

## **Godiva Voluntary Medical Responders (GVMR)**

### **Trustee Annual Report (TAR) 1<sup>st</sup> January 2023 – 31<sup>st</sup> December 2023**

There has been a further period of extra demands placed upon volunteers due to extreme pressures experienced by NHS ambulance services across the UK. Our volunteers have worked tirelessly to deliver emergency care to patients as part of our role in responding to 999 calls for ambulance assistance. We have been able to attend events to give first aid cover- raising vital funds for the group.

We have worked with WMAS to recruit new volunteers and now have a larger team of active responders.

As part of our growth, we have started developing and implementing more formal policies and procedures and a range of Standard Operating Procedures (SOPs)

We were successful with our ambition of acquiring a response car to help provide comprehensive cover for Coventry and Warwickshire this was kindly donated by 'Arrive Alive UK' and kitted out with equipment using our own funds.

Whilst we are now in a stronger financial position than in previous years, we are planning to apply for other, sustainable, funding streams for the coming 12 months.
