**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2021**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Significant activities

The charitable company's objectives and principal activities are:

For the public benefit, to promote, improve and advance education in, and appreciation of, the arts in particular Eastern European art and culture, and to encourage the development of projects that expand the discourse around modern and contemporary art from this region and to encourage the rediscovery of seminal Eastern European artists from the 1950s and 1960s and maintaining their legacy through the facilitation and management of exhibitions, projects and research, the useful results of which will be disseminated for the public benefit.

The dedication to supporting visual art from Eastern Europe through international projects - including exhibitions, research and publications - in collaboration with art institutions and organisations and providing a global perspective on Eastern European art and culture.

The Foundation also embodies the values of patronage as a context and framework to encourage creativity, innovation and cultural production among contemporary artists.

Public benefit

The Trustees have a duty to comply with Section 17 of the Charities Act 2011 to have due regard to the Charity Commission general guidance on public benefit. The Trustees can confirm that they have fulfilled the public benefit requirement and that this requirement is strongly embedded within the procedures for approving project expenditure. The Trustees ensure that all spending applications contain identifiable public benefit that meets the objects of the charity.

ACHIEVEMENT AND PERFORMANCE

The European ArtEast Foundation has had an immense impact from its very beginning in July 2017. The Foundation has identified a fundamental gap in the promotion of Eastern European artists in the international contemporary art world. Artists from the former Eastern European / Post-Communist countries have been generally underprivileged and under promoted around the world. We have teamed up with already very known and established institutions and joined forces with them in promoting artists and artworks throughout the world. Through partnerships with such legendary institutions like the NEW MUSEUM in NYC, Delfina Foundation in London, Frieze Art Fairs, Contemporary Lynx Magazine.

European ArtEast Foundation is an organization that promotes and supports exhibitions of Eastern European art around the world. The foundation supports artists post mortally in form of producing, supporting and promoting exhibitions, however it also supports young and emerging artists from post-communist countries, that do not have the financial means or support to function and exist in the international art world. This is done by way of supporting and co-producing exhibitions, giving out grants and research grants as well as working with various publications and media outlets worldwide. The foundation's activities include artist residencies and enabling the process of lending artworks from private collections and collaborators to public exhibitions world wide.

European ArtEast Foundation is dedicated to supporting visual art from Eastern Europe through international projects - including exhibitions, research and publications - in collaboration with art institutions and organizations.

Providing a global perspective on Eastern European art and culture, the Foundation encourages the development of projects that expand the discourse around contemporary art from this region. The Foundation has a particular interest in encouraging the rediscovery of seminal Eastern European artists from the 1950's and 1960's and maintaining their legacy. It also embodies the values of patronage as a context and framework to encourage creativity, innovation and cultural production among contemporary artists.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
EUROPEAN ARTEAST FOUNDATION**

Independent examiner's report to the trustees of European Arteast Foundation ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

EUROPEAN ARTEAST FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

Donations, legacies and other forms of voluntary income are dealt with when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Gift Aid is included based on amounts recoverable at accounting date.

Legacies are recorded at their value at the date of entitlement, being the earlier notification of an impending distribution or the date of receipt. Sales of literature and advertising are dealt with on an accruals basis. Annual subscriptions are recognised as received.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Expenditure is recognised on an accruals basis. All support costs are directly attributable to the charitable activities and therefore all are allocated accordingly. Irrecoverable VAT is charged as an expense against the activity for which the expenditure arose.

Grants payable to third parties are within the charitable objects and are accrued when the recipient is notified of the grant. The trustees neither received nor waived any remuneration in the year and no expenses were reimbursed in the year. The independent examiners fee was £1,800.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Governance costs

Governance costs are the costs directly associated with the governance at the charity, including legal and regulatory compliance and strategic planning.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.
