GOWING FOUNDATION
Annual Report
for the year ended 30 November 2022

The Gowing Foundation formed by constitution dated 1 November 2018 and was registered in England and Wales as a Charitable Incorporated Organisation on the 30 November 2018 with charity registered number 1180936.

The objects of the charity shall be the advancement of charitable purposes (according to the law of England & Wales) for the benefit of the public, as the trustees see fit from time to time, in particular but not limited to, making grants to charities, or other organisations or individuals working to advance charitable purposes, such that community participation in healthy recreation for children and young adults is promoted.

Trustees

The trustees who are also the members and served the charity during the period are detailed on Page 1.

New trustees are appointed by the current trustees from people over 16 who have shown a keen interest in the work of the charity and have abilities required on the governing body.

The board shall consist of at least three trustees and at least one of the trustees must be 18 years of age or over. When they are inducted the trustees are presented with a current copy of the constitution and latest annual report and financial statements.

Trustees responsibilities

The Trustees are required to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Charity and of its income and expenditure for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011.

Achievements, performance and developments

The foundation has generated income and awarded grants under its formal Grant making policy as shown within the financial statements. The charity has been able to offer support the following main charities.

- **The Pickering Cancer Drop In Centre** - is a self funding registered charity (in England and Wales) established by a group of cancer patients and based in Tunbridge Wells. The centre acts as a hub for anyone affected by cancer, providing information, support and a relaxing atmosphere where people can talk freely. Patients, carers, family and friends are offered a wide range of free facilities which includes complimentary therapies as well as advice and counselling.
- **Noah's Ark Children's Hospice** is a registered charity and company limited by guarantee, registered in England and Wales. the charity helps babies, children and young people with life-threatening or life-limiting conditions, and their families, make the most of every day. It offers support to those who die young to do so in as much comfort as possible, surrounded by their family. The charity aims to enable those they support to enjoy life as children, rather than as patients; as families, not just as carers.

Financial review

The results for the charity for the financial year are detailed on pages 5 to 7.

Covid-19 and Going Concern

The Covid-19 Pandemic and following economic crisis continues to have an effect on the public benefit of the charity in terms of the income of the charity but this is still only expected to be temporary. The charity moved more to making donations to registered charities as a result of the restricted sporting activities of individuals. It is still hard for those to move forward but as recovery continues we expect sports also to recover participation and involvement.

Public benefit

The trustees consider that the objectives and activities of the charity are in accordance with the Charity Commissions' general guidance on public benefit. The details of public benefit are covered within other areas of this report especially under the heading of 'Achievements, performance and developments'.

The foundation makes grants to charities, or other organisations working to advance charitable purposes, which gives benefit to everyone regardless of age, ability, creed or ethnic origin.

Risk assessment

The trustees have considered the major risks to which the charity is exposed and consider that those risks have currently been negligible. When the charity makes investments then it will need to re-address those risks and ensure that suitable mixes are used and assets are covered by adequate insurance.

The trustees do have a grant making policy which incorporates ensuring that the institutions to which grants are made are suitable and charitable in their own activities. The trustees have a policy to avoid direct individual contact with vulnerable persons and any contact would be with parents, coaches or teachers present.
