Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Activities have continued – but since covid our demographics have changed considerably to encompass hybrid face to face meetings and media transmissions to and from Quarry Park Road and private homes.

The availability and ease of use of Zoom and WhatsApp has become more prevalent among the sick and elderly; and with rising costs and increased tax burdens – by those living out of town: and, it has enabled us to We have maintain regular services and social contact for our members – with opportunities for young and senior members to share the Breaking of Bread service, and to participate in Studies, Bible reading and prayers; and to engage in informal discussion.

The Charity holds weekly meetings for worship, prayer, and Bible teaching, mainly on Sunday mornings and Tuesday evenings; and we have continued to offer a Bible based series of Sunday School lessons for children of all ages.

Members of the public are invited by personal invitation, and external noticeboard displays.

We join with CBM, CCH, and CMaD groups around the world to share presentations, illustrated updates and musical praise presentations, and with local groups for study and fraternal gatherings.

Active membership now stands at 28 (down from last year 31).

The physical and spiritual welfare of all our members (both young and vulnerable seniors) continues to be our prime concern.

With a reduction in members, and a general squeeze on incomes - funds received by the Ecclesia have decreased – but this has been paralleled by reduced expenditure; and the Charity continues to take regular collections for other charities - to support Bible preaching in the UK and Missionary work overseas, Christadelphian Care Homes, and other organisations offering teaching, pastoral, and welfare support to the elderly and others in need.

Donations have been made to various Christadelphian and non-Christadelphian organisations to help feed and clothe the needy. Some members have donated provisions weekly to the local Food Bank - for those experiencing shortages and hardship.

We monitor pastoral and other needs of those associated with the Charity, and of non-Christadelphians (who are introduced to us or seek our help) and we provide reasonable support where possible.

The foregoing meetings, activities and initiatives were arranged by the Charity to meet its interrelated objectives and to benefit both members of the Charity and those members of the public who we were pleased to welcome and serve.

Section E

Brief statement of the charity's policy on reserves

There is no reserves policy. A set of pre-authorised transfers to other funds support the general expenses and outgoing donations of the church. Extraordinary expenditure items are subject to the approval of the church at a Business Meeting.

Details of any funds materially in deficit

No funds are in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;

Regular collections, and gift aided donations remain the principal means of income. These have enabled us to cover our commitments during the year and members have continued to respond generously to international appeals for financial help with natural disasters.
