- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To preserve and protect the health of patients of the Kingsway Surgery and the wider Swansea community by providing and assisting in the provision of facilities, support services and equipment not normally provided by statutory authorities

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Unfortunately the charity have been unable to identify any additional class instructors to deliver the classes at the Healthy Living Hub. Therefore the Charity has very low income during this financial year.

The rental of the space for a community group has continued, however they provided notice that they would no longer rent the space in July 2023

The trustees can confirm that they have had regard to the guidance issued by the charity commission on public benefit

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

the achievements of the charity continue to be limited due to the ongoing lack of a class instructor. The charity hopes to identify new class instructors in the future or alternative ways to deliver on the charitable aims of the charity. The charity is actively looking for new trustees to develop and expand the charity.
