LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2024

The Trustees have pleasure in presenting their report and the financial statements of the charity for the year ended 31st December 2024

Structure, Governance and Management.

Love Southend is a Charitable Incorporated Organisation (CIO), incorporated on 26 September 2018. It is registered with the Charity Commission. The CIO was established under its Memorandum of Association which established the objects and powers of the charity and is governed by its Articles of Association.

Appointment and Induction of Trustees Trustees are appointed at Annual General Meetings, as set out in the Articles of Association, which provide for a minimum of three trustees. The Trustees are responsible for the appointment of new trustees. New trustees undergo an induction to brief them on their legal obligations under charity law, the content of the Articles of Association and the decision-making processes and the recent performance of the charity. They meet key personnel and the other trustees.

Risk Assessment Policy The Risk Assessment and Health and Safety policy will be overseen by a designated trustee who reports back to trustees' meetings with appropriate recommendations.

Organisational Policy. The Trustees meet a minimum of four times a year. Sub-committees are formed as and when required. The Love Southend Servant Team oversee the operations of the charity.

Organisation The Leadership Team structure and responsibilities are as follows: Being a new and small charity, the organisation is simple.

The Love Southend Servant Team consists of six individuals, four of whom are ministers of local churches, the other two holding leadership responsibilities in local churches. These have responsibility for the direction and vision of the charity.

Trustees

- i. The trustees are responsible for the legal and financial management of the charity; for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the CIO and enable them to ensure that the financial statements comply with the requirements of the Charity Commissioners. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2024

of fraud and other irregularities. In preparing the financial statements the trustees are required to select suitable accounting policies and apply them consistently; make judgements that are reasonable and prudent; and ensure funds are being used to fulfil the objectives of the CIO.

- ii. To advise the Love Southend Servant team on staffing, salaries and employment issues.
- iii. To manage the legal responsibilities of the charity.

Salaried staff There were no salaried staff for the year 2024.

Objectives and Activities

The principal activities of the charity are the relief of those in need; the promotion of the spiritual welfare of the community and the advancement of religion in Southend-on-Sea and its environs.

Review of Activities and Achievements

Prayer and worship.

We consider prayer to be an indispensable part of the individual's, the church's, and therefore Love Southend's life. We hold monthly prayer and worship weekday morning meetings which are open to any member of the community. These meetings focus on issues of celebration or concern in the life and work of the city; the work and ministry of churches, Christian charities or individuals and their service in the community.

Additionally, four of Love Southend's monthly Network Gatherings were planned around worship and intercession along with other monthly meetings with contributions from key players in the community to inform our praying. Some of the City-wide themes we have focused prayer on during 2023 have included our police, local YMCA, our MPs and local and national government, a planned city centre evangelistic day and different courses in the autumn that help people explore faith.

The 'Loving Southend in Prayer' WhatsApp group continues and draws on contacts within the NHS, Police and Council for updated needs, concerns and encouragements which are quickly and easily communicated to the 49 people in the group.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2024

Love Southend encourages support for other city-wide prayer initiatives. This year we promoted and actively encouraged participation in two evening 'Prayer for the City' events arranged by local Anglican churches.

City centre chaplaincy.

The Lead Love Southend Chaplain officially returned from his sabbatical at the start of March 2024 however he used February to lay groundwork for his return by visiting the various areas in the City.

High Street Retail

As we started the 5th year of Love Southend's 'City' Chaplaincy the cost-of-living crisis was the main issue facing both businesses and customers. This meant the time covered in the Royals by chaplaincy remained at 2 hours. The Methodist half of the team continued chaplaincy in the Victoria Plaza shopping centre at the other end of the high street. Throughout the year prayer was shared, signposting and comfort was given. Continued links grew with both those of other faiths, especially the Muslim staff, and those with no faith commitment. Conversations covered areas such as mental health, education, business, finances, physical health, assistance with end of life and mourning.

Veterans

Chaplaincy links to veterans continued at the same pace as previously till June when a change of circumstances for the chaplain made this unviable and although still available by phone the relationship has dwindled. It will be seen if this can be rekindled in 2024 but may prove to be difficult.

YMCA (The Y)

The breakfast club restarted with the chaplain's return but following a review of it was decided to end this offer. By contrast one-to-ones increased during the year as a whole. The conversations and prayers with staff and residents had similar foci to the retail sector above. However, the residents often expressed more personal concerns and vulnerabilities. One person made a commitment to Christ and some members of staff started to attend or return to churches. Another area being explored is networking between the YMCA youth workers and music staff with church youth leaders.

Refugee support

Chaplaincy to refugees with volunteers of the Arab/English friendship group came to an agreed end in July as although refugees are still housed in the City most of the work is now outside our boundaries.

Project Southchurch

The growth of the role to this community group is immense involving community presentations, the use of 7 drop in meetings in local cafes, being available to the community face to face and through various media outlets. Further links have grown between churches and the group. Through relationships forged through this group the chaplain has been co-opted onto the local police Independent Advisory Group and has been invited to attend council gatherings and a Muslim celebration.

Miscellaneous

Occasionally the chaplain attends a drop in arranged by Age Concern, this role being shared with a vicar from St Alban the Martyr. A presentation was given by the lead chaplain on chaplaincy to an international theology course.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2024

Network meetings.

Love Southend holds a monthly evening network meeting for church leaders, people who pray regularly for the well-being of the residents, the life and work of the city, and Christians who hold positions of responsibility within the community. In addition, any member of a Christian community interested in city wide issues is welcome to attend. These meetings involve: raising awareness of city-wide issues by inviting community leaders or those leading city focussed Christian ministry to (a) inform the network of developments, and (b) create opportunities for churches and individuals to engage with the issues raised. These evenings also provide mutual support, encouragement and prayer for network members and their ministry.

This year, for example, the Member of Parliament for Southend West and senior police officers of Essex Police attended network meetings, explaining their roles, responsibilities and aspirations for Southend and ways in which churches could support them in their public service. Other evenings focused on the issue of education in Southend and the ways local churches could engage with and support their local school; the work of local Christians in the creative arts. At another meeting, in conjunction with city council's Faith and Belief Network, a member of the Community Security Trust made a presentation about the implications of the proposed 'Martyn's Law' for faith communities and their places of worship. An invitation to attend was extended to all faith community leaders in Southend.

Engagement with Community and Faith Leaders

Members of Love Southend have established strong connections with community leaders to better understand issues for celebration and the needs of the community, and to provide prayerful support and encouragement for those carrying significant responsibility within Southend.

A member of the Servant Team had regular meetings with senior police officers. We kept in close contact with these links throughout the year to support and encourage them in the fulfilment of their responsibilities and to be aware of ways in which we could offer support in prayer for them, their staff and for the city.

Two members of the Servant Team attended meetings of the Southend Faith and Belief Network which provides a very welcome communication conduit between the Council and faith communities in the city. Monthly Microsoft Teams calls requested by the Council enabled faith communities to: - share initiatives that met the needs of the wider community - be aware of initiatives and developments by the Council in response to key issues affecting the community and report these to their faith communities - to hear from, and ask questions of, key officials in the Council.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2024

A member of the Servant Team was invited to join the steering group overseeing the City Council's process in gaining 'City of Sanctuary' status.

Three members of the Servant Team attended a meeting for faith community leaders at the request of the Leader of the Council. The purpose of the meeting was to enable the council leader to be aware of the work of the faith sector in Southend and seek their views on matters affecting the life of the city.

Support for NHS and emergency services staff – continuing to boost morale

A member of the Love Southend Servant Team continues to stay in regular contact with hospital staff members and police officers via text messages, emails and letters and face to face meetings. A key worker in the hospital and the police force continued to distribute letters of thanks, sweets and biscuits on behalf of Love Southend through the year. The response has been that this has helped to raise the morale of workers often under immense pressure.

Youth work collaboration

By the end of the year Love Southend had secured the support of two local church youth workers to initiate a meeting of church and Christian youth workers across the city in January 2025 to encourage mutual support, share experiences and consider the possibility of collaborative youth work.

Church leaders' breakfasts

Three breakfasts for church leaders were arranged. The purpose of these is to foster mutual trust and support among church leaders in the city, share experiences and create awareness of developments in the ministry of churches, and create an environment that allows for collaboration in serving the needs of the city. The decision was taken to include the leaders of Christian ministries that serve the city in the invitation to these breakfasts in 2025.

Other events

'The Knife Angel' visit to Southend

In July the dramatic and imposing 'Knife Angel' was displayed in a prominent position in Southend's High St. The tour of the 'angel' is to raise awareness of the dangers and impact on individuals and communities of knife crime. Southend Street Pastors and Love Southend were asked by the council to provide a reflective space for visitors to the 'angel' on each Sunday afternoon it was displayed as council and other volunteers were not available at that time. Gazebos were provided for quiet reflection, prayer and craft activities

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2024

related to the theme of peace; and volunteers were stationed at the 'Knife Angel' to speak with visitors and provide white message ribbons to be attached to the surrounding railings.

700 conversations with visitors took place, 36 wooden hearts made, 2 Reflective Books completed. Prayers shared with grieving families, conversations shared about hope and love, literature taken, hugs given, peace doves made, crosses decorated, gifts shared, friendships made, and faith expressed.

Such was the contribution made by these teams of volunteers, Street Pastors and Love Southend were asked to lead the final peace march event marking the end of the 'angel's' display in Southend.

Donations made:

In accordance with its objective of advancing religion in Southend Love Southend made a donation of £500 to Love Essex to support a collaborative evangelistic initiative in Southend High St involving local churches.

Public Benefit.

In their scrutiny of the activities of the charity, the trustees have given consideration to the guidance on public benefit issued by the Charity Commission in particular to ensure that: - There are identifiable benefits - Benefits are to the public or a section of the public - The benefits delivered in 2024 relate closely to our charitable objectives.

Review of Love Southend activities.

During the course of the year the Servant Team undertook a review of the effectiveness of the current programme of activities. To help in its deliberations a questionnaire was sent to members of the Love Southend network, including trustees. The conclusions of this review will be shared with the network in a vision and consultation event in March 2025.

Plans for 2025.

As a Christian CIO we intend to continue to reach out to the population in the Southend area with the gospel of Jesus Christ.

We will conduct further work on the strategic development of LS.

We will engage in the re-activation of collaborative youth work.

We will engage with other Chaplains in other fields and towns and cities to share and learn best practice.

We will run a chaplaincy course.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2024

Financial Review Grants:

None

Donations over £1,000:

None

Reserves Policy:

Reserves Policy: Love Southend Financial Controls includes a reserves policy which reflects the current status of the charity, its financial position and that the charity has no employees. An interest-bearing account is used for any operational reserves when available.

Investment Policy Under the Articles of Association:

The charity has the power to make any investments which the trustees see fit.

Independent Examiner:

The Trustees have agreed that Caroline McGregor be appointed the Independent Examiner to Love Southend for the ensuing year.

Trustees' Responsibilities:

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice. Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its financial activities for that period.

In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the activities of the charity will continue.

The Trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2023

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2023

The Trustees have pleasure in presenting their report and the financial statements of the charity for the year ended 31st December 2023

Structure, Governance and Management

Love Southend is a Charitable Incorporated Organisation (CIO), incorporated on 26 September 2018. It is registered with the Charity Commission. The CIO was established under its Memorandum of Association which established the objects and powers of the charity and is governed by its Articles of Association.

Appointment and Induction of Trustees

Trustees are appointed at Annual General Meetings, as set out in the Articles of Association, which provide for a minimum of three trustees. The Trustees are responsible for the appointment of new trustees.

New trustees undergo an induction to brief them on their legal obligations under charity law, the content of the Articles of Association and the decision-making processes and the recent performance of the charity. They meet key employees and the other trustees.

Risk Assessment Policy

The Risk Assessment and Health and Safety policy will be overseen by a designated trustee who reports back to trustees' meetings with appropriate recommendations.

Organisational Policy

The Trustees meet a minimum of four times a year. Sub-committees are formed as and when required. The Love Southend Servant Team oversee the operations of the charity.

Organisation

The Leadership Team structure and responsibilities are as follows:

Being a new and small charity, the organisation is simple.

The Love Southend Servant Team consists of six individuals, four of whom are ministers of local churches, the other two holding leadership responsibilities in local churches. These have responsibility for the direction and vision of the charity.

Trustees

i. The trustees are responsible for the legal and financial management of the charity; for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the CIO and enable them to ensure that the financial statements comply with the requirements of the Charity Commissioners. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. In preparing the financial statements the trustees are required to select suitable accounting policies and apply them consistently; make judgements that are reasonable and prudent; and ensure funds are being used to fulfil the objectives of the CIO.

- ii. To advise the Love Southend Servant team on staffing, salaries and employment issues.
- iii. To manage the legal responsibilities of the charity.

Salaried staff

There were no salaried staff for the year 2023

Objectives and Activities

The principal activities of the charity are the relief of those in need; the promotion of the spiritual welfare of the community and the advancement of religion in Southend-on-Sea and its environs.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2023

Review of activities and achievements

Prayer and worship

We consider prayer to be an indispensable part of the individual's, the church's, and therefore Love Southend's life. We hold monthly prayer and worship weekday morning meetings which are open to any member of the community. These meetings focus on issues of celebration or concern in the life and work of the city; the work and ministry of churches, Christian charities or individuals and their service in the community.

Additionally, four of Love Southend's monthly Network Gatherings were planned around worship and intercession along with other monthly meetings with contributions from key players in the community to inform our praying. Some of the City-wide themes we have focused prayer on during 2023 have included our police, local YMCA, our MPs and local and national government, a planned city centre evangelistic day and different courses in the autumn that help people explore faith.

The 'Loving Southend in Prayer' WhatsApp group continues and draws on contacts within the NHS, Police and Council for updated needs, concerns and encouragements which are quickly and easily communicated to the 49 people in the group.

Love Southend encourages support for other city-wide prayer initiatives. This year we promoted and actively encouraged participation in two evening 'Prayer for the City' events arranged by local Anglican churches.

City Centre Chaplaincy

The Lead Love Southend Chaplain officially returned from his sabbatical at the start of March 2023 however he used February to lay groundwork for his return by visiting the various areas in the City.

High Street Retail

As we started the 5th year of Love Southend's 'City' Chaplaincy the cost-of-living crisis was the main issue facing both businesses and customers. This meant the time covered in the Royals by chaplaincy remained at 2 hours. The Methodist half of the team continued chaplaincy in the Victoria Plaza shopping centre at the other end of the high street. Throughout the year prayer was shared, signposting and comfort was given. Continued links grew with both those of other faiths, especially the Muslim staff, and those with no faith commitment.

Conversations covered areas such as mental health, education, business, finances, physical health, assistance with end of life and mourning.

Veterans

Chaplaincy links to veterans continued at the same pace as previously till June when a change of circumstances for the chaplain made this unviable and although still available by phone the relationship has dwindled. It will be seen if this can be rekindled in 2024 but may prove to be difficult.

YMCA (The Y)

The breakfast club restarted with the chaplain's return but following a review of it was decided to end this offer.

By contrast one-to-ones increased during the year as a whole. The conversations and prayers with staff and residents had similar foci to the retail sector above. However, the residents often expressed more concern about anxiety, addiction, lack of confidence in themselves and their worth to society. One person made a commitment to Christ and some members of staff started to attend or return to churches.

Another area being explored is networking between the YMCA youth workers and music staff with church youth leaders.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2023

Refugee support

Chaplaincy to refugees with volunteers of the Arab/English friendship group came to an agreed end in July as although refugees are still housed in the City most of the work is now outside our boundaries.

Project Southchurch

The growth of the role to this community group is immense involving community presentations, the use of 7 drop in meetings in local cafes, being available to the community face to face and through various media outlets. Further links have grown between churches and the group. Through relationships forged through this group the chaplain has been co-opted onto the local police Independent Advisory Group and has been invited to attend council gatherings and a Muslim celebration.

Miscellaneous

Occasionally the chaplain attends a drop in arranged by Age Concern, this role being shared with a vicar from St Alban the Martyr.

A presentation was given by the lead chaplain on chaplaincy to an international theology course.

Chaplaincy Everywhere Course

As last year this course is still on hold. Shadowing has been going on with two shadows up to the end of the year. Shadowing will continue to ensure we have people who understand the need for chaplaincy services and assess the appropriateness of the course.

Plans for 2024

Continuing shadowing in preparation for a chaplains' course.

Review all areas for engagement and growth and identify any need for change

Liaise with other chaplaincy groups to garner ideas and best practice.

Southend Churches Community Support (SCCS)

Despite the best efforts of the Manager [for Love Southend] of the SCCS Befriending Project to secure future funding for the Befriending Project, this did not prove to be possible.

To maintain the level of support to the clients, it was therefore agreed by all concerned that the SCCS Befriending Project would be transferred to St. Vincent de Paul's [SVP] (Southend) Inreach Project on 1st October 2023. We are grateful that the Manager was able to maintain their long-standing support for the Project's clients under the auspices of SVP (Southend).

SCCS will be retained as a service category within Love Southend in the expectation that other initiatives will emerge under that ministry heading. This will enable Love Southend to be able to meet one of their charitable objectives: "The relief of those who by reason of youth, age, ill health, disability, financial hardship, or other disadvantage are in need."

The distribution of SCCS assets, as agreed by the Love Southend Trustees and Servant Team and in discussion with the Manager, was as follows:

- All SCCS branded assets will remain with Love Southend;
- Unbranded assets will be passed to SVP to be used for the benefit of current and future clients of the Project;
- Remaining funds within Love Southend's accounts allocated to SCCS for the support of the Befriending Project will be passed to SVP to be used for the current and future clients of the Project;
- The SCCS website and social media platforms will be managed by Love Southend. A post will be made referencing the transfer of the Befriending Project to SVP; and
- The SCCS van will be donated to the Southend Vineyard's Storehouse Project which supports vulnerable and homeless members of the community in concert with the values of the Befriending Project.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2023

Network meetings

Love Southend holds a monthly evening network meeting for church leaders, people who pray regularly for the well-being of the residents, the life and work of the city, and Christians who hold positions of responsibility within the community. In addition, any member of a Christian community interested in city wide issues is welcome to attend.

These meetings involve: raising awareness of city-wide issues by inviting community leaders or those leading city focussed Christian ministry to inform the network and create opportunities for churches and individuals to engage with the issues raised; to provide mutual support, encouragement and prayer for network members and their ministry. This year, for example, the newly elected Member of Parliament for Southend West and a Chief Superintendent of Essex Police attended network meetings, explaining their roles, responsibilities and aspirations for Southend and ways in which churches could support them in their public service. Another evening focused on the issue of housing in Southend and Christian initiatives in meeting housing needs.

Engagement with Community and Faith Leaders

Members of Love Southend have established strong connections with community leaders to better understand issues for celebration and the needs of the community, and to provide prayerful support and encouragement for those carrying significant responsibility within Southend. A member of the Servant Team had regular meetings with senior police officers. We kept in close contact with these links throughout the year to support and encourage them in the fulfilment of their responsibilities and to be aware of ways in which we could offer support in prayer for them, their staff and for the city.

Two members of the Servant Team attended meetings of the Southend Faith and Belief Network which provides a very welcome communication conduit between the Council and faith communities in the city. Monthly Microsoft Teams calls requested by the Council enabled faith communities to:

- share initiatives that met the needs of the wider community
- be aware of initiatives and developments by the Council in response to key issues affecting the community and report these to their faith communities
- to hear from, and ask questions of, key officials in the Council.
- to support and engage with the annual 'Unite in Light' event whose theme this year was 'Care for the Planet'

Other Events

Love Southend was honoured to be invited to be a part of the mayoral party and to lay a wreath at the Civic Remembrance Service.

Support for NHS and emergency services staff – continuing to boost morale

A member of the Love Southend Servant Team continues to stay in regular contact with hospital staff members and police officers via text messages, emails and letters and face to face meetings. A key worker in the hospital and the police force continued to distribute letters of thanks, sweets and biscuits on behalf of Love Southend through the year. The response has been that this has helped to raise the morale of workers often under immense pressure.

Donations made: In accordance with its objective of advancing religion in Southend Love Southend made a donation of £500 to Love Essex to support a collaborative evangelistic initiative in Southend High St involving local churches.

Other events

Presentation of Helen Yousaf artwork

Of the three pieces of artwork produced by Helen depicting the themes of faith and hope arising from a prayer evening initiated by Love Southend for the city immediately after the murder of Sir David in 2021, the final piece, 'A City of Light' was presented to Anna Firth, MP and the local Conservative Association as a tribute to Sir David's relentless aspiration for Southend to be place of life and colour personally, corporately and spiritually for its residents.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2023

Trafficking and Modern-Day Slavery event.

In collaboration with the Anglican Deanery, the Methodist Circuit and the local Baptist Association Love Southend initiated an evening event focused on trafficking and modern slavery for all churches in Southend. Drawing on the experience and input from keynote speakers representing Essex Police, Southend Against Modern Slavery, a national charity 'Hope at Home' and a local authority prevention officer from Dudley awareness of the issues were effectively raised and ways churches and individuals could engage explored.

Public Benefit

In their scrutiny of the activities of the charity, the trustees have given consideration to the guidance on public benefit issued by the Charity Commission in particular to ensure that:

- There are identifiable benefits
- Benefits are to the public or a section of the public
- The benefits relate closely to the charitable objectives.

Plans for 2024

As a Christian CIO we intend to continue to reach out to the population in the Southend area with the gospel of Jesus Christ.

Further work on the strategic development of LS.

A re-activation of collaborative youth work.

To engage with other Chaplains in other fields and towns and cities to learn best practice

To run a chaplaincy course.

Other Events

Love Southend was honoured to be invited to be a part of the mayoral party and to lay a wreath at the Civic Remembrance Service.

Financial Review

Grants: None

Donations over £1,000: None

Reserves Policy

At this stage in the charity's history a reserves policy is not considered necessary particularly as the charity has no employees.

Investment Policy

Under the Articles of Association, the charity has the power to make any investments which the trustees see fit.

Independent Examiner

The Trustees have agreed that Caroline McGregor be appointed the Independent Examiner to Love Southend for the ensuing year.

Trustees' Responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2023

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its financial activities for that period.

In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the activities of the charity will continue.

The Trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2023 D31D / MM / YYYY.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

LOVE SOUTHEND

England & Wales - Charity number 1180977

Accounts

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2022

The Trustees have pleasure in presenting their report and the financial statements of the charity for the year ended 31st December 2022

Structure, Governance and Management

Love Southend is a Charitable Incorporated Organisation (CIO), incorporated on 26 September 2018. It is registered with the Charity Commission. The CIO was established under its Memorandum of Association which established the objects and powers of the charity and is governed by its Articles of Association.

Appointment and Induction of Trustees

Trustees are appointed at Annual General Meetings, as set out in the Articles of Association, which provide for a minimum of three trustees. The Trustees are responsible for the appointment of new trustees.

New trustees undergo an induction to brief them on their legal obligations under charity law, the content of the Articles of Association and the decision-making processes and the recent performance of the charity. They meet key employees and the other trustees.

Risk Assessment Policy

The Risk Assessment and Health and Safety policy will be overseen by a designated trustee who reports back to trustees' meetings with appropriate recommendations.

Organisational Policy

The Trustees meet a minimum of four times a year. Sub-committees are formed as and when required. The Love Southend Servant Team oversee the operations of the charity.

Organisation

The Leadership Team structure and responsibilities are as follows:

Being a new and small charity, the organisation is simple.

The Love Southend Servant Team consists of eight individuals, four of whom are ministers of local churches and a further two are in leadership positions in local churches. These have responsibility for the direction and vision of the charity,

Trustees

i. The trustees are responsible for the legal and financial management of the charity; for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. In preparing the financial statements the trustees are required to select suitable accounting policies and apply them consistently; make judgements that are reasonable and prudent; and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in existence.

- ii. To advise the Love Southend Servant team on staffing, salaries and employment issues.
- iii. To manage the legal responsibilities of the charity.

Salaried staff

There were no salaried staff for the year 2022

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2022

Objectives and Activities

The principal activities of the charity are the relief of those in need; the promotion of the spiritual welfare of the community and the advancement of religion in Southend-on-Sea and its environs.

Review of activities and achievements

Prayer and worship.

We consider prayer to be an indispensable part of the individual's, the church's, and therefore Love Southend's life. We hold monthly prayer and worship weekday morning meetings which are open to any member of the community. These meetings focus on issues of celebration or concern in the life and work of the city; the work and ministry of churches, Christian charities or individuals and their service in the community. Some of the City-wide themes we have focused prayer on during 2022 have included hospital and town chaplaincy; our nation with a new Prime Minister and cabinet; our local council with a new CEO / our elected members of council as well as staff working at the council; local churches with changes in leadership happening (retirement's).

Additionally, four of Love Southend's monthly Network Gatherings were planned around worship and intercession, focusing on the following city-wide issues / themes – aspirations for the well-being of Southend in 2022; policing, crime and safety in the community; sharing faith effectively and the cost of living crisis, including contributions from key players in the community to inform our praying.

The 'Loving Southend in Prayer' WhatsApp group continues and draws on contacts within the NHS, Police and Council for updated needs, concerns and encouragements which are quickly and easily communicated to the 41 people in the group. The WhatsApp prayer group have also continued to pray for schools, care homes, the setting up and establishing of a new YMCA children's home and other needs brought to our attention.

A County-wide Prayer Team Prayed Around Priory Park For Southend-on-Sea

A prayer team of 8 people from Transforming Essex came to Priory Park to pray for and bless Southend on 23 February 2022, a week before our City Status became official. They were met by a member of Love Southend and welcomed to the Park. This was the first of four prayer gatherings as part of their 'Four Corners of Essex' prayer strategy.

During July and August 2022 the 'Loving Southend in Prayer' WhatsApp group took on a challenge to think of an attribute and characteristic of God from A-Z to pray over our City. This proved to be inspiring and a resource of the comments that the group members posted was produced and shared on the website.

Southend Churches Community Support (SCCS)

SCCS is a Love Southend sponsored activity in collaboration with Southend City Council (SCC). This happened because the Churches' Winter Night Shelters (CWNS) were closed as a result of Covid and a council decision that they would not reopen. The CWNS was rebranded as Southend Churches Community Support (SCCS) and, when the pandemic restrictions were eased, SCCS was asked by SCC to set up a Befriending Service to support those moved from the local B&Bs into more permanent accommodation.

SCCS has continued to help those recently accommodated to live independently, sustain their tenancy and develop life skills. The Befriending Service offers a friendly listening ear, companionship, and basic practical help, to enable people to realise their full potential and assist them to participate in activities in the community in the same way that everyone else does. It also signposts to local support services, as necessary.

Each client is typically contacted weekly for a 1-hour session, on a one-to-one basis, doing activities of the client's choice.

Although 15 clients have now been referred to SCCS, there is still only one volunteer despite determined efforts to recruit more. This means that the manager has continued to do the majority of the befriending; nevertheless, the determination to help as many people as possible has remained.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2022

The vehicle purchased with the grant from the Morrisons Foundation has proved invaluable in transporting both clients and donated furniture, etc. A prime example of this was using it to pick up clients to take them to the Sands Restaurant where they enjoyed a lovely Christmas lunch!

Network meetings

Love Southend holds a monthly evening network meeting for church leaders, people who pray regularly for the well-being of the residents, life and work of the city, and Christians who hold positions of responsibility within the community. In addition, any member of a Christian community interested in city wide issues is welcome to attend.

These meetings involve: raising awareness of city-wide issues by inviting community leaders or those leading city focussed Christian ministry to inform the network and create opportunities for churches and individuals to engage with the issues raised; to provide mutual support, encouragement and prayer for network members and their ministry. This year, for example, the Head of Service Children, Youth and Family Support of Southend Borough Council, those working in support individuals and families impacted by the cost-of-living crisis, and Southend's most senior police officer attended network meetings. All worship/prayer and network meetings became 'in person' after April.

Engagement with Community and Faith Leaders

Members of Love Southend have established strong connections with community leaders to better understand issues for celebration and the needs of the community, and to provide prayerful support and encouragement for those carrying significant responsibility within Southend. A member of the Servant Team had regular meetings with senior police officers. We kept in close contact with these links throughout the year to support and encourage them in the fulfilment of their responsibilities and to be aware of ways in which we could offer support in prayer for them, their staff and for the borough.

Two members of the Servant Team attended meetings of the Southend Faith and Belief Network which provides a very welcome communication conduit between the Council and faith communities in the city. Fortnightly Microsoft Teams calls requested by the Council enabled faith communities to:

- share initiatives that met the needs of the wider community
- be aware of initiatives and developments by the Council in response to key issues affecting the community and report these to their faith communities
- to hear from, and ask questions of, key officials in the Council.
- to support and engage with the 'Unite in Light' event

The designation of ring-fenced community fund within Love Southend accounts created last year to support Afghan guests was changed to allow the support of Ukrainian families displaced to Southend through the government supported and family visa schemes and any refuge seeker in Southend. A gift of £200 was made to 'Welcome UK' in Southend who provided a friendship meal at Christmas for Ukrainian families, and £150 in vouchers towards Ukrainian families. £150 was used to provide Primark vouchers for Afghan families still being housed in a hotel.

City centre chaplaincy

High Street Retail

As we started the 4th year of Love Southend being involved in the now 'City' Chaplaincy, Covid was becoming less of an issue for the majority, but for some it was still having a significant effect. During the year retail still suffered although there were no further main store closures, but also no re-opening of shuttered areas. This meant the time covered in the Royals by chaplaincy remained at 2-3 hours. The Methodist half of the team continued chaplaincy in the Victoria Plaza shopping centre at the other end of the high street. As the year wore on the war in the Ukraine and the cost-of-living crisis started to be voiced in the one to ones with staff and customers. Prayer was shared, signposting and comfort was given. Continued links grew with both those of other faiths, especially the Muslim staff, and those with no faith commitment.

Conversations covered areas such as mental health, education, business, finances, physical health, assistance with end of life and mourning.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2022

Veterans

Chaplaincy links to veterans have continued with a new link to the SSAFA charity established. This is a weekly lunch meeting but chaplaincy attends slightly less often due to other commitments but is available to be contacted out of hours. The chaplain being on call is appreciated. One regularly makes us of it for a quick chat.

YMCA (The Y)

Chaplaincy has once again grown within areas of the YMCA. Cost of living for both residents, staff and the charity has had an impact leading to prayer covering all areas. A YMCA children's home has now been added to their portfolio. Staff training days included an explanation of the role of chaplaincy.

Weekly reflections and the breakfast club continued but moved to Wednesdays by YMCA request. The former unfortunately then dwindled and closed in the autumn. The breakfast club lost the member of staff assisting the Chaplain, though staff are available if required. The breakfast attendees, although small in number, reflected a wide range of needs. This led to prayers for similar issues as above but also addictions, relationships, identity and worth.

One to ones also continued taken up by both staff and residents in person. This even led to one member of staff who was commuting from Southend and thus could only work 2 days a week to find accommodation with the lead chaplain thus being able to live locally and do a full week of work. Also, some minimal work with The Y's housed refugees came to an end early on and did not restart before the end of the year.

Refugee support

Chaplaincy to refugees continued with volunteers of the Arab/English friendship group. The group assists both in the local authority but also abroad. The lead chaplain's befriending of one family of 5 came to a close just before the end of the year due to their assimilation into the neighbourhood. He hopes to adopt another in 2023. Love Southend offered to become a more spiritual support to the group going forward whilst Southend Vineyard provides an administrative base for them.

Project Southchurch

A new role requested by Project Southchurch, a community group covering an eastern section of the city, was the inclusion of a chaplain on their team. The project includes various community events and celebrations. The chaplain will be a faith connection amongst the businesses and residents in the area.

Chaplaincy Everywhere Course

No chaplaincy courses were organised for last year but it is on the agenda for the next 18 months.

The lead Love Southend Chaplain went on sabbatical at the beginning of December but is expected to be back in post March 2023.

Plans for 2023.

On the lead chaplain's return in March he will connect with the various groups and liaise with his opposite number from the Methodist Circuit to review new areas and to review / refresh any previous engagements that have become moribund. It is hoped to forge links with a community group 'Coffee and Chat' in Westcliff and the 'Ironworks' community hub in the high street.

Support for NHS and emergency services staff – continuing to boost morale

A member of the Love Southend Servant Team continues to stay in regular contact with hospital staff members and police officers via text messages, emails and letters and face to face meetings. A key worker in the hospital, ambulance service and the police force continued to distribute letters of thanks, sweets and biscuits on behalf of Love Southend through the year. The response has been that this has helped to raise the morale of workers often under immense pressure.

Other events

Unite in Light

The "Unite in Light" event, which was a celebration of hope and light for our City year, saw people gather from Southend's diverse faith communities at the Maritime Room, Cliffs Pavilion, to share their hopes for the City of

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2022

Southend and explore what light symbolises in their faith. The event was supported by Southend City, Citizens Essex and Southend-on-Sea Borough Council. Speakers at the event were drawn from the diversity of faith communities in the City.

Anna Firth, MP for Southend West, said: "Unite in Light was an inspirational afternoon which saw over 25 different faith groups coming together to celebrate the launch of City week and the life of Sir David Amess. Wonderful tributes were read out and there was huge enthusiasm for this to become an annual celebration of the founding of Southend City. As we look forward to formal City status arriving on 1 March, now is the time for us to embrace Southend as a City. The City of Southend will always stand as a beacon of light in its inclusivity and vision for the future".

Love Southend's contribution was focussed on the first public showing of the art work commissioned from Helen Yousaf last year and its significance for the memory of Sir David Amess and the theme of the event.

Presentation of Helen Yousaf artwork

Of the three pieces of artwork produced by Helen depicting the themes of faith and hope arising from a prayer evening initiated by Love Southend for the city immediately after the murder of Sir David in 2021, one, 'Suffering and Glory', was presented to the Facilities Manager of Leigh Road Baptist Church who made a community space available for the collaborative start to the art work. A second, 'Grief and Compassion', depicting prayers and grief rising from our then borough, and in response God's comfort and compassion as shards of light, was presented to the city at a full meeting of the Council on the occasion of the anniversary of Sir David's murder. It is planned to donate the third piece to Anna Firth, MP and the local Conservative Association.

Public Benefit

In planning the activities of the charity, the trustees have given consideration to the guidance on public benefit issued by the Charity Commission in particular to ensure that:

- There are identifiable benefits
- Benefits are to the public or a section of the public
- The benefits relate closely to the charitable objectives.

Plans for 2023

As a Christian CIO we intend to continue to reach out to the population in the Southend area with the gospel of Jesus Christ.

Further work on the strategic development of LS;

A review of SCCS and Blaze.

To engage with other Chaplains in other fields and towns and cities to learn best practice.

To run a chaplaincy course.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2022

Investment Policy

Under the Articles of Association, the charity has the power to make any investments which the trustees see fit.

Independent Examiner

A resolution will be proposed at the Annual General Meeting that Caroline McGregor be appointed the Independent Examiner to Love Southend for the ensuing year.

Trustees' Responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its financial activities for that period.

In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the activities of the charity will continue.

The Trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2021

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2021

The Trustees have pleasure in presenting their report and the financial statements of the charity for the year ended 31st December 2021

Structure, Governance and Management

Love Southend is a Charitable Incorporated Organisation (CIO), incorporated on 26 September 2018. It is registered with the Charity Commission. The CIO was established under its Memorandum of Association which established the objects and powers of the charity and is governed by its Articles of Association.

Appointment and Induction of Trustees

Trustees are appointed at Annual General Meetings, as set out in the Articles of Association, which provide for a minimum of three trustees. The Trustees are responsible for the appointment of new trustees.

New trustees undergo an induction to brief them on their legal obligations under charity law, the content of the Articles of Association and the decision-making processes and the recent performance of the charity. They meet key employees and the other trustees.

Risk Assessment Policy

The Risk Assessment and Health and Safety policy will be overseen by a designated trustee who reports back to trustees' meetings with appropriate recommendations.

Organisational Policy

The Trustees meet a minimum of four times a year. Sub-committees are formed as and when required. The Love Southend Servant Team oversee the operations of the charity.

Organisation

The Leadership Team structure and responsibilities are as follows:

Being a new and small charity, the organisation is simple.

The Love Southend Servant Team consists of eight individuals, four of whom are ministers of local churches and a further two are in leadership positions in local churches. These have responsibility for the direction and vision of the charity,

Trustees

i. The trustees are responsible for the legal and financial management of the charity; for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. In preparing the financial statements the trustees are required to select suitable accounting policies and apply them consistently; make judgements that are reasonable and prudent; and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in existence.

ii. To advise the Love Southend Servant team on staffing, salaries and employment issues.

iii. To manage the legal responsibilities of the charity.

Salaried staff

There were no salaried staff for the year 2021

Objectives and Activities

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2021

The principal activities of the charity is the relief of those in need; the promotion of the spiritual welfare of the community and the advancement of religion in Southend-on-Sea and its environs.

Review of activities and achievements

Prayer and worship.

We consider prayer to be an indispensable part of the individual's, the church's, and therefore Love Southend's life. We hold monthly prayer and worship weekday morning meetings which are open to any member of the community. These meetings focus on issues of celebration or concern in the life and work of the borough; the work and ministry of churches or individuals and their service in the community.

The 'Loving Southend in Prayer' WhatsApp group continues and draws on contacts within the NHS, Police and Council for updated needs, concerns and encouragements which are quickly and easily communicated to the 37 people in the group. Government restrictions prevented the physical attending of the hospital, so the WhatsApp group turned to the virtual. During their daily exercise one member videoed their walk around the hospital and added some scripture and texts to the final product. This was then circulated to all the group members aiding a prayer baton for those at home and those who wanted to walk, run, or cycle to surround the hospital in continuous prayer for 6 hours on 25/01/21.

The group have also continued to pray for schools and care homes.

In October 2021 the world watched the TV and listened attentively as the news of the tragic murder of one of our MPs was aired. Sir David Amess had been a supporter of Love Southend sharing in network meetings his dreams for our borough. As the borough grieved the Loving Southend in Prayer group responded to some words and pictures and wondered how these could be brought to life. Helen Yousaf was invited to the borough on 25/10/21 to create the 2 pictures shared, during the prayer Zoom call into painted pictures. Helen painted in a community space allowing people to come and watch, pray and also participate in the painting themselves. Helen took the paintings home to finish.

Southend Churches Community Support (SCCS)

SCCS is a Love Southend sponsored activity in collaboration with Southend Borough Council. This happened because the Churches' Winter Night Shelters (CWNS) were closed as a result of Covid and a council decision that they would not reopen. The CWNS was rebranded as Southend Churches Community Support

This period could be considered one of implementation and establishment.

The former Winter Night Shelters have remained closed since the Ministry for Housing, Communities and Local Government advised that communal settings are far too risky after the pandemic. Fortunately, alongside that directive, the "Everyone In" initiative that the council funded, and thanks to some extremely hard work by the Council's Housing team, most of the rough sleepers were accommodated. SCCS was drafted in to help those recently accommodated to live independently, sustain their tenancy and develop life skills. The Befriending Service offers a friendly listening ear and signposts to local support services.

The SCCS Befriending Service launched on Valentine's Day 2021 and works in conjunction with Southend-on-Sea Borough Council, to offer companionship, basic practical help, to enable people to realise their full potential and assist them to participate in activities in the community in the same way that everyone else does. Each client is typically contacted weekly for a 1-hour session, on a one-to-one basis, doing activities of the client's choice. The SCCS website went live on the 8th of February for promotion and recruitment, but actual support did not commence until Thursday the 1st of April 2021. We started off with 5 client referrals and around the same number of certified volunteers, and an additional 12 volunteers who registered their interest. Unfortunately, engagement ceased with most of these previous clients, bar one, because of changes in their circumstances, which subsequently meant we lost their registered volunteer also; and on the rare occasion they left on their own accord.

The current situation is we only have one volunteer, so the manager is doing the majority of the befriending; nevertheless the determination to help as many people as possible remains. Recruitment of volunteers and clients is particularly slow, despite advertisements being in all the local libraries, the Job Centre and the university and new referrals being requested from other agencies.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2021

An administrator was recruited in December 2021 to assist the manager in their work.

The aim is to have 15 clients in total as per the previous contractable agreement with the council, which should help in the application for council funds for the next financial year.

The Morrisons Foundation authorised the repurposing of their £25k donation to include the acquisition of a vehicle;. The Morrison's Foundation also permitted some refrigeration units to be purchased with the remaining money and also for it to be used for running costs.

Network meetings

Love Southend holds a monthly evening network meeting for church leaders, people who pray regularly for the well-being of the residents, life and work of the borough, and Christians who hold positions of responsibility within the community. In addition, any member of a Christian community interested in borough-wide issues is welcome to attend.

These meetings involve: raising awareness of borough-wide issues by inviting community leaders or those leading borough focussed Christian ministry to inform the network and create opportunities for churches and individuals to engage with the issues raised; to provide mutual support, encouragement and prayer for network members and their ministry. This year, for example, the CEO of Southend Borough Council, those working in addressing mental health issues exacerbated by Covid lockdowns and restrictions, and those working with refugees locally attended network meetings. All worship/prayer and network meetings remained on-line until September when hybrid meetings began.

Engagement with Community Leaders

Members of Love Southend have established strong connections with community leaders to better understand issues for celebration and the needs of the community, and to provide prayerful support and encouragement for those carrying significant responsibility within Southend. Four members of the Servant Team met regularly with a senior member of the Council until they moved to another post outside Southend; and one of them has regular meetings with senior police officers. We kept in close contact with these links throughout the year to support and encourage them in the fulfilment of their responsibilities and to be aware of ways in which we could offer support in prayer for them, their staff and for the borough.

Two members of the Servant Team attended meetings of the Southend Faith and Belief Network (the successor to the Southend Inter-faith Working Group) which provides a very welcome communication conduit between the Council and faith communities in the borough. Fortnightly Microsoft Teams calls requested by the Council enabled faith communities to:

- share their experiences of responding to Covid 19 and the changing pattern of government response
- share initiatives that met the needs of the wider community
- be aware of initiatives and developments by the Council in response to key issues affecting the community and report these to their faith communities
- to hear from, and ask questions of, key officials in the Council.

One significant example of how the Network functioned was a response to approximately 100 Afghan refugees (mainly Muslim families and some single men) being accommodated in a sea-front hotel. Love Southend offered to initiate two responses on behalf of the Network:

- 1) We composed a letter appealing to landlords to consider making accommodation available at Local Authority Housing rates to help families who wished to stay in Southend create a home life. This was signed by many leaders of faith groups across Southend.
- 2) We created and now manage a ring-fenced fund to which anyone in Southend could contribute to support Southend's Afghan guests for needs that Local Authority funds could not cover. In this way a variety of needs were met including the provision of over 30 backpacks containing essential items for children starting their first experience of school in the UK. By 31st Dec £3230.14 had been raised and £1252.71 expended.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2021

Town centre chaplaincy

As we started the 3rd year of Love Southend being involved in Town Chaplaincy, Covid was still having a significant effect. During the year retail suffered with the Royals shopping centre losing 3 major stores. This necessitated the hours covered in the Royals by chaplaincy to reduce from 3-4 hours a week to 2-3. In the latter part of the year the Methodist half of the team started to do retail chaplaincy in the Victoria Plaza shopping centre at the other end of the high street.

One to ones continued both in public open areas and inside but with full compliance with both Covid and lone worker policies. Whether one to one or encounters with staff and customers much public prayer was shared, signposting and comfort was given. Continued links grew with both those of other faiths, especially the Muslim staff, and those with no faith commitment. Conversations covered areas such as mental health, education, business, finances, physical health, assistance with end of life and mourning.

The link between veterans' groups suffered due to Covid with no meetings held, however due to engagement with them a chaplain was asked to officiate at one veteran's funeral.

Chaplaincy to the YMCA grew, again depending on the restrictions placed by Covid. Weekly reflections were held each Tuesday prior to the working day via zoom with between 3&5 attendees. Later in the year when restrictions were eased, breakfast by the chaplaincy and a member of staff was organized on those Tuesdays to facilitate good relations between the residents/staff and chaplaincy. This led to prayers for similar issues as above but also addictions, relationships, identity and worth. Unfortunately, at the end of the year Covid caused this to stop again. One to ones also continued in this environment but was mostly taken up by staff remotely or in person. This even led to one member of staff who was commuting from Southend and thus could only work 2 days a week to find accommodation with the lead chaplain thus being able to live locally and do a full week of work. Also, some minimal work with the Y's housed refugees came to an end early on and did not restart before the end of the year.

Chaplaincy to refugees is in its infancy still and is linked with an Arab/English friendship group run by local Christians. The group assists both in the local borough but also abroad. The lead chaplain has befriended one family of 5 and visits them fortnightly. It is hoped to organize a shared meal with all the local families at some point in 2022 held in a church hall.

A Chaplaincy Course was held in February and comprised 12 people of whom 10 achieved completion of the course. Two joined Train Pastors and another care home chaplaincy. The other 8 were not able to commit for various reasons. We have reviewed the course and intend to do the next one with a more personal touch. At first this was hoped to be next held in spring of 2022 but will not be till the autumn at the earliest.

Plans for 2022.

The YMCA is growing and will later in 2022 add a children's home to its provision. This development with existing provision is likely to require another chaplain. The YMCA is hoping to be part of a new community hub in the high street starting in the summer of 2022 with which the chaplaincy will be involved.

The chaplain will be working with a YMCA supported mature university student putting together prayer stations for relevant times of the Christian calendar and also a quarterly luncheon for Christian leaders from the local community with a visiting speaker.

Support for NHS and emergency services staff – continuing to boost morale

A member of the Love Southend Servant Team continues to stay in regular contact with hospital staff members and police officers via text messages, emails and letters. As it has been difficult to visit the police station and hospital due to covid restrictions establishing a strong link with a key worker in both the hospital and the police force has successfully facilitated the distribution of letters of thanks, sweets and biscuits on behalf of Love Southend through the year. The response has been that this has helped to raise the morale of workers often under immense pressure.

Other events

Honouring Sir David brings solidarity between the Christian and Muslim communities in Southend

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2021

On Saturday 23rd October a flower laying ceremony as a mark of respect for the life and work of Sir David was made by representatives of Southend's Muslim community and the Conservative Muslim Forum at Sir David's constituency office in Leigh. Members of the Forum travelled four hours from Manchester to attend and the local Muslim group was led by the Imam of UKIM Southend Mosque. Steven Tinning, Assistant Minister of Leigh Road Baptist Church, invited members of other faith communities 'to stand alongside our Muslim friends, and each other, in the wake of the tragic events of last Friday which have been reported as being, at least in part, motivated by extremist religious beliefs.' Ministers or members from Catholic, Anglican, and Quaker congregations attended, as did Ruth Verrinder and Mark Churchward to represent Love Southend. After the flower-laying the Conservative Association invited the group into their lounge area and members of the group wrote in the book of condolence.

First ever virtual Faith and Belief Festival to celebrate cultural diversity of the Borough
Posted on May 20, 2021

Southend-on-Sea Borough Council's Faith and Belief Network, SAVS and Southend Museums are organising the first ever virtual Faith and Belief Festival to celebrate the cultural diversity of the Borough.

Co-produced in collaboration with a diverse range of communities, the Faith and Belief Festival runs from Monday 17 May with an online exhibition and welcomes those who want to showcase their faith or belief and encourages us all as a community to get to know each other a little bit better.

With the festival launching on the same day the country enters Step 3 of the government's roadmap out of lockdown, the festival is also asking contributors to share their experiences of previous national lockdowns and how their faith and belief has helped them.

The coronavirus pandemic saw our connections with the people and support systems we usually rely on become fractured by lockdowns and social distancing. Coronavirus restrictions have forced places of worship to stop or limit services, with many moving to online worship. Weddings and funerals have been curtailed.

Kelly Marks, Community Partnership Officer at Southend-on-Sea Borough Council, has been instrumental in bringing the various faith communities together and is encouraging residents to get involved with the festival. Kelly said: "We encourage people of all faiths and beliefs to share their stories of how their faith and belief has helped them throughout lockdown and how they practiced their faith during this time. Working with our partners in Museums, these stories will be captured and documented as part of a unique time in our history and as a representation of all of our diverse community groups."

The virtual exhibition hosted on the One Southend website will showcase pre-recorded videos presented by local faith and belief leaders about their role, the faith they represent and their community work during the pandemic.

Cllr Ian Gilbert, leader of the Council, said: "Southend's Faith and Belief groups have been a great example of how we have all overcome challenges to support those in need throughout the pandemic. The council is always looking for new ways to engage with the community and this festival is a fantastic opportunity to achieve this and help showcase our diverse community groups."

Gathering of many for Hands Together Southend Against Hatred signing. On a bright but showery morning on Friday 12th November 2021 more than fifty people from across Southend (and Essex) gathered at Twenty One on Southend's seafront to sign the "Hands Together Southend Against Hatred" banner.

Public Benefit

In planning the activities of the charity, the trustees have given consideration to the guidance on public benefit issued by the Charity Commission in particular to ensure that:

- There are identifiable benefits
- Benefits are to the public or a section of the public
- The benefits relate closely to the charitable objectives.

Plans for 2022

As a Christian CIO we intend to continue to reach out to the population in the Southend area with the gospel of Jesus Christ.

Further work on the strategic development of LS;

A review of SCCS and Blaze.

Set out on pages

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 12 / 2021.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
• the accounts did not accord with the accounting records; or
• the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Accounts

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2020

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2020

The Trustees have pleasure in presenting their report and the financial statements of the charity for the year ended 31st December 2020

Structure, Governance and Management

Love Southend is a Charitable Incorporated Organisation (CIO), incorporated on 26 September 2018. It is registered with the Charity Commission. The company was established under its Memorandum of Association which established the objects and powers of the charitable company and is governed by its Articles of Association.

Appointment and Induction of Trustees

Trustees are appointed at Annual General Meetings, as set out in the Articles of Association, which provide for a minimum of three trustees. The Trustees are directors of the company. The Trustees are also responsible for the appointment of new members.

New trustees undergo an induction to brief them on their legal obligations under charity and company law, the content of the Articles of Association and the decision-making processes and the recent performance of the charity. They meet key employees and the other trustees.

Risk Assessment Policy

The Risk Assessment and Health and Safety policy will be overseen by a designated trustee who reports back to trustees meetings with appropriate recommendations.

Organisational Policy

The Trustees meet a minimum of four times a year. Sub-committees are formed as and when required. The Love Southend Servant Team oversee the operations of the charity.

Organisation

Being a new and small charity the organisation is simple. The Love Southend Servant Team consists of eight individuals, most of whom are ministers of local churches. These have responsibility for the direction and vision of the charity,

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2020

4. The Leadership Team structure and responsibilities are as follows:

a. Trustees/Directors

- i. The Directors are responsible for the legal and financial management of the charity; for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. In preparing the financial statements the Directors are required to select suitable accounting policies and apply them consistently; make judgements that are reasonable and prudent; and prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in existence.
- ii. To advise the Love Southend Servant team on staffing, salaries and employment issues.
- iii. To manage the legal responsibilities of the charity.

5. Salaried staff – there were no salaried staff for the year 2020

Objectives and Activities

The principal activity of the charity is the relief of those in need; the promotion of the spiritual welfare of the community and the advancement of religion in Southend-on-sea and its environs.

Review of activities and achievements

Churches Winter Night Shelter

Southend Churches Winter Night Shelters (SCWNS): Love Southend, Southend Borough Council, HARP and the seven host churches working together in a highly successful partnership.

It was a very strange and sudden end to our ninth season!

We were running smoothly with 7 churches hosting one night a week each. There were some minor issues, but nothing serious. Most nights were full, and more than the nominal 20 guests stayed overnight on quite a few nights (see stats below).

Then, on Friday March 13th, we heard the “Be Careful” message and started to worry about the Coronavirus spreading across the UK. Understandably, some older and/or vulnerable volunteers withdrew their services and the last Winter night Shelter (WNS) to be hosted in a church building was on Thursday March 19th. However, thanks to Daniel Cauchi (Shelter Manager at St. Helen’s) and his team, we were able to set up a WNS in a building located in Short Street and have it ready for Friday March 20th.

In the end, it was only used for 4 nights, because, on Monday March 23rd, the PM ordered everyone to “Stay at Home”. The Ministry for Housing, Communities and Local Government then said that communal WNSs had to close - far too risky! Fortunately, alongside that command, they funded the “Everyone In” initiative and thanks to some extremely hard work by the Council’s Housing team, all the known Rough Sleepers (including all our guests) were put into B&Bs by the end of that week - some were there for the whole year.

A summary of the stats for the whole season follows:-

- We started on Monday 02/12/19 and finished after breakfast on Tuesday 24/03/20 (6 nights earlier than planned). We also missed the first 3 Tuesdays, so we were therefore open for 110 nights; with a nominal capacity of 20 beds/night, a potential 2200 bed-nights were available.
- However, because we were full on 12 nights, and over capacity on another 59 nights, 2270 bed-nights were filled (i.e., 103.5%).
- We were under capacity for 10 of the first 15 nights and for most of the nights of the two weeks over Christmas and the New Year. From 23/01/20 to 04/03/20 (42 nights) we were full on 1 night and over

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2020

capacity on 36 more nights. On 9 of those 36 nights, 25 or more guests were given a bed (with 33 on 1 night!).

- 158 different guests stayed at least one night, and all were provided with a hot evening meal, a bed, and a breakfast by approx. 450 volunteers who worked for approx. 11,500 hours.
- If they had been paid at the Adult Living Wage in force over the winter (£8.21ph), this would have cost approx. £94,000.
- We cooked 2607 evening meals and provided 2270 breakfasts.
- HARP reported that 46 of the 158 guests were able to get “off the streets” (32 of those were “housed”) when they left the shelters.
- Once the WNSs shut, all the known Rough Sleepers (including all the guests still in the WNSs) were put in B&Bs by the March 27th deadline.

At the end of the season, John Simmons (Manager) and Nina Stewart (Deputy Manager) swapped roles as planned.

For the rest of the year aided Nina and some of our volunteers assisted the Short Street WNS as it became a Community Hub and provided meals and support for the homeless and other vulnerable people. Nina was also able to secure funds and donations for them, as well as help with cooking at the Kindness Kitchen (an amalgamation of most of the local soup kitchens under one roof).

Prayer and worship.

We consider prayer to be an indispensable part of the individual's, the church's, and therefore Love Southend's life. We hold monthly prayer and worship weekday morning meetings which are open to any member of the community. These meetings focus on issues of celebration or concern in the life and work of the borough; the work and ministry of churches or individuals and their service in the community.

As the pandemic took hold and pressures mounted on the NHS and other essential workers Love Southend increased its prayer provision for the borough. A 'Loving Southend in Prayer' WhatsApp group was created which drew on contacts within the NHS and Council for updated needs, concerns and encouragements which were quickly and easily communicated to the 31 people in the group. Some members of the group took advantage of the site of the hospital being surrounded by four roads. They walked, ran or cycled the perimeter praying for staff and patients. We heard from contacts within the NHS how grateful and encouraged staff were to know local people were supporting them in prayer. We also received reports of many unexpectedly positive outcomes to treatment. Towards the end of the year the group were encouraged to prayer walk or pray for their local school as the challenges of schools re-opening occurred.

Network meetings

Love Southend holds a monthly evening network meeting for church leaders, people who pray regularly for the well-being of the residents, life and work of the borough, and Christians who hold positions of responsibility within the community. These meetings involve: raising awareness of borough-wide issues by inviting community leaders or those leading borough focussed Christian ministry to inform the network and create opportunities for churches and individuals to engage with the issues raised; to provide mutual support, encouragement and prayer for network members and their ministry. This year, for example, the CEO of Southend Borough Council and a local MP attended network meetings. All worship/prayer and network meetings moved on-line. This frequently resulted in more people 'attending' meetings than had done so when meetings were in person. We will reflect on the significance of this for the future.

Engagement with Community Leaders

Members of Love Southend have established strong connections with community leaders to better understand issues for celebration and the needs of the community, and to provide prayerful support and encouragement for those carrying significant responsibility within Southend. Three members of the Servant Team meet regularly with a senior member of the Council; another has regular meetings with senior police officers; others are members of the Southend Inter-faith Working Group which provides a communication conduit between the Council and faith communities in the borough, giving opportunity for faith groups to express issues of concern and to make a contribution to developments in the borough like the '2050Agenda'.

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2020

Members of Love Southend have established strong connections with community leaders to better understand issues for celebration and the needs of the community, and to provide prayerful support and encouragement for those carrying significant responsibility within Southend. Three members of the Servant Team meet regularly with a senior member of the Council; another has regular meetings with senior police officers. We kept in close contact with these links throughout the year to support and encourage them in the fulfilment of their responsibilities and to be aware of ways in which we could offer support in prayer for them, their staff and for the borough.

Love Southend members of the Southend Inter-faith Working Group, which provides a communication conduit between the Council and faith communities in the borough, participated in fortnightly Zoom calls requested by the Council. These calls enabled faith communities to share their experiences of responding to Covid 19 and the impact of lockdowns on their life as a community; to share initiatives in meeting the needs of the wider community; to share summaries of government guidance for faith communities, to be aware of initiatives and developments by the Council in response to Covid 19 and report these to their faith communities; to hear from and ask questions of key officials in the Council e.g. the Director of Public Health.

Blaze youth work report for 2020

As the year progressed the 4 events we had planned, including a Christian rap artist, an outside 'fire-pit' event and a Christmas event, were all cancelled due to the pandemic.

Town centre chaplaincy

Town Chaplaincy is a collaborative provision between Love Southend and the Southend and District Methodist Circuit. This report relates to Love Southend's provision of chaplaincy services to the Town Centre and retail sector.

Having had a such a good fulfilling year in 2019 great things were prayed for and anticipated for 2020 including: expansion of the Chaplaincy team, talks given to local churches, an employed person to co-ordinate the chaplains both spiritually and administratively. We were also excited that we could find more venues where Chaplains would be welcomed and encouraged to be involved. Circumstances meant much of this did not come about in the way expected, if at all.

Pre Covid first quarter of January-March.

After leave chaplaincy services recommenced on the 8th January. Two changes had occurred that would affect the hours offered. The Mental Health Supporters Group held in High Street café fortnightly had folded and the fortnightly morning community group had not restarted. The resultant reduction in hours was partially compensated for by volunteers shadowing the chaplain as they explored the possibility of joining the team. Signposting also fell for the same reason, 8 this year, as did prayer requests, 65 this quarter (2019 pro rata 90) There were still positives.

- Another person started to shadow. There are now three volunteers engaging with this opportunity.
- Visits to other venues were carried out including part of Garon's sports club with possibilities going forward.
- A visit to Christchurch leadership team which led to a 20 minute presentation to their Sunday congregation. The result being another 6 added to prayer support and one of the new shadows starting out.
- A shadowing of Heather (Methodist lead) at HARP, one of Southend's major homeless projects
- The offer of prayer led to two on spot healings, blisters disappearing and a chest issue healed.
- Ongoing networking with Southend Association of Voluntary Services, Inter Faith Working Group and Street Rangers.

Post Covid activity

Most of retail closed down. Visits were made as restrictions eased only to stop as they were raised again. A confidential service either on line or 1-1 walks when restrictions allowed was offered. Most take up came not from the Royals Shopping Centre but from word of mouth in the community. A slow uptake at first but there were several as the year ended.

Prayer offers taken up for the rest of the year numbered 184 (249 in total, down a third on 2019) and hours were 85 (120 in total, down a quarter on last year). Results of prayer included the provision of employment for

LOVE SOUTHEND

Report of the Trustees for the year ended 31 December 2020

three people and the opportunity for an increase in chaplains. However, for some this take up has been slowed due to Covid.

Further links have been formed with the YMCA, an Arab/English friendship group, a local charity for those coming out of addiction and/or from street working.

Connection with The YMCA has shown the greatest result, with a Chaplain now in place having completed all YMCA training by the end of the year, paving the way to be involved with refugees, mentoring, alpha courses and prayer meetings on a regular basis next year.

The Arab/English charity made use of the chaplain's Arabic on a visit to a family to start relational support.

The charity providing support for recovering addicts and street workers had a chaplain in whilst setting up and more is hoped for in the New Year.

Another boon has been an additional lead Chaplain, Sarah, from the Methodist church. Plans were immediately put in place to start a chaplaincy training course in the New Year and to support the staff of Adventure Island, a large sea-front leisure facility.

Although 2020 has been a challenge we are planning in 2021 to grow relationships with various businesses, charities and community groups within the High Street and beyond, and to identify venues for our new chaplains after the training course is completed.

During the course of the year plans were drawn up, in discussion with the Methodist Circuit, for the part-time employment of a Co-ordinator of all chaplaincy services provided by the Circuit and Love Southend. The intended role would provide administrative and spiritual support to chaplains, develop new opportunities for chaplaincy services, ensure a consistency in the quality of training and service and build connections with other chaplaincy provision in Southend. Appointment was dependent upon securing funds but fund-raising applications by the end of the year did not achieve the necessary income to take the appointment forward at this stage. This appointment will be kept under review in 2021.

Carol service

Due to the Covid 19 restrictions we were not able to host a community carol service this year.

Support for NHS and emergency services staff – boosting morale in a time of crisis

In addition to increasing prayer support Love Southend made provision to provide spiritual and emotional support for hospital staff members and police officers. A Christian artist Helen Yousaf produced a series of paintings entitled 'Hope' specifically designed to bring comfort and encouragement to public servants on the front-line. Packs of the art work were purchased and distributed along with 'goodies' to each department in the hospital and to our local police station. Messages of thanks and heartfelt appreciation were received.

Public Benefit

In planning the activities of the charity, the trustees have given consideration to the guidance on public benefit issued by the Charity Commission in particular to ensure that:

- There are identifiable benefits
- Benefits are to the public or a section of the public
- The benefits relate closely to the charitable objectives.

Plans for 2021

As a Christian CIO we intend to continue to reach out to the population in the Southend area with the Gospel of Jesus Christ. We expect to grow the work of town centre chaplains and hope to appoint a paid coordinator for this role as well as having new volunteer chaplains. We plan to promote our second community carol service. We will continue to operate the Southend Churches Community Support and continue to promote youth events. (The coronavirus pandemic may severely limit some of these activities. We are hopeful that as restrictions ease that youth events may be allowed (as it seems they will) and that by December 2021 we will be able to host our second community carol service. We will continue to take time in prayer and action to consider what was shared with the servant team by the Hicksons in October 2020.

LOVE SOUTHEND

none

Reserves Policy

At this stage in the charity's history we do not have a reserves policy

Investment Policy

Under the Articles of Association, the charity has the power to make any investments which the trustees see fit.

Independent Examiner

A resolution will be proposed at the Annual General Meeting that Caroline McGregor be appointed the Independent Examiner to Love Southend for the ensuing year.

Trustees' Responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its financial activities for that period.

In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the activities of the company will continue.

The Trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the company and enables them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On Behalf Of The Trustees

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 12 / 2020.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

* Please delete the words in the brackets if they do not apply.
