4.2 Policy on Reserves

The Charity's policy on reserves is to generate and maintain a balance which is sufficient:

a) to preserve the financial viability of the Charity in the event that unforeseen and/or unavoidable circumstance precipitate a short-term fall in its income;

b) to enable the Charity, in the interests of meeting its objectives, to undertake from time to time the setting up of new and innovative projects on a pilot basis to demonstrate the viability and potential benefits of such activities as a precursor to securing the external funding necessary to maintain such projects on an on-going basis.

For these purposes the Charity will endeavour to generate and maintain reserves which are at least 50% of its annual turnover.
