### **Reference and administrative details**

Reference and administrative details are shown in the schedule of members of the board and professional advisers on page 1.

## **Structure, Governance and Management**

### **Governing document**

The Aylesbury Hindu Temple (AHT) Trust was created by the Hindu residents of Aylesbury, Buckinghamshire of Great Britain on 13<sup>th</sup> May 2018. This trust is an unincorporated organization and was registered as a charity on 28<sup>th</sup> November 2018. The Charity is guided by its governing document.

### **Trustees and organization**

The Aylesbury Hindu Temple (AHT) Trust is run entirely by membership of volunteers who pay a life membership subscription. The titled roles constitute of Chair, Secretary & Treasurer, who are duly elected by the members. The number of trustees constituting the Charity Trustees shall not be less than 5 and will be subject to a maximum of 15 persons, who are life members of the Trust and duly elected by the members. The trustees are the trustees for the purpose of charity law, in whom the control, management and administration of the charity is vested.

The Charity Trustees meet once a month and are responsible for all decisions taken in relation to running the charity, and the activities provided by the charity. To assist in the smooth running of the charity, the Charity Trustees have set up several sub-committees that help them oversee certain aspects of the charity's work. Each sub-committee reports back with their recommendations to the full meeting of the trustees. The trustees who served during the year are set out on page 1. All those who attend our functions and fall within our membership criteria are encouraged to become members to enable them to be elected as trustees in the future if they so wish.

### **Risk Management**

The executive committee and trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and these have been minimized by the implementation of procedures for authorization of all transactions, monitoring of events and appropriate insurance indemnities. The trustees have not identified any other major risks to which the charity is exposed. The trustees have taken appropriate risk assessments as required during any public event organized during this period.

The trustees have identified the completion of the transition to the CIO, including the settlement of outstanding Gift Aid claims, is the main risk during this.

The trustees have managed this risk by:

- continuing the trust on a temporary basis until all gifted matters are concluded
- maintaining appropriate records for both the trust and the CIO; and
- ensuring that all significant decisions, including the transfer of assets, will formally approved by the trustees

## TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED 31<sup>st</sup> MARCH 2025

The charity's primary objective is to establish a Mandir (Hindu temple) in Aylesbury that not only serves as a center for spirituality, but also as a hub of cultural exchange, and holistic well-being. ## Year in Review

### Overview

Namaste!

As of 2025, our charity organization completed 7 years. We are ever grateful to the community for the unwavering support and all the contributions made. We continue to grow and strive to improve year-on-year, and with every passing year we are getting closer to our goal. The community's trust on us is invaluable and we are committed to serve to the best of our ability.

### Public Benefit Statement

In setting out the objectives and planning the activities, the trustees have given careful consideration to complying with the duty in Section 17 of the Charities Act 2011 to have regard to the public benefit guidance published by the Charity Commission.

### Update on 2025 Focus Areas & Status:

Some of the key focus areas we set for our charity and their statuses at the end of the year as listed below.

1. **Progressing the mandir project:** A special subcommittee was formed to focus the efforts on the Mandir project. The responsibilities of the subcommittees include –
  - a. Finding appropriate sites / properties to either rent / bid / buy
  - b. Identifying avenues to fund raise for the Mandir
  - c. Actively work on fundraising and track the progress
2. **Fundraising for a permanent mandir:** Although the special 'Mandir' subcommittee will lead the efforts on the fundraising, the entire team of Trustees are entrusted with the responsibility of driving this as a team and in their individual capacity.
3. **Completing the transition from Trust to CIO:**

During the year, the trustees progressed the transition of the charity from its former structure as a charitable trust to a Charitable Incorporated Organisation (CIO). The trustees considered the CIO structure is more appropriate for this charity and supports clearer governance arrangements going forward.

The CIO was registered with Charity Commission on 12 July 2024. The charitable trust continued to operate during the transition period to ensure continuity of the charity's activities while practical arrangements for the CIO were completed.

From December 2025, the transition moved forward in substance. The trustees approved the transfer of the charity's activities and assets from the trust to the CIO, and this transfer took place in December 2025.

The charitable trust will continue to operate for a short period alongside the CIO. This is to allow the completion of outstanding Gift Aid claims with HM Revenue and Customs, which are considered material. Once these claims have been finalised, any remaining net assets will be transferred to the CIO and the charitable trust will be formally closed.

4. **Revamping our digital presence:** A good digital footprint is essential to improve accessibility, streamline fundraising, and strengthen engagement.
5. **Wider audience outreach:** Expanding educational, cultural and spiritual initiatives to foster awareness and inclusivity. We continue to make a positive impact in this area and endeavor to engage more.

#### **Other Key Updates:**

1. **Outreach:** We continue to engage widely and have maintained a good relationship with the Buckinghamshire council, Aylesbury Town Council, Discover Bucks Museum, Thames Valley Police, Local Member of Parliament, and many others. One of the major events that we hold in partnership with the Discover Bucks Museum is Holi (Festival of Colors) and this year was no different but only better, in terms of community engagement, increased participation with lots of activities for all ages. Apart from this we continue to be invited to participate in the council events like Christmas on Cobble, Remembrance service and the Mayoral service. We are pleased to have this opportunity to participate and contribute to the diverse community locally.
2. **Utsavs:** We continue to deliver our monthly Sutradhar puja, in addition to some of our key 'utsavs' (events and festivals) like Rath yatra, Ganesh utsav, Shivaratri etc. We have been successful in including activities for children, helping to engage them more effectively and increase the footfall. We will continue to look at revamping where possible and feasible, to deliver a pleasant and enjoyable experience to the community.
3. **Collaborations:** We continue to explore opportunities to collaborate and support local organisations and charities to bring the various communities together to celebrate utsavs as one wider community. Examples include the Navratri Garba Mahotsav, Vishwa Varkari Samsthan and Diwali Festival of Lights.
4. **Expanded Educational Programme:** More school assemblies and cultural workshops, Youth development activities (dance, heritage language, arts), Continued community art initiatives tied to major festivals.
5. **Governance, Safeguarding and Compliance:** AHT maintains safeguarding guidelines for working with children and vulnerable individuals; Data protection procedures are followed in line with GDPR requirements; Conflicts of interest are recorded and managed appropriately; Annual reviews of governance policies and risk management are conducted.
6. **Grants:** We have been awarded 3-year grant totaling £15,000 by Rothschild Foundation. This funding is to support inclusive events, assemblies and workshops to celebrate diversity, foster cross-cultural understanding, and enhance well-being across Buckinghamshire.
7. **Community Recognition:** Recognised with 'The People's Choice Award 2024' by Heart of Bucks for the work in the community and impact on the local area that has made Buckinghamshire a better place to live.

Our heartfelt gratitude to our community for their continued support. Together, we look forward to another year of growth, unity, and spiritual fulfilment. And hope this year marks a significant milestone in getting closer to achieving our vision.

**YEAR ENDED 31<sup>st</sup> MARCH 2025**

I report on the accounts of the Charity for the year ended 31<sup>st</sup> March 2025, which comprise the statement of financial activities balance sheet and the related notes.

### **RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention

### **BASIS OF INDEPENDENT EXAMINER'S STATEMENT**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An independent examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below

### **INDEPENDENT EXAMINER'S STATEMENT**

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 130 of the 2011 Act, and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met: or

(2) to which, in my opinion attention should be drawn in order to enable a proper understanding of the accounts to be reached

## Year in Review

### Overview

Namaste!

As of 2023, our charity organization completed 5 years. We are ever grateful to the community for the unwavering support and all the contributions made. We continue to grow and strive to improve year-on-year, and with every passing year we are getting closer to our goal. The community's trust on us is invaluable and we are committed to serve to the best of our ability.

### Public Benefit Statement

In setting out the objectives and planning the activities, the trustees have given careful consideration to complying with the duty in Section 17 of the Charities Act 2011 to have regard to the public benefit guidance published by the Charity Commission.

### Update on 2023 Focus Areas & Status:

Some of the key focus areas we set for our charity and their statuses at the end of the year as listed below.

**1. Elections to onboard more trustees:** One of the significant achievements for the year has been the elections to fill the vacant Trustee's positions and strengthen the team to deliver more and cater to the wider community. We conducted the elections successfully and were able to onboard 6 new Trustees in the team and appointed few key roles from the new team. To execute the tasks more efficiently we have formed subcommittees across various subject areas. We are confident that the current team will bring in innovative ideas and carry forward our vision.

**2. Initiate CIO constitution draft:** As a step towards owning a place it was understood that we need to move to a CIO model. With this being clear, a team was formed to start draft the constitution with an aim to being a CIO by mid-2024. Significant work was carried out in this area with multiple meetings, and the drafting kicked at the end of the year.

**3. Consultation on the Mandir Plan:** As we progress with our regular activities, it is imperative to keep the focus on our vision and continue to work towards the goal. We had set ourselves a target of consulting with current / previous trustees on the plans for the Mandir and the work that was already carried out so the new team could take the initiative forward. As we end the year, we had drafted a plan with options for short-term and long-term, with clear actions for the short-term, i.e. to look for properties to rent / lease, while we work on the long-term, i.e. having a permanent / own place, in the background.

**4. Improve the internal and external outreach:** One of the areas identified were in terms of the outreach, both internal and external, with an underlying theme of connecting better with the wider community and different organizations, while continuing to build trust and confidence within the Hindu community in specific and the wider community in general. A survey was conducted within the internal community to gain feedback on various aspects of the functioning of the charity and we are pleased to say we got some good feedback with specific inputs – Property acquisition (Mandir plan); Community outreach; revamping monthly Utsavs; and collaborating with other local organizations. This helped in putting specific actions in place and we hope to have achieved our aspirations in these areas the following year.

### **Other Key Updates:**

1. **Outreach:** We have established a good relationship with the council and have been successfully delivering our Holi (Festival of Colors) for the past few years. Apart from this we have been invited to participate in the council events like Christmas on Cobblestones, Remembrance service and the Mayoral service. We are pleased to have this opportunity to participate and contribute to the diverse community locally.
2. **Utsavs:** We continue to deliver our monthly Sutradhar puja, in addition to some of our key 'Utsavs' (events and festivals) like Rath yatra, Ganesh Utsav, Shivaratri etc. Efforts have been made to include activities for kids to engage them better and improve the footfall. We started with Janmashtami this year for the first time and were pleased to see the engagement and enthusiasm. We will continue to look at revamping where possible and feasible, to deliver a pleasant and enjoyable experience to the community.
3. **Collaborations:** We have initiated discussions with various organizations to hopefully do our common Utsavs together. We will continue this conversation and would try and collaborate where possible to bring one big Utsav for the community. At the very least, we would create a common calendar so the key Utsavs being celebrated do not fall on the same day.

### **Focus areas for 2024:**

As we move into 2024, we remain focused on:

1. CIO transition – Complete the transition to CIO
2. Mandir plan – Concrete plan with various options and an action plan
3. Diversifying membership and standing orders – Increase Life Members and monthly standing orders to 100.

Once again, our heartfelt gratitude to our community for their continued support. Together, we look forward to another year of growth, unity, and spiritual fulfilment. And hope this year marks a significant milestone in getting closer to achieving our vision.

### **Statement on the Transfer to Aylesbury Hindu Temple CIO**

The trustees of AHTT confirm the following in relation to the transition to the new Charitable Incorporated Organisation (CIO), registered as Aylesbury Hindu Temple CIO with Charity Commission registration number 1209109:

#### **1. Rationale for the Transfer**

The decision to transition to CIO status was made to enhance the governance and operational efficiency of the charity. This legal structure provides limited liability protection for trustees and members and is better suited to the future activities and growth of the charity.

#### **2. Approval of the Transfer**

The approval was received from the trustees and life members over email in the first quarter of 2024, along with trust board meetings to transfer charity's assets, liabilities, and operations to **AHT CIO**. The transfer is consistent with charity law, the charity's governing document, and the requirements of the Charity Commission.

## **INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES**

**YEAR ENDED 31<sup>st</sup> MARCH 2024**

I report on the accounts of the Charity for the year ended 31<sup>st</sup> March 2024, which comprise the statement of financial activities balance sheet and the related notes.

### **RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention

### **BASIS OF INDEPENDENT EXAMINER'S STATEMENT**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An independent examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below

### **INDEPENDENT EXAMINER'S STATEMENT**

In connection with my examination. no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 130 of the 2011 Act, and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met: or

(2) to which, in my opinion attention should be drawn in order to enable a proper understanding of the accounts to be reached
