## Strategy

Obviously, the unexpected effects of Covid19 restrictions and various levels of lockdown had a major impact on our capacity to deliver direct youth work in 2020. Our long term hopes and dreams are to see a spiritual revival amongst young people throughout Wyre Forest and beyond. Whilst the opportunities to engage with young people in person have been significantly hampered, our commitment and drive remains focused on prioritising young people's spiritual development both in local church and through the education system.

Our strategy remains focused on being effective and influential rather than our own requirement to increase capacity to deliver.

We have not acted on any intention to grow the staff team, due to the uncertainty of what delivery of youth ministry can or will look like as and when restrictions are eased in the short-term future...

So, in line with our desire to be

- efficient in our use of limited resources;
- effective in our impact with young people;
- strategic in how we implement ministries;
- sustainable in that we are able to continue in a manner that avoids a 'hit and run' approach to project delivery;

we have spent the lockdown periods attempting to ensure the charity's medium to long term survival, maintaining awareness of the ministry amongst local churches and schools. This has so far proven to be prudent and allowed us to now have a sturdy platform from which to rebuild opportunities to create and grow youth ministry delivery. We were, however, able to deliver direct youth work when opportunities arose within easing of lockdown restrictions.

## Culture

We had hoped to exercise our commitment to partnership with an increased relationship with those schools with which we had initiated contact. However, the lockdown left schools in restricted capacity to allow partnerships which sought physical presence in the school.

During 2020 we have, therefore, been severely restricted in any onsite presence in schools. We have, in a limited capacity, continued to maintain conversation, which in turn has led to some delivery of online material.

I have taken opportunities to maintain contact with several churches, who have admittedly all struggled to maintain any level of youth ministry delivery within national restrictions of lockdowns and social distancing. We have taken positive steps of engaging with others through prayer initiatives and supporting church leaders.

**We remain keen to work in partnership with all who work with young people, whilst maintaining our commitment to share the Christian faith.**

# Church Support

## Engaging with youth through local church

As always, it is an absolute priority that engagement with youth in the Wyre Forest is done in partnership with local church. It remains our statement that,

***“Wyre Forest Youth for Christ exists to support the efforts of the churches in Wyre Forest, to see young people’s lives changed by Jesus.”***

We had planned to develop on the initial church youth trip to Limitless Festival with a repeat trip including more churches in Summer 2020. However, the Summer camp was cancelled and local gatherings were also restricted in numbers and levels of activity. Some occasional breaks in the national lockdown programme and various easing of restrictions alongside exemptions of some youth work delivery, meant that we were still able to twice pilot a Limitless Event for young people from several churches.

The second of these in October half term, saw **26 young people from three different youth groups come together** for an evening of games, challenges, worship and a testimony from the British Youth for Christ band, The Sense. This was great to deliver in partnership with Franche Community Church & Kidderminster Baptist church and has laid the foundations for us to be able to resurrect this programme once restrictions allow us to do so. These local events will also prove **foundational to our efforts to see unity across church youth groups** in the district and hopefully encourage young people to openly invite their peers to come along to larger scale events, before the smaller youth group in their own church.

I have been able to gather monthly with several church ministers and spend regular prayer time, both for youth revival and for their own welfare in ministering local church. I have been honoured to have been given opportunity to speak in the main service (online delivery during lockdown) at both Far Forest Baptist and Franche Community Church, as well as being given regular presence at Riverside Elim – predominantly in capacity of my other part time role as Youth Leader.

May 2020 saw the launch of our annual prayer initiative, #PrayThroughMay. The lockdown restrictions meant that we had to deliver all of this through online engagement. For a first year of such an event, it was positive to see people from across 6 churches in Wyre Forest taking part, with several sharing our content and prayer prompts with their home church prayer networks.

**This has proven a positive engagement with local churches.**

Subsequently, we piloted a Wyre Forest Prayer for Secondary Education Week in October through social media presence. This had some positive engagement from other areas and was a good excuse to be able to let schools know we were praying for them.

# Your Voice

## Faith-based Debating courses

We began the year with the aim to continue in our delivery of the Your Voice course as part of Religious Studies and/or Social, Cultural, Spiritual & Moral (SCSM) education or in extra-curriculum, within school settings.

The course aims to encourage students to consider their own understanding of the world around them and to consider what they believe with regards to this. Sessions are geared towards students exploring their own and others' opinions on 'Big Issues', which they, as a group, choose from a range of options, and then explore what the Bible shares on the same topic.

Each session explores a different 'Big Issue' whilst challenging students to develop their Social, Cultural, Spiritual and Moral awareness as well as their discussion, critical thinking and presentation skills.

Unfortunately, schools had little choice, but to restrict the presence of any non-essential staff within their classes and the course delivery came to a halt.

However, the relationship which had been initiated through course delivery did lead to opportunities to serve the school in a new way. Within the restrictions of classroom distancing, we were invited to create content for video assemblies for delivery to tutorial classes of around 30 students in each. Our Christmas assembly was a quiz session on the Advent story, with a presentation of the birth of Christ in respect to its relevancy to our lives today and the message that this is a measure of how much God loves each of the students themselves. The material was made available for all tutor groups covering the 1200 students in the school: Though a conservative estimate would suggest **around 300 students were able to engage with the Christmas story as they headed into their festive holidays.**

We hope to be able to deliver further on these video assembly opportunities.

## **Structural Development:** **Laying the Foundations for Revival**

We have continued with efforts to strengthen and formalise the structure of the charity. Trustee meetings were switched online and recruitment into this has been hampered. However, we remain committed to broadening the scope of the board of trustees and continuing to build on the good platform created in the Council of Reference.

## Still to come...

Whilst 2020 has proven frustrating and hampered our capacity and intentions to build upon the foundations laid in 2019, we are glad to be able to celebrate still being in existence; still having a solid charitable foundation upon which to rebuild; having a good financial basis from which to grow and a desire to work in partnership with local schools and churches to engage with young people.

We are committed to seeing the following opportunities be developed over the next year and beyond...

### **Arise: Discipling the next generation of Jesus Followers**

The best person to tell a young person about Jesus, is a young person who knows Him for themselves. Arise is a discipleship course to envision, equip and empower servant leaders in Wyre Forest: working with teenage youth to develop their Christian life and explore what God's plan is for their lives. Over 10-months, the course will allow students to meet with their peers from across the region to look at teaching from local church and community leaders and develop the skills to see how their Christian faith influences their own life choices and how they will engage in society. The course is initially aimed at students in Years 8-11 (12-16 years old).

Arise will develop servant leaders through the teaching of leadership principles and opportunities to put that teaching in to practice.

### **Prayer 300: Underpinning it all in discussion with the Father**

The ministry of Wyre Forest Youth for Christ begins and ends with the will of God. The Prayer 300 initiative commits to have people committed to praying for each of the est. 300 tutor groups across secondary schools & colleges in Wyre Forest.

Initially focused on the schools, including commitment to a specific school and eventually specific to each of the individual tutor groups across the schools - to pray for their practical and spiritual needs as well as the pupils within.

**It would be foundational to the young people in our district to grow with a knowledge that God has been in ongoing conversation with regards to their life, the decisions made around it and ultimately the direction we are heading in.**

### **Limitless Wyre Forest Youth: Gathering across the churches**

We believe a key aspect of young people deepening their own experiences and growth as Christians will be fellowship with other young people from across a range of church backgrounds. Youth for Christ is uniquely positioned and resourced to be able to run events and activities to see young people gather in larger scale meetings than within their own churches. We were pleased to be able to pilot both Check Inn – a safe place to study and get help with homework; and Limitless Events – a gathering of youth from local churches and beyond to have fun and be able to worship together.

We plan to provide regular opportunities for young people to socialise, worship, hear an evangelistic message, and encourage each other, from across the whole of Wyre Forest. This will include local gatherings and trips to national camps, conferences & events.

## The Finances

We remain committed to Wyre Forest Youth for Christ operating a healthy financial practice, which will enable projects to be sustainable for the long run.

The Director role has been, and is intended to continue being, fully financed through external partnerships and grants. This will allow for local individual partners, churches or likewise who make any financial payments, be it as a donation or a payment, to do so to enable and further the ministry directly.

For the 2020 financial year, we are submitting accounts with a £23,062 income against a £18,305 expenditure, giving us an operational profit of £4,757.

This will be added to the bank balance brought forward giving an end of year bank balance of £22,360, with spending restrictions on over 50% of funds allocated. This allows a healthy reserve in line with Charity Commission recommendations.

In 2020, we were able to secure grants towards ministry in practice from;

- John James Charitable Trust (staff salary) - £1,500
- The Bradley Family Trust (unrestricted) - £10,000
- Gladiators Trust - £1,000
- Lee Roberts (covering fundraiser event fees) - £1,700

We have postponed our planned fundraiser event – a team entry to Tough Mudder Yorkshire to the 2021 event, due to all such events being postponed and us not being able to take young people away on camp which would have been the focus of the funds being raised. We are extremely thankful for these donations.

## Summary

In summary, the above report gives a brief insight into our ministry for 2020. We had started the year with high hopes of building on the foundations laid in the inaugural year of ministry. However, the realities of restrictions placed in response to the Covid19 pandemic had a large-scale impact on capacity and opportunity to deliver.

Due to our small scale presence, we were not really able to reallocate resources in response to the restrictions, as they were also taking effect on the home life of myself, as Director, with regards to homeschooling, supporting my wife in her role within schools and the uncertainty of how long things would be affected for.

It became apparent that the most prudent response would be one of ensuring long-term survival as a presence and exercising opportunity to maintain conversation and relationship with those local schools and churches where some relationship existed. Heading in to 2021, there remains a lack of clarity of when restrictions will be fully eased and what youth engagement can look like moving forward. However, we are pleased to have survived where many have not and remain focused on our calling...

***"Wyre Forest Youth for Christ is about seeing young people's lives changed by Jesus."***

We are committed to serving the young people of Wyre Forest and beyond, with a focus on seeing them be given as many opportunities as possible to make their own informed decisions about the Christian Gospel message for their own lives.

We continue to pray for and seek out opportunities for young people to respond to God's call on their life. Wyre Forest Youth for Christ has a role to play in championing young people and will continue to do so, until we see Good News shared with every young person in Wyre Forest.

Our hope is to see every church across Wyre Forest have some expression of engagement with young people, whether that be in physical provision, community engagement, discipleship, delivery within schools, financial support, or prayer.

We would also like to see each Secondary and Further Education provider have some sort of proactive intentional Christian representation within their faculty. We will act in partnership or support to any agency who is willing to work to this end.

**We hope to build further upon this ministry throughout 2021 and beyond.**
