Our objectives:

- The prevention and relief of poverty and sickness and the relief of financial hardship, mainly but not exclusively, in Pakistan, of those in need by reason of youth, age, ill-health, disability, financial hardship or other disadvantage by providing financial or other help including mainly, but not exclusively, the provision of medicines, clean water, clothing, food and other necessities of life.
- The advancement of education, literacy and skill development mainly, but not exclusively, in Pakistan by means of, but not exclusively, scholarships and support for those children, women and others in need by reason of youth, age, ill-health, disability, financial hardship or other disadvantage.

Our main activities in 2022:

The trustees are pleased to present this report for 2022 to our donors, volunteers and all our communities. It is also being submitted to the Charity Commission for England and Wales.

With God's blessings and donors' help, we invested the income on these worthy projects:

1. Health:

Raazi Hospital, Pakistan: This great health care provider is serving the sick and needy in Rawalpindi, Pakistan. Due to increasing demand, it needed to add substantial capacity. An individual donor pledged £60,000 over 3-5 years and paid over £20,000 this year to help build an operation theatre. Some of the zakah given by our donors was also used to pay for the treatment of poor patients who were not able to pay the less-than-market fees of the hospital. With the zakah given to the Patient Welfare Fund, they were given free treatment. For more info about this, please visit <http://alkhidmatraazi.com/rawalpindi/>.

2. Education

2.1 Small grants were given to deserving students to pay for their exams fees, books and other essentials.

2.2 A grant to Blue Ink Trust, was given to enhance educational facilities at their school in India.

3. Prisoners' families: We supported some families whose bread-winners were in prison.

4. Meat for needy families: We gave small grants to provide meat to needy families in different parts of the world.

5. Earthquakes in Turkey and Syria: Some money was sent through other registered charities.

Income and spending: Income £69,536 Spending: £57.393

The trust plans to use the funds carried forward and future income on its priorities for next year: health promotion and, education, entrepreneurship and poverty reduction.
