Professional Advisers:

Bankers: NatWest Bank, 14 Westgate Street, Launceston PL15 7AG

Report of the Trustees for the year ended 31st December 2025

The Board of Trustees present their report and the financial statements for the year ended 31 December 2025. Those who served during the year and up to the date of this report are set out above.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16 July 2014.

History, Objectives and Activities of Okehampton Street Pastors

Okehampton Street Pastors was constituted on 27th July 2016 and registered as a Charitable Incorporated Organisation in December 2018. This Annual Report covers the period 1st January 2025 to 31st December 2025. The Street Pastors are licensed by Ascension Trust, a charity registered in England and Wales, No: 1127204 and company limited by guarantee, registered in England and Wales, No. 06751712. Ascension Trust is the registered owner of the Street Pastors Trademark and its trading arm, Ascension Commercial Ltd (ACom) No. 7586400, with the registered address of Alpha House, 158 Garth Road, Morden, Surrey, SM4 4TQ. Ascension Trust operates as the umbrella organisation to the Street Pastor Movement.

As a Local Initiative of the Global Street Pastor Movement, our mission is to engage, train and mobilise Christian volunteers from different churches, to be relevant in public life as salt and light addressing issues of vulnerability and social exclusion through the principle of caring, listening and helping people. We work in partnership with the police, local authorities and other voluntary organisations to achieve our goals and attain greater social cohesion in our community in line with our objectives.

OKEHAMPTON STREET PASTORS

The objectives of Okehampton Street Pastors are for public benefit, in the geographic area of Okehampton, Devon, England and beyond as the Board of Trustees may from time to time determine in accordance with Charity Law in England and Wales, as follows:

- (1) To advance the Christian Faith in accordance with the Street Pastor Licence Agreement as executed with Ascension Trust in Okehampton as the Board of Trustees may from time to time think fit particularly, but not exclusively, by means of caring, listening and helping people on the streets and at various locations.
- (2) To develop the capacity and skills of socially disadvantaged groups in our community in such a way that they are better able to identify, and help meet, their needs and to participate more fully in society; in particular but not exclusively through raising awareness, promoting, sustaining and increasing individual and collective knowledge, skills and expertise, through the practical development of individual capabilities, competences, skills and understanding through formal training, informal talks and capacity building in voluntary services, according to Christian principles and the Street Pastor Urban Trinity principle of church, police and local government working together for the benefit of the community.

This is being achieved by

- (i) the provision of public pastoral care services to help people on the streets and other public places; giving guidance, support and signposting which assist in preserving public order, avoiding anti-social behaviour, relieving sickness and preserving health and by
- (ii) enlightening others about Christianity through raising awareness and understanding of ecclesiastical relevance to community and public life, mobilising the Church ecumenically to unity of worship and to advance the Christian Faith by carrying out the mission and outreach work of the Gospel for the benefit of the public.

The service offered is available to all regardless of race, gender, disability, sexual orientation or religion. The work is developed with regard to the Charity Commission's guidance on public benefit and the Board of Trustees ensure that all work undertaken is in line with the Organisation's charitable objectives and aims.

Both the initial donation and additional amounts donated since have been under terms which allow the Board of Trustees to either retain the amounts as capital or to spend them. The governing document gives the Board of Trustees the power to apply the funds in such a manner as they think fit for the benefit of their charitable objective or purpose.

Governance and Management

The Governing Document provides for a minimum of 3 and a maximum of 9 Members on the Trustee Board. Where there is a requirement for new Members, these would be identified and appointed by the remaining Members having due regard to ensuring those with the appropriate level of expertise and knowledge are recruited.

Members of the organisation must subscribe to the mission, goals and values of the Street Pastor Movement, remain active and be willing to participate in and contribute to the work and furtherance of the local Street Pastor initiative.

Being a professing Christian committed to a local Church is a requirement for being a Street Pastor (as permitted under Schedule 9, Part 1 of the Equality Act 2010). Eligibility for Membership is subject to the paragraph above and to a two thirds Christian majority being represented as Members.

The Members are unpaid and details of Member expenses and any related party transactions during the financial year are £0 (2024: £0)

During the financial year, two of our founding Trustees came to the end of their respective terms of office. The Trustees are very grateful for the contributions and commitment of both outgoing Trustees during their time with the Organisation.

OKEHAMPTON STREET PASTORS

The Chairman is responsible for the induction of any new Members and will make available to each new Member, on or before their first appointment:

- (a) A copy of the current version of the Constitution; and
- (b) A copy of the organisation's latest Annual Report and statement of accounts; and
- (c) A copy of the current version of the Ascension Trust Licence Agreement.

Public Benefit

Okehampton Street Pastors acknowledges its requirement to demonstrate clearly that it must have charitable purposes or "aims" that are for the public benefit. Details of how the organisation has achieved this are provided in this Annual Report. The Board of Trustees confirm that it has complied with their duty as defined by Section 4 (1) of the Charities Act 2011 and have had due regard to the Charity Commission guidance on public benefit in exercising their powers and duties.

Risk Assessment

Okehampton Street Pastors is aware that the activities undertaken are subject to significant risks and therefore review these risks on an on-going basis to ensure adequate systems and procedures are in place. If key objectives are to be achieved, the Trustees accept that the management of risk is inevitable. The risks that have been identified are:

1. Financial - sufficient funds are available to fulfill the aims of the organization.
2. Operational - risks to volunteers
3. Achievement - ensuring our aims and objectives and expectations of supporters are met.

In reviewing these risks, the Trustees ensure:

1. Close monitoring of cash flow and adherence to agreed budgets
2. Regular monitoring of equipment; patrol route; recruitment together with sourcing and implementing training.
3. Regular assessment to ensure existing and new projects conform to the overall objectives of the charity.

Achievements and performance of Okehampton Street Pastors

The team patrols the town centre on a monthly basis between the hours of 10.00pm and 3.00am on a Saturday night. They continue to build up and strengthen the relationships with the pub door staff, mobile food outlets, police and taxi drivers who recognise the work and value of Okehampton Street Pastors.

The Street Pastors had opportunity to engage positively with people of all ages and, while the team would have liked to provide the service during the afternoon and night time, there just aren't enough volunteers currently. It remains an aspiration and there is the potential to recruit specifically for daytime patrols in the future.

There have been 12 patrols during the year. During that time Okehampton Street Pastors spent 300 hours patrolling the streets with Prayer Pastors providing prayer cover. 73 bottles and broken glass have been collected and safely disposed of; 240 lollies; 2 pairs of flip flops, 3 bottles of water, and 2 foil blankets distributed. First aid has been administered; 2 people were accompanied to a place of safety and a rough sleeper referred to Street Link.

While details of conversations held are confidential, examples of the impact the team have had when on patrol include:

- Had many conversations with people who were very appreciative of the work the Street Pastors do on the streets of Okehampton.

OKEHAMPTON STREET PASTORS

- Helping and caring for someone involved in a motor cycle accident, providing re-assurance and support, together with speaking to the police and CCTV operators
- Responding to someone who had locked themselves out of their flat and lost their keys. The fire brigade were called and, as the individual expressed suicidal ideation, a safeguarding alert was raised with Mental Health Services
- Providing care to a woman who was in a heightened state of agitation. The team listened to her until she calmed down and then, at her partner's request, were able to walk with them to ensure she got home safely.
- Observing a young woman who was very loud and agitated and didn't want any engagement. The team called for prayer back up which resulted in the individual calming down and returning to her friends.
- Many members of the public approached the team over the course of the year to ask questions about faith and share their thoughts and views.

The local police, paramedics and taxi drivers have specifically commented on the peace and calmness that exist on the streets of Okehampton when the Street Pastors are out on patrol. The police have reported that calls to places that are known to attract anti-social behaviour have reduced. This continues to be notable due to the fact that the teams do not deploy every week. The team have had many positive conversations with door staff and members of the public and continue to be warmly welcomed by all.

Okehampton Street Pastors has a representative who sits on West Devon Matters, which is organised by the South Devon & Dartmoor Community Safety Partnership. It meets every 10 weeks and is made up of the Sector Inspector and Neighbourhood Team Leader from the Police and is attended by County, Borough and Parish Councillors.

During the year, Okehampton Street Pastors have directly helped, cared for and listened to 336 people and have had a positive impact by their presence. Okehampton Street Pastors did not come across any anti-social incidents during their patrols this year.

Presentations have been made to 3 different organisations highlighting the work of Okehampton Street Pastors. Of the 78 people who attended, all expressed considerable interest in gaining an understanding of how the night time economy works and the value that Street Pastors bring in terms of helping; caring and listening to people in a non-judgemental manner.

Street Pastors are required to undertake Refresher training every 3 years in the Roles and Responsibilities. Two people's training fell due in 2025 and one of those was able to attend. It is to be noted that sourcing this training is getting harder due to existing commitments of the team. When a course becomes available, there is often very little notice which makes it difficult for people to attend. Several of the volunteers took the opportunity to refresh their learning in Drug & Alcohol Awareness; Working with the Police; Listening Skills; Youth Culture; Safeguarding (adults) and Prayer. One Prayer Pastor retired and 3 potential recruits came out as observers throughout the year.

A Commissioning Service was held in February 2025 which coincided with the 8th anniversary of the set-up of Okehampton Street Pastors. 1 Street Pastor and 2 Prayer Pastors were formally welcomed to the team and there was strong support from representatives of many of the churches both within the town and the wider area together with the Mayor of Okehampton and the Deputy Mayor of West Devon Borough Council.

Under the terms of our Licence Agreement Ascension Trust provide the licence, basic insurance, legal advice and a website. This is funded by the local Street Pastor initiative paying a quarterly fee of either £200 or 15% of income, whichever is higher, to Ascension Trust and this was allowed for in our budget.

OSP has its own website: <http://streetpastors.org/locations/okehampton/>

The service that Okehampton Street Pastors provides is available to all who wish to avail themselves of it. Policies include a Safeguarding Children and Vulnerable Adults Policy; General Data Protection Policy; Equality Policy, Health & Safety Policy and a Financial Policy together with a Standard Operating Procedure for working with the Police. All

OKEHAMPTON STREET PASTORS

policies, together with the Risk Assessment, are reviewed regularly by the Board of Trustees and copies are available on request.

Contributions made by volunteers – The Organisation is very grateful to all its volunteers who provide their time and expertise. Without them, the initiative would not exist. As of 31st December 2025, there are 5 Street Pastors made up of 3 male and 2 female members. They are ably supported by 4 Prayer Pastors made up of 2 male and 2 female members.

Benefit in kind – We are very grateful to Fairplace Church who generously provide storage facilities and a Prayer Base and to Inspiration Church who have offered us the use their building.

Financial review, investment policy and reserves

Okehampton Street Pastors has no permanent endowment, fixed assets or staffing costs. The net incoming resources for the period 1st Jan to 31st Dec 2025, after grants and operational expenses of £1,463 (2024: £1,559) was -£683 (2024: -£807). A draft Budget is presented to Trustees in November for approval and a Fundraising Strategy considered. There are collection tins in the pubs and fund-raising events are held throughout the year together with grant applications submitted. Where invited, Trustees deliver talks to churches and community groups which may result in a donation for the initiative. Principal sources of funding in 2025 were donations from the general public, fundraising activities and one unrestricted grant which was fully expended during 2025.

Reserves - The Trustees have set a Reserves Policy which requires that reserves be maintained at a level which ensures the Organisation's core activity could continue during a period of unforeseen difficulty for three months. The Reserves are maintained in a readily realisable form. The calculation of the required level of Reserves forms an integral part of the organisation's planning, budget and forecast cycle. Okehampton Street Pastors has General Reserves which it has drawn down to meet unrestricted expenditure and Trustees have exercised extreme prudence in its spending during the financial year. Management accounts are prepared and presented at each Trustee Meeting.

The Policy takes into account:

- a. Risks associated with each stream of income and expenditure being different from that budgeted
- b. Planned activity level
- c. Organisational commitments

Restricted Funding – The charity holds no restricted funds at this time, with all historical funds having been fully expended during 2025.

Future plans

Okehampton Street Pastors will continue to fundraise to ensure sustainability of the work; recruit and train volunteers together with raising the profile of the work of Street Pastors.
