Trustees' Annual Report 2020

Our objectives:

- The prevention and relief of poverty and sickness and the relief of financial hardship, mainly but not exclusively, in Pakistan, of those in need by reason of youth, age, ill-health, disability, financial hardship or other disadvantage by providing financial or other help including mainly, but not exclusively, the provision of medicines, clean water, clothing, food and other necessities of life.
- The advancement of education, literacy and skill development mainly, but not exclusively, in Pakistan by means of, but not exclusively, scholarships and support for those children, women and others in need by reason of youth, age, ill-health, disability, financial hardship or other disadvantage.

Our main activities in 2020:

The trustees are pleased to present this report for 2020 to our donors, volunteers and all our communities. It is also being submitted to the Charity Commission for England and Wales.

With God's blessings and donors' help, we invested the income on these worthy projects:

1. Health:

- a. **Raazi Hospital, Pakistan:** This great health care provider is serving the sick and needy in Rawalpindi, Pakistan. Due to increasing demand, it needed to add substantial capacity. We took this opportunity of 'continuous charity' or 'sadaqah jaariyah' up and contributed a grant in instalments for the purchase of land, construction and equipment. Some of the zakah given by our donors was also used to pay for the treatment of poor patients who were not able to pay the less-than-market fees of the hospital. With the zakah given to the Patient Welfare Fund, they were given free treatment. For more info about this, please visit <http://alkhidmatraazi.com/rawalpindi/>.
- b. **Wakefield Hospice, UK:** Grant given for scent dispensers at the hospice.

2. Children and young people:

- a. **Kids n Action:** We gave a grant to Kids n Action charity to run summer schemes for the disadvantaged children from London. Evidence from their report suggests that the scheme was successful in providing those children an opportunity for positive leisure facilities.
- b. **Blue Ink School, India:** A grant was given to help build two more classrooms at Blue Ink School in India.
- c. **Al Huda Community School, Lahore** (provision of classroom furniture and partial payment towards school teachers' salary)

3. Beirut explosion: We supported people affected by the explosions in Beirut.

4. Water:

- a. Grant given for a full plant and building near Lodhran, Pakistan and part grant for a plant at Bahawalpur, Pakistan.
- b. Eco villages (solar powered wells etc.), Tharparkar, providing drinking water facilities

5. Income and spending: Income £33,187 Spending: 32,730

The trust plans to use the funds carried forward and future income on its priorities for next year: health promotion and, education, entrepreneurship and poverty reduction.
