## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The reporting period coincided in part with COVID-19 pandemic when coaching and competitions were unable to be held.</p> <p>During normal times, the charity relies on the physical premises of schools for coaching and competition. Our teams are made up of primary school students and our coaches are secondary school students.</p> <p>The charity neither had access to maths team members not maths teams coaches during this period, either physically or virtually because schools went into lockdown and shut down afterschool activities, including the charity's coaching and competitions. Even after schools went back to regular teaching, afterschool activities, especially those by outside providers, were curtailed. Many of the volunteers and teachers the charity depended on, as well as the children who make up the teams and coaches, had moved on during COVID-19.</p> <p>Charity trustees are considering all options at this point, including shutting the charity.</p>
