STRUCTURE, GOVERNANCE AND MANAGEMENT

The Rhys Jones Foundation is constituted as a “Charitable Incorporated Organisation (CIO)” registered 11 December 2018.

Previously, The Rhys Jones Foundation was a community interest company called Rhys Jones Community Centre CIC. Objectives in the business plan led the Trustees to reconsider whether being a CIC was still appropriate. It was agreed that becoming a CIO would be much more beneficial.

Recruitment and Appointment of Management Committee

The Trustees who have served during the year are set out on page 2. The Management Committee comprises of Trustees and advisors who meet on a quarterly monthly basis. This covers operational matters such as Human Resources, Finance, Quality Assurance, and any other operational matters as deemed necessary.

A skills audit of Management Committee members takes place periodically. In the event of skills being lost if Trustees resign, this allows The Rhys Jones Foundation to identify skill shortages and enable appropriate replacements. This may result in advertising for Trustees with replacement skills or an approach to individuals who may have the required skills.

Trustee Induction and Training

Most Trustees are already familiar with The Rhys Jones Foundation. Potential Trustees spend time with current Trustees to find out more about The Rhys Jones Foundation prior to being appointed. They also attend a Management Committee meeting as an advisor to find out more about the role of a Trustee. Some Trustees are former advisor members. All necessary paperwork, such as Trustee declaration are completed by prospective Trustees. They are also given a job description, person specification and made aware of personal liability responsibilities of Trustees as part of the induction process.

Organisational Structure

Management Committee is responsible for the strategic direction and policy of The Rhys Jones Foundation.

Day to day responsibility for the provision of services and achieving objectives rests with the Trustees. The Trustees also ensures that the team continues to develop relevant skills and that working practices are in line with good practice and fundraising. All employees of The Rhys Jones Foundation undergo a DBS check and participate annually in training.

Risk Management

Internal control risks are minimised by the implementation of procedures for authorisation of all financial transactions. Procedures are in place to ensure compliance with health and safety of staff, volunteers, young people, and visitors.

OBJECTIVES AND ACTIVITIES

To further or benefit the residents of Merseyside and surrounding areas, without distinction of sex, sexual orientation, race or political, religious or other opinions. Throughout there will be a common effort to advance education, health and fitness, provide facilities in the interests of social welfare for recreation and leisure time. In furtherance of these objects but not otherwise, the trustees shall have power to establish or secure the establishment of a community centre and to maintain, manage or co-operate with any statutory authority in the maintenance and management of such a centre for activities promoted by the charity in furtherance of the above objects.

We returned to running activities at Rhys Jones Community Centre and provided both sporting and community activities to approximately 350-400 children/adults per week. This has been through football, yoga, multi sports groups, holiday clubs, and quarterly events such as Easter, Summer, Halloween, Christmas etc.

For our older residents in the community, we have a weekly group, this year the group have welcomed more members, as well as events that we provide. We have also been able to sign post and support some of the members with advice on debt, benefits they may be entitled to and also help with winter fuel costs

We have also organised 4 socials where we hired singers and held adult only nights our residents have enjoyed these as it is low cost, and they can enjoy the evening and walk home.

We have new activities this year starting with 3 morning weight management classes Stay and play and Arts club tailored to include our send children

As we move into 2025, we are excited at expanding our services and having a stronger impact in the community. We have made some great connections with other businesses and are working together to put new events on

The Rhys Jones Foundation Business Plan Objectives:

- Provide activities and events for all ages of the local community.
Offer multi-sport pitches to the wider community to promote healthy well-being, both mentally and physically
- Expand our reach to the wider community across the city of Liverpool

Partnership Working

There are strong partnership links with other organisations, and this helps to maintain an awareness of current trends.

We also have built up great relationships with our local school and G.P and their services along with our ward councillor's support and local police team

Statement of Trustees' responsibilities

The Trustees are required to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the Charity and of the surplus or deficit incurred by the Charity for that year. In preparing those financial statements the Trustees are required to:

- select suitable accounting policies and then apply them consistently.
- make judgments and estimates that are reasonable and prudent.
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue to exist.

The Trustees have overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy, at any time, the financial position of the Charity and to enable them to ensure that the financial statements comply with the Charities Act 2011.

They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- the Charity is operating efficiently and effectively.
- its assets are safeguarded against unauthorized use or disposition.
- proper records are maintained, and financial information used within the Charity or for publication is reliable.
- the Charity complies with relevant laws and regulations.
