining financially sustainable is a priority to us as a charity. We intend, always, for each project or ministry to be financially viable in the long term. Before we present the details of the finances below, it is clear that we remain fully dependent on the financial blessing of God through His people - whether that be in regular giving, church partnership, payment for services or awards of grants.

During the financial year of 2022 we were able to spend some of the funds we had previously raised in 2020 and 2021, having been unable to spend due to the restrictions of lockdown.

The intention remains for the Director role to be fully financed through external partnerships and grants, so that any local individual partners, churches or likewise who make any financial payments, a donation or a payment, would be doing so to enable and further the ministry directly.

Total Income: £29,651

Total Expenditure: £31,924

For the financial year (Jan-Dec 2022), we are submitting accounts with a £29,561 income against a £31,924 expenditure, giving us an operational deficit of £2,363.

This figure is covered by reserve funds built up from allocated grants which had been unable to be spent during the lockdown restrictions. This resulted in an End of Year balance of £11,176 in the bank.

We have currently increased the working hours of the Director up to 80%, and have designated some of these reserves to cover this increased cost until partnership support increases sufficiently to cover this expenditure.

This allows for a continued healthy reserve in line with Charity Commission recommendations.

In 2022, we are specifically thankful to the ongoing financial partnership of 22 individual partners and the church missionary donations from Kidderminster Baptist Church, Stockton Baptist Church and the ongoing gift in kind from Riverside Bewdley providing office space.

Final Thoughts

In conclusion, I am pleased to present this report of our charitable activity for 2022. As always, we are aware that there is so much more we want to have achieved and put in place, but our primary position is one of being thankful that the ministry is still established, has grown both in financial sustainability, resources and reach throughout the year and is in a good position from which to be able to grow further and impact the lives of more young people.

We continue to acknowledge God's provision for us both financially and prayerful partnership.

Let us remember,

“Wyre Forest Youth for Christ is about seeing young people's lives changed by Jesus.”

We remain in a good position to be able to grow our impact in the lives of young people. We are passionate to continue the support of those young people who we are already engaged with as well as grow our reach to increase the number of young people we engage with and the depth to which we can engage with them.

Wyre Forest Youth for Christ is committed to championing young people and lobbying for youth ministry to be a priority for churches and for the loving message of the Christian faith to fit within priorities of local schools in supporting their students with the intention that Good News is shared with every young person in Wyre Forest.

Our hope remains that every church across Wyre Forest has some expression of engagement with young people, whether that be in physical provision, community engagement, discipleship, delivery within schools, financial support, or prayer commitment.

We would also like to see each Secondary and Further Education provider have some sort of proactive intentional Christian representation within their faculty. We will act in partnership with, or support to, any agency who is willing to work to this end.

We are once again excited about the possibilities that lay ahead in the year ahead, for 2023 and beyond.

Director, Wyre Forest Youth for Christ

Set out on pages

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Annual Report 2021

Prepared by: Barry Mason, Director
April 2022

Wyre Forest
**YOUTH
FOR CHRIST**

Strategy

2021 has been an interesting follow up to the significant challenges faced in the previous year. Firstly, it should be clearly understood that Wyre Forest Youth for Christ remains functional and financially viable in the short term, for which we are profoundly thankful - to partners, funders, and all those who cheer us on in various ways.

The year saw a lot of uncertainty as schools, churches and government all made efforts to recover from the losses and negative impact seen from lockdown restrictions. Just as things would seem to be opening up, there would be a further concern leading to returned restrictions to social engagements.

Understandably, this had effects on our charitable activities, but more pressingly had ongoing and increased impact on the lives of young people with regards to education, social development, a decreased enthusiasm for connecting with others in contrast to a significant need for more of that very thing.

In the midst of all this uncertainty, and whilst trying to still really establish a first clear focus on where to focus our efforts in ministry, we have tried to stay true to our initial desires - namely that of a spiritual strengthening for young people - to see their lives changed by Jesus.

In practice we have tried to find a balance between common sense and public responsibility in following lockdown restrictions, whilst taking opportunities afforded to us through various concessions for youth work in recognition of its importance in youth development. We remained motivated by our commitment to be...

- efficient in our use of limited resources;
- effective in our impact with young people;
- strategic in how we implement ministries;
- sustainable in that we are able to continue in a manner that avoids a 'hit and run' approach to project delivery.

Culture

We continue to prioritise our efforts to support and partner with those who are wanting to impact the lives of young people in a positive way. Almost every church in Wyre Forest has seen their youth work become non-existent or severely hampered by the lockdown restrictions.

Youthwork remains a labour intensive ministry, and this need has also led to significant struggles as those who would normally volunteer have found themselves facing family struggles, their own child-care needs increased, and low energy and drive following the lack of social engagement.

It was perhaps this combination of issues alongside the lack of provision of large scale gatherings, that led to us delivering the Limitless Wyre Forest Activities Week (see more below). We were focussed on engaging with young people, giving them a safe place to be and enthusing local church in connecting with their own youth congregation.

We are keen to work in partnership with all who work with young people, whilst maintaining our commitment to share the Christian faith.

Church Support

Engaging with young people through local church

Whilst I am hesitant to keep citing the impact of lockdowns, it was a reality that the plans we had for delivering the Limitless Wyre Forest programme for 2021 had to change significantly and sometimes at late notice. There were definitely times when all involved felt it might just be easier to stop and give up.

However, in response to seeing the need in young people's lives to connect, alongside the positive responses as they remained open to exploring spiritual matters, we were spurred on to find whatever opportunities we could to keep things going.

It was only ever going to happen as a partnership with the local church, and I think it's important that we continue to reiterate our commitment to the local church being the main conduit for the delivery of youth work...

"Wyre Forest Youth for Christ exists to support the efforts of the churches in Wyre Forest, to see young people's lives changed by Jesus."

We started the year with a programme of local events for churches to be able to invite young people to attend, with **the aim of them building up relationships and being able to see their own youth groups grow**. Each of these events was intentionally focused towards attending a summer camp - Limitless Festival. However, when news came through that the camp would be cancelled for the second year running, we responded with a local plan for delivering an Activities Week, to see young people from across several church youth groups be able to come together. When the Summer came we were able to deliver the full week, which involved...

- An evening of games & climbing at Climb61 in Cleobury;
- Go Ape, a barbecue & pool party;
- Day trip to Drayton Manor
- Sleep over at St Cecilia's (Kidderminster East);
- Morning classes and activities.

We had **over 40 young people involved through the week from across 5 different youth groups**, which was so encouraging to see. We've now tried to see positive follow up with each of them on a local level.

We were encouraged to see Pray through May delivered for a second year running, with people from 6 different churches signing up for the daily engagements to pray, attending in-person gatherings at schools and youth group venues, and feeding back prayers for young people in the area. Subsequently, we launched the Wyre Forest Prayer for Young People Marathon as part of the London Marathon programme. This included a marathon across linking each of the 9 district high schools, and concluding at Kidderminster College. Each location saw a **gathering of local church members praying for schools and passing on blessings to the next community**.

This proved a great opportunity to let schools know that the local churches are praying for them and their students.

Schools Connections

Schools have remained largely unavailable to offer opportunities to engage. They remained under ever-changing restrictions for the end of the 20/21 academic year. Since starting back in September 2021, we have yet to re-establish strong relationships with schools as they consider ways in which we can partner. We were honoured to be asked to deliver online assemblies for the Easter programme, which ultimately led to over 300 secondary school students hearing the Easter story in a relevant and engaging manner.

Structural Development

Laying the Foundations for Revival

With the reduction in ministry development, we ran with a minimal number of trustee meetings, with sufficient connection to ensure the charity remained viable, the staff was supported and operational and there were no safeguarding matters arising.

The trustees made the prudent decision to claim two months of partial furlough support for a period over February/March due to the family commitments of the director. Other than that the charity remained fully functional and able to cover financial commitments.

We were able to invite new potential trustees to attend meetings, but no appointments were confirmed by the end of the year.

The Council of Reference remains in place and includes;
Pastor Sam Guille (Franche Community);
Pastor Simon Harry (Bewdley Baptist);
Simon Hill (Worcester Diocese Youth Officer);
Heidy Hague (Local prayer);
Sarah Holmes (Education Inclusion specialist);
Vikki Vincent (Teacher, Holy Trinity);
Neil O'Boyle (British Youth for Christ Director);
Rob Palmer (Christian minster);
Pastor Paul Ella (Stourport Baptist);
Rev Robert Legge (Kidderminster East)

Still to come...

It has admittedly been frustrating at times during 2021 to not be able to launch and deliver streams of youth ministry as we had first hoped. However, **we remain committed to seeing the following opportunities be developed over the next year and beyond...**

Prayer 300: Underpinning it all in discussion with the Father

The ministry of Wyre Forest Youth for Christ begins and ends with the will of God. The Prayer 300 initiative aims to have people committed to praying for each of the estimated 300 tutor groups across secondary schools & colleges in Wyre Forest.

Initially focused on the schools, including commitment to a specific school and eventually specific to each of the individual tutor groups across the schools - to pray for their practical and spiritual needs as well as the pupils within.

It would be fundamental to the young people in our district to grow with a knowledge that God has been in ongoing conversation with regards to their life, the decisions made around it and ultimately the direction we are heading in.

Limitless Wyre Forest: Gathering across the churches

We believe a key aspect of young people deepening their own experiences and growth as Christians will be fellowship with other young people from across a range of church backgrounds. Youth for Christ is uniquely positioned and resourced to be able to run events and activities to see young people gather in larger scale meetings than within their own churches. We hope to provide regular opportunities for young people to socialise, worship, hear an evangelistic message, and encourage each other, from across the whole of Wyre Forest. This will include local gatherings as well as trips to national camps, conferences and events.

The Finances

We are pleased that, despite the financial challenges during the last two years, we have remained sustainable and functional. This is due to a combination of a sustainable financial model and the generous support of partners and funding bodies. We remain committed to Wyre Forest Youth for Christ operating a healthy financial practice, enabling projects to be sustainable for the long run.

The intention remains for the Director role to be fully financed through external partnerships and grants, so that any local individual partners, churches or likewise who make any financial payments, a donation or a payment, would be doing so to enable and further the ministry directly.

Total Income = £21,997

Total Expenditure = £19,637

For the 2021 financial year, we are submitting accounts with a £21,997 income against a £19,673 expenditure, giving us an operational profit of £2,324.

This figure will be added to the bank balance which was brought forward to give an end of year bank balance of £13,540, with a large proportion of these funds under restrictions for upcoming planned ministry. This allows a healthy reserve in line with Charity Commission recommendations.

In 2021, we were able to secure grants towards ministry in practice from;

- John James Charitable Trust - £1000

As well as raising over £3000 from the Tough Mudder event in the Summer, towards the Limitless Activities Week. We are extremely thankful for these donations. The figures have been allocated in accordance with the proposed bids and as such do not all show up in this year's accounts above.

Summary

In summary, I am pleased to present this report of our charitable activity for 2021. It would be very easy to focus on the restrictions we have faced and the opportunities for ministry subsequently lost. Indeed, I have done so at various times throughout the year. However, many other ministries have shut down and may well not be reestablished. I think it is prudent to take this moment to be thankful for God's provision and the way He has carried our ministry over the last two years. We are still present and functional, thus able to go again as we look to rebuild.

Let us remember,

“Wyre Forest Youth for Christ is about seeing young people's lives changed by Jesus.”

God works well outside of the small time frames in which we operate. A wave of spiritual revival remains in the offing. The young people in this area are of significant importance to God; He knows each of them by name, He knows their struggles and celebrates their successes; He has a plan for each one of them - a good plan, in which they will prosper.

Wyre Forest Youth for Christ has a role to play in championing this movement amongst young people and will continue to do so, until we see Good News shared with every young person in Wyre Forest.

Our hope is to see every church across Wyre Forest have some expression of engagement with young people, whether that be in physical provision, community engagement, discipleship, delivery within schools, financial support, or prayer commitment.

We would also like to see each Secondary and Further Education provider have some sort of proactive intentional Christian representation within their faculty. We will act in partnership or support with any agency who is willing to work to this end.

We look forward to building further upon this foundational year throughout 2022 and beyond.

Director, Wyre Forest Youth for Christ

Annual Report 2020

**Prepared by
Barry Mason, Director
May 2021**

Strategy

Obviously, the unexpected effects of Covid19 restrictions and various levels of lockdown had a major impact on our capacity to deliver direct youth work in 2020. Our long term hopes and dreams are to see a spiritual revival amongst young people throughout Wyre Forest and beyond. Whilst the opportunities to engage with young people in person have been significantly hampered, our commitment and drive remains focused on prioritising young people's spiritual development both in local church and through the education system.

Our strategy remains focused on being effective and influential rather than our own requirement to increase capacity to deliver.

We have not acted on any intention to grow the staff team, due to the uncertainty of what delivery of youth ministry can or will look like as and when restrictions are eased in the short-term future...

So, in line with our desire to be

- efficient in our use of limited resources;
- effective in our impact with young people;
- strategic in how we implement ministries;
- sustainable in that we are able to continue in a manner that avoids a 'hit and run' approach to project delivery;

we have spent the lockdown periods attempting to ensure the charity's medium to long term survival, maintaining awareness of the ministry amongst local churches and schools. This has so far proven to be prudent and allowed us to now have a sturdy platform from which to rebuild opportunities to create and grow youth ministry delivery. We were, however, able to deliver direct youth work when opportunities arose within easing of lockdown restrictions.

Culture

We had hoped to exercise our commitment to partnership with an increased relationship with those schools with which we had initiated contact. However, the lockdown left schools in restricted capacity to allow partnerships which sought physical presence in the school.

During 2020 we have, therefore, been severely restricted in any onsite presence in schools. We have, in a limited capacity, continued to maintain conversation, which in turn has led to some delivery of online material.

I have taken opportunities to maintain contact with several churches, who have admittedly all struggled to maintain any level of youth ministry delivery within national restrictions of lockdowns and social distancing. We have taken positive steps of engaging with others through prayer initiatives and supporting church leaders.

We remain keen to work in partnership with all who work with young people, whilst maintaining our commitment to share the Christian faith.

Church Support

Engaging with youth through local church

As always, it is an absolute priority that engagement with youth in the Wyre Forest is done in partnership with local church. It remains our statement that,

“Wyre Forest Youth for Christ exists to support the efforts of the churches in Wyre Forest, to see young people’s lives changed by Jesus.”

We had planned to develop on the initial church youth trip to Limitless Festival with a repeat trip including more churches in Summer 2020. However, the Summer camp was cancelled and local gatherings were also restricted in numbers and levels of activity. Some occasional breaks in the national lockdown programme and various easing of restrictions alongside exemptions of some youth work delivery, meant that we were still able to twice pilot a Limitless Event for young people from several churches.

The second of these in October half term, saw **26 young people from three different youth groups come together** for an evening of games, challenges, worship and a testimony from the British Youth for Christ band, The Sense. This was great to deliver in partnership with Franche Community Church & Kidderminster Baptist church and has laid the foundations for us to be able to resurrect this programme once restrictions allow us to do so. These local events will also prove **foundational to our efforts to see unity across church youth groups** in the district and hopefully encourage young people to openly invite their peers to come along to larger scale events, before the smaller youth group in their own church.

I have been able to gather monthly with several church ministers and spend regular prayer time, both for youth revival and for their own welfare in ministering local church. I have been honoured to have been given opportunity to speak in the main service (online delivery during lockdown) at both Far Forest Baptist and Franche Community Church, as well as being given regular presence at Riverside Elim – predominantly in capacity of my other part time role as Youth Leader.

May 2020 saw the launch of our annual prayer initiative, #PrayThroughMay. The lockdown restrictions meant that we had to deliver all of this through online engagement. For a first year of such an event, it was positive to see people from across 6 churches in Wyre Forest taking part, with several sharing our content and prayer prompts with their home church prayer networks.

This has proven a positive engagement with local churches.

Subsequently, we piloted a Wyre Forest Prayer for Secondary Education Week in October through social media presence. This had some positive engagement from other areas and was a good excuse to be able to let schools know we were praying for them.

Your Voice

Faith-based Debating courses

We began the year with the aim to continue in our delivery of the Your Voice course as part of Religious Studies and/or Social, Cultural, Spiritual & Moral (SCSM) education or in extra-curriculum, within school settings.

The course aims to encourage students to consider their own understanding of the world around them and to consider what they believe with regards to this. Sessions are geared towards students exploring their own and others' opinions on 'Big Issues', which they, as a group, choose from a range of options, and then explore what the Bible shares on the same topic.

Each session explores a different 'Big Issue' whilst challenging students to develop their Social, Cultural, Spiritual and Moral awareness as well as their discussion, critical thinking and presentation skills.

Unfortunately, schools had little choice, but to restrict the presence of any non-essential staff within their classes and the course delivery came to a halt.

However, the relationship which had been initiated through course delivery did lead to opportunities to serve the school in a new way. Within the restrictions of classroom distancing, we were invited to create content for video assemblies for delivery to tutorial classes of around 30 students in each. Our Christmas assembly was a quiz session on the Advent story, with a presentation of the birth of Christ in respect to its relevancy to our lives today and the message that this is a measure of how much God loves each of the students themselves. The material was made available for all tutor groups covering the 1200 students in the school: Though a conservative estimate would suggest **around 300 students were able to engage with the Christmas story as they headed into their festive holidays.**

We hope to be able to deliver further on these video assembly opportunities.

Structural Development: **Laying the Foundations for Revival**

We have continued with efforts to strengthen and formalise the structure of the charity. Trustee meetings were switched online and recruitment into this has been hampered. However, we remain committed to broadening the scope of the board of trustees and continuing to build on the good platform created in the Council of Reference.

Still to come...

Whilst 2020 has proven frustrating and hampered our capacity and intentions to build upon the foundations laid in 2019, we are glad to be able to celebrate still being in existence; still having a solid charitable foundation upon which to rebuild; having a good financial basis from which to grow and a desire to work in partnership with local schools and churches to engage with young people.

We are committed to seeing the following opportunities be developed over the next year and beyond...

Arise: Discippling the next generation of Jesus Followers

The best person to tell a young person about Jesus, is a young person who knows Him for themselves. Arise is a discipleship course to envision, equip and empower servant leaders in Wyre Forest: working with teenage youth to develop their Christian life and explore what God's plan is for their lives. Over 10-months, the course will allow students to meet with their peers from across the region to look at teaching from local church and community leaders and develop the skills to see how their Christian faith influences their own life choices and how they will engage in society. The course is initially aimed at students in Years 8-11 (12-16 years old).

Arise will develop servant leaders through the teaching of leadership principles and opportunities to put that teaching in to practice.

Prayer 300: Underpinning it all in discussion with the Father

The ministry of Wyre Forest Youth for Christ begins and ends with the will of God. The Prayer 300 initiative commits to have people committed to praying for each of the est. 300 tutor groups across secondary schools & colleges in Wyre Forest.

Initially focused on the schools, including commitment to a specific school and eventually specific to each of the individual tutor groups across the schools - to pray for their practical and spiritual needs as well as the pupils within.

It would be foundational to the young people in our district to grow with a knowledge that God has been in ongoing conversation with regards to their life, the decisions made around it and ultimately the direction we are heading in.

Limitless Wyre Forest Youth: Gathering across the churches

We believe a key aspect of young people deepening their own experiences and growth as Christians will be fellowship with other young people from across a range of church backgrounds. Youth for Christ is uniquely positioned and resourced to be able to run events and activities to see young people gather in larger scale meetings than within their own churches. We were pleased to be able to pilot both Check Inn – a safe place to study and get help with homework; and Limitless Events – a gathering of youth from local churches and beyond to have fun and be able to worship together.

We plan to provide regular opportunities for young people to socialise, worship, hear an evangelistic message, and encourage each other, from across the whole of Wyre Forest. This will include local gatherings and trips to national camps, conferences & events.

The Finances

We remain committed to Wyre Forest Youth for Christ operating a healthy financial practice, which will enable projects to be sustainable for the long run.

The Director role has been, and is intended to continue being, fully financed through external partnerships and grants. This will allow for local individual partners, churches or likewise who make any financial payments, be it as a donation or a payment, to do so to enable and further the ministry directly.

For the 2020 financial year, we are submitting accounts with a £23,062 income against a £18,305 expenditure, giving us an operational profit of £4,757.

This will be added to the bank balance brought forward giving an end of year bank balance of £22,360, with spending restrictions on over 50% of funds allocated. This allows a healthy reserve in line with Charity Commission recommendations.

In 2020, we were able to secure grants towards ministry in practice from;

- John James Charitable Trust (staff salary) - £1,500
- The Bradley Family Trust (unrestricted) - £10,000
- Gladiators Trust - £1,000
- Lee Roberts (covering fundraiser event fees) - £1,700

We have postponed our planned fundraiser event – a team entry to Tough Mudder Yorkshire to the 2021 event, due to all such events being postponed and us not being able to take young people away on camp which would have been the focus of the funds being raised. We are extremely thankful for these donations.

Summary

In summary, the above report gives a brief insight into our ministry for 2020. We had started the year with high hopes of building on the foundations laid in the inaugural year of ministry. However, the realities of restrictions placed in response to the Covid19 pandemic had a large-scale impact on capacity and opportunity to deliver.

Due to our small scale presence, we were not really able to reallocate resources in response to the restrictions, as they were also taking effect on the home life of myself, as Director, with regards to homeschooling, supporting my wife in her role within schools and the uncertainty of how long things would be affected for.

It became apparent that the most prudent response would be one of ensuring long-term survival as a presence and exercising opportunity to maintain conversation and relationship with those local schools and churches where some relationship existed. Heading in to 2021, there remains a lack of clarity of when restrictions will be fully eased and what youth engagement can look like moving forward. However, we are pleased to have survived where many have not and remain focused on our calling...

"Wyre Forest Youth for Christ is about seeing young people's lives changed by Jesus."

We are committed to serving the young people of Wyre Forest and beyond, with a focus on seeing them be given as many opportunities as possible to make their own informed decisions about the Christian Gospel message for their own lives.

We continue to pray for and seek out opportunities for young people to respond to God's call on their life. Wyre Forest Youth for Christ has a role to play in championing young people and will continue to do so, until we see Good News shared with every young person in Wyre Forest.

Our hope is to see every church across Wyre Forest have some expression of engagement with young people, whether that be in physical provision, community engagement, discipleship, delivery within schools, financial support, or prayer.

We would also like to see each Secondary and Further Education provider have some sort of proactive intentional Christian representation within their faculty. We will act in partnership or support to any agency who is willing to work to this end.

We hope to build further upon this ministry throughout 2021 and beyond.

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	<table> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☒</td><td>☐</td><td>☐</td></tr> <tr><td>Yes</td><td>No</td><td>N/a</td></tr> <tr><td>☐</td><td>☐</td><td>☒</td></tr> </table>	Yes	No	N/a	☒	☐	☐	Yes	No	N/a	☐	☐	☒

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution. Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet.
