

Annual Report 2021

Prepared by: Barry Mason, Director

Wyre Forest
**YOUTH
FOR CHRIST**

Strategy

2021 has been an interesting follow up to the significant challenges faced in the previous year. Firstly, it should be clearly understood that Wyre Forest Youth for Christ remains functional and financially viable in the short term, for which we are profoundly thankful - to partners, funders, and all those who cheer us on in various ways.

The year saw a lot of uncertainty as schools, churches and government all made efforts to recover from the losses and negative impact seen from lockdown restrictions. Just as things would seem to be opening up, there would be a further concern leading to returned restrictions to social engagements.

Understandably, this had effects on our charitable activities, but more pressingly had ongoing and increased impact on the lives of young people with regards to education, social development, a decreased enthusiasm for connecting with others in contrast to a significant need for more of that very thing.

In the midst of all this uncertainty, and whilst trying to still really establish a first clear focus on where to focus our efforts in ministry, we have tried to stay true to our initial desires - namely that of a spiritual strengthening for young people - to see their lives changed by Jesus.

In practice we have tried to find a balance between common sense and public responsibility in following lockdown restrictions, whilst taking opportunities afforded to us through various concessions for youth work in recognition of its importance in youth development. We remained motivated by our commitment to be...

- efficient in our use of limited resources;
- effective in our impact with young people;
- strategic in how we implement ministries;
- sustainable in that we are able to continue in a manner that avoids a 'hit and run' approach to project delivery.

Culture

We continue to prioritise our efforts to support and partner with those who are wanting to impact the lives of young people in a positive way. Almost every church in Wyre Forest has seen their youth work become non-existent or severely hampered by the lockdown restrictions.

Youthwork remains a labour intensive ministry, and this need has also led to significant struggles as those who would normally volunteer have found themselves facing family struggles, their own child-care needs increased, and low energy and drive following the lack of social engagement.

It was perhaps this combination of issues alongside the lack of provision of large scale gatherings, that led to us delivering the Limitless Wyre Forest Activities Week (see more below). We were focussed on engaging with young people, giving them a safe place to be and enthusing local church in connecting with their own youth congregation.

We are keen to work in partnership with all who work with young people, whilst maintaining our commitment to share the Christian faith.

Church Support

Engaging with young people through local church

Whilst I am hesitant to keep citing the impact of lockdowns, it was a reality that the plans we had for delivering the Limitless Wyre Forest programme for 2021 had to change significantly and sometimes at late notice. There were definitely times when all involved felt it might just be easier to stop and give up.

However, in response to seeing the need in young people's lives to connect, alongside the positive responses as they remained open to exploring spiritual matters, we were spurred on to find whatever opportunities we could to keep things going.

It was only ever going to happen as a partnership with the local church, and I think it's important that we continue to reiterate our commitment to the local church being the main conduit for the delivery of youth work...

"Wyre Forest Youth for Christ exists to support the efforts of the churches in Wyre Forest, to see young people's lives changed by Jesus."

We started the year with a programme of local events for churches to be able to invite young people to attend, with **the aim of them building up relationships and being able to see their own youth groups grow**. Each of these events was intentionally focused towards attending a summer camp - Limitless Festival. However, when news came through that the camp would be cancelled for the second year running, we responded with a local plan for delivering an Activities Week, to see young people from across several church youth groups be able to come together. When the Summer came we were able to deliver the full week, which involved...

- An evening of games & climbing at Climb61 in Cleobury;
- Go Ape, a barbecue & pool party;
- Day trip to Drayton Manor
- Sleep over at St Cecilia's (Kidderminster East);
- Morning classes and activities.

We had **over 40 young people involved through the week from across 5 different youth groups**, which was so encouraging to see. We've now tried to see positive follow up with each of them on a local level.

We were encouraged to see Pray through May delivered for a second year running, with people from 6 different churches signing up for the daily engagements to pray, attending in-person gatherings at schools and youth group venues, and feeding back prayers for young people in the area. Subsequently, we launched the Wyre Forest Prayer for Young People Marathon as part of the London Marathon programme. This included a marathon across linking each of the 9 district high schools, and concluding at Kidderminster College. Each location saw a **gathering of local church members praying for schools and passing on blessings to the next community**.

This proved a great opportunity to let schools know that the local churches are praying for them and their students.

Schools Connections

Schools have remained largely unavailable to offer opportunities to engage. They remained under ever-changing restrictions for the end of the 20/21 academic year. Since starting back in September 2021, we have yet to re-establish strong relationships with schools as they consider ways in which we can partner. We were honoured to be asked to deliver online assemblies for the Easter programme, which ultimately led to over 300 secondary school students hearing the Easter story in a relevant and engaging manner.

Structural Development

Laying the Foundations for Revival

With the reduction in ministry development, we ran with a minimal number of trustee meetings, with sufficient connection to ensure the charity remained viable, the staff was supported and operational and there were no safeguarding matters arising.

The trustees made the prudent decision to claim two months of partial furlough support for a period over February/March due to the family commitments of the director. Other than that the charity remained fully functional and able to cover financial commitments.

We were able to invite new potential trustees to attend meetings, but no appointments were confirmed by the end of the year.

The Council of Reference remains in place and includes;
Pastor Sam Guille (Franche Community);
Pastor Simon Harry (Bewdley Baptist);
Simon Hill (Worcester Diocese Youth Officer);
Heidy Hague (Local prayer);
Sarah Holmes (Education Inclusion specialist);
Vikki Vincent (Teacher, Holy Trinity);
Neil O'Boyle (British Youth for Christ Director);
Rob Palmer (Christian minster);
Pastor Paul Ella (Stourport Baptist);
Rev Robert Legge (Kidderminster East)

Still to come...

It has admittedly been frustrating at times during 2021 to not be able to launch and deliver streams of youth ministry as we had first hoped. However, **we remain committed to seeing the following opportunities be developed over the next year and beyond...**

Prayer 300: Underpinning it all in discussion with the Father

The ministry of Wyre Forest Youth for Christ begins and ends with the will of God. The Prayer 300 initiative aims to have people committed to praying for each of the estimated 300 tutor groups across secondary schools & colleges in Wyre Forest.

Initially focused on the schools, including commitment to a specific school and eventually specific to each of the individual tutor groups across the schools - to pray for their practical and spiritual needs as well as the pupils within.

It would be fundamental to the young people in our district to grow with a knowledge that God has been in ongoing conversation with regards to their life, the decisions made around it and ultimately the direction we are heading in.

Limitless Wyre Forest: Gathering across the churches

We believe a key aspect of young people deepening their own experiences and growth as Christians will be fellowship with other young people from across a range of church backgrounds. Youth for Christ is uniquely positioned and resourced to be able to run events and activities to see young people gather in larger scale meetings than within their own churches. We hope to provide regular opportunities for young people to socialise, worship, hear an evangelistic message, and encourage each other, from across the whole of Wyre Forest. This will include local gatherings as well as trips to national camps, conferences and events.

The Finances

We are pleased that, despite the financial challenges during the last two years, we have remained sustainable and functional. This is due to a combination of a sustainable financial model and the generous support of partners and funding bodies. We remain committed to Wyre Forest Youth for Christ operating a healthy financial practice, enabling projects to be sustainable for the long run.

The intention remains for the Director role to be fully financed through external partnerships and grants, so that any local individual partners, churches or likewise who make any financial payments, a donation or a payment, would be doing so to enable and further the ministry directly.

Total Income = £21,997

Total Expenditure = £19,637

For the 2021 financial year, we are submitting accounts with a £21,997 income against a £19,673 expenditure, giving us an operational profit of £2,324.

This figure will be added to the bank balance which was brought forward to give an end of year bank balance of £13,540, with a large proportion of these funds under restrictions for upcoming planned ministry. This allows a healthy reserve in line with Charity Commission recommendations.

In 2021, we were able to secure grants towards ministry in practice from;

- John James Charitable Trust - £1000

As well as raising over £3000 from the Tough Mudder event in the Summer, towards the Limitless Activities Week. We are extremely thankful for these donations. The figures have been allocated in accordance with the proposed bids and as such do not all show up in this year's accounts above.

Summary

In summary, I am pleased to present this report of our charitable activity for 2021. It would be very easy to focus on the restrictions we have faced and the opportunities for ministry subsequently lost. Indeed, I have done so at various times throughout the year. However, many other ministries have shut down and may well not be reestablished. I think it is prudent to take this moment to be thankful for God's provision and the way He has carried our ministry over the last two years. We are still present and functional, thus able to go again as we look to rebuild.

Let us remember,

“Wyre Forest Youth for Christ is about seeing young people's lives changed by Jesus.”

God works well outside of the small time frames in which we operate. A wave of spiritual revival remains in the offing. The young people in this area are of significant importance to God; He knows each of them by name, He knows their struggles and celebrates their successes; He has a plan for each one of them - a good plan, in which they will prosper.

Wyre Forest Youth for Christ has a role to play in championing this movement amongst young people and will continue to do so, until we see Good News shared with every young person in Wyre Forest.

Our hope is to see every church across Wyre Forest have some expression of engagement with young people, whether that be in physical provision, community engagement, discipleship, delivery within schools, financial support, or prayer commitment.

We would also like to see each Secondary and Further Education provider have some sort of proactive intentional Christian representation within their faculty. We will act in partnership or support with any agency who is willing to work to this end.

We look forward to building further upon this foundational year throughout 2022 and beyond.
