## Section C

## Objectives and activities

Summary of the objects of the charity set out in its governing document

### The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

### The Values of Scouting

As Scouts we are guided by these values:

**Integrity** - We act with integrity; we are honest, trustworthy and loyal.

**Respect** - We have self-respect and respect for others.

**Care** - We support others and take care of the world in which we live.

**Belief** - We explore our faiths, beliefs and attitudes.

**Co-operation** - We make a positive difference; we co-operate with others and make friends.

### The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun
- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

Summary of the main activities in relation to these objects

In addition to the weekly virtual evening sessions for each of the sections, a range of additional activities were arranged during the year

- 1 Explorer, Scout, Cubs and Beaver activities when restrictions allowed
- 2 Virtual camp where leaders organised events for members on Zoom.

Public benefit statement

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

## Section D

### Achievements and performance

Summary of the main achievements of the charity during the year

The charity has effectively delivered scouting by building a fantastic new HQ including main hall, training room, activity room first aid room, teaching kitchen, toilets and showers. Through the provision of sufficient funds and resources we have been able to provide a wide range of activities and support to the young people in our community.

## Section E

### Financial Review

Brief statement of the charity's policy on reserves

#### Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to 6 months running costs, circa £6.0k.

The Group held reserves of £32.3k as at the year end. This is above the level required for operating expenses. However this can be explained by HQ reserve of £15k for further development of our cart lodge, grants for equipment spent in 2022/23 £5.7k, payments for 2022/23 camp £1.7k and Explorers Kenya trip 2022/23 £5.9k.

• investment policy and objectives;

#### Investment Policy

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk averse strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

## Section F

### Other Optional Information

Plans for future periods (details of any significant activities planned to achieve them)

Our main priority continues to be raising sufficient funds to operate our new HQ to guarantee scouting in our community for years to come. We are now in the process of raising additional funds to build a new cart lodge in 2022/23 required for vehicle and equipment storage.

The Group held reserves of approximately £18.1k against this at year end. This is above the level required for operating expenses. However this can be explained by fundraising towards our new HQ of £10.0k and £4.4k for a grant received for bicycles
