Activities

Objects: TO FURTHER THE EFFICIENCY OF THE RESERVE FORCES OF THE CROWN FOR THE PUBLIC BENEFIT BY:1.ADVANCING THE EDUCATION OF THEIR PERSONNEL BOTH SERVING AND RETIRED;2.PROMOTING INTEREST AND MORALE IN THE RESERVE FORCES OF THE CROWN AND RECRUITMENT TO THEM;3.PROMOTING THE RESERVE FORCES OF THE UNITED KINGDOM WITHIN THE NORTH ATLANTIC TREATY ORGANISATION (NATO), THE BRITISH COMMONWEALTH AND OTHER INTERNATIONAL ENVIRONMENTS, BY UNDERTAKING THE INTERCHANGE OF IDEAS AND GOOD PRACTICE WITH THE RESERVE FORCES OF ALLIED NATIONS THROUGH INVOLVEMENT IN SUCH MILITARY COMPETITIONS AND TRAINING EXERCISES AS THE CHARITY TRUSTEES DECIDE.

Activities: UKRFA provides financial support to enable UK serving Reservists to participate in international reservist activities both within NATO and wider across the world. Support is available to Reserve Officers, Reserve Medical Officers, and Reserve Non Commissioned Officers. Activities supported include Education and Training, which enhance the utility and employability of Reservists in civilian life.

UK RESERVE FORCES ASSOCIATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025

The Trustees present their annual report together with the financial statements of the Association for the period 1 April 2024 to 31 March 2025.

Objectives and activities

a. Summary of the purposes of the Association as set out in its governing document

1. Furthering the efficiency of the Reserve Forces of the Crown and the education of their personnel both serving and retired and for the public benefit;
2. Promoting interest and morale in the Reserve Forces of the Crown and recruitment to them and for the public benefit; and
3. Promoting the Reserve Forces of the United Kingdom within the North Atlantic Treaty Organisation (NATO), the British Commonwealth and other international environments and for the public benefit by undertaking the interchange of ideas and good practice with the reserve forces of allied nations through involvement in such military competitions, Military Exchange Programmes and training exercises as the Trustees decide.

b. Grant-making policies

Each application for a Grant is reviewed and subsequently managed during implementation by the Management Team of the Association. In turn these decisions are reviewed by the Association's Customer Board which draws together the various stakeholders in the Association's work.

c. Volunteers

A substantial amount of the Strategic, Policy and day to day management of the Association is carried out by volunteers.

d. Main activities undertaken to further the Association's purposes for the public benefit

1. Provision of financial support to enable UK serving Reservists to participate in the activities of the NATO sponsored Interallied Confederations of Reserve Officers, Reserve Medical Officers and Reserve Non Commissioned Officers; and
2. Provision of financial support to enable UK serving reservists to participate in Education and Training, Competitions, Workshops, Military Exchange Programmes, and other activities in Europe, North America, Australia and South Korea; attendance at which enhances the utility and employability of Reservists both in Public Service in the Reserves of the Crown and in Civilian Life.

e. Statement confirming whether the Trustees have had regard to the guidance issued by the Charity Commission on public benefit

The Trustees have sought advice from their accountants and from the published Charity Commission Guidance, in particular "Charity Reporting and Accounting: The Essentials" published 1 Jan 2014. The Trustees confirm that they have given due regard to this guidance.

UK RESERVE FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance

a. Main achievements of the Association

The financial support that the Association provides to activities of the Reserve Forces of the Crown have enabled more than 405 Reservists (2024: 410) to complete activities to enhance their Professional Development, to encourage Retention in the Reserve Forces and to contribute to Defence Engagement. This has also been the second year in which the Association provided the management of the Military Reserves Exchange Programme with the United States' Reserves. The diversity of activity which the Association provides to Reservists drawn from all the Reserve Forces and to all ranks both commissioned and non commissioned of all trades and employments span Leadership skills, Military Competitions, employment specialisms such as for Medical Personnel and those engaged in Civil Military Cooperation as well as Operational Language Skills.

b. Achievements against objectives set

The Association substantially met all its targets as to numbers of Reservists participating in UKRFA activities. In financial terms Income was optimized by full grants once again being received from all three of the Armed Services. Whilst activity has been at a high level, this has partly been financed by the carry forward as a result of the Pandemic which has enabled UKRFA to maintain a strong level of liquidity, although this will inevitably reduce over coming years as the accrued income is absorbed. In consequence UKRFA has achieved its objective of strengthening its Balance Sheet position making it much more able to cope with demands placed upon its resources for the greater level of activity at which it is now operating.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

In certain financial years the income received cannot be wholly spent by the year end, and as the highest level of expenditure occurs in the first 6 months of the financial year it is prudent to hold year to year surpluses to cover any delays especially in the receipt of incoming funding.

c. Review of the Association's financial position at the end of the period

In 2024/25 the Association recognised total income of £515k. The Association also expended £582k. This meant, at the year end, the Association's Unrestricted Reserves including a deficit at 31st March 2025 of £66k were £40k after providing for Creditors. The view of the Trustees is that this is an acceptable position and will enable the Association to support ongoing activity in the ensuing financial period.

d. Material investments policy

The Association holds no investments other than surplus cash which from time to time is placed on deposit.

UK RESERVE FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

e. Principal risks and uncertainties

1. Reduction of the Funding received annually from the Ministry of Defence and Single Services; and
2. Suspension or reduction of activities during the pandemic.

f. Principal funding

The Association's principal funding for this period is derived from Grants received from the Ministry of Defence and the Single Armed Services.

Structure, governance and management

a. Constitution

UK Reserve Forces Association is a registered Charity, Charity number 1181194, and a Charitable Incorporated Organisation established under a constitution dated 17 December 2018.

b. Methods of appointment or election of Trustees

1. The President and Chairman of the Association shall by constitutional provision be appointed by the members and shall serve for a maximum of 5 years.
2. The Secretary General and Director of Resources shall hold office by virtue of their ex officio positions.
3. The Ex-Officio Vice Presidents shall hold office by virtue of their ex officio positions.

c. Organisational structure and decision-making policies

The Charity is managed by the key Trustees, who are the President, Chairman and Secretary General in regard to policy decisions. The Chairman acts as managing Trustee on a day to day basis and is assisted by the Director of Resources in regard to financial matters.

The Association has a Customer Board which reviews and advises the Chairman on the activities which the Association supports and ensures that there is the appropriate Governance, Duty Holder and Health & Safety regime in place and where appropriate provides inspections of activities. Members of the Customer Board are serving regular or reserve officers of the Armed Forces of the Crown who are appropriately qualified.

d. Policies adopted for the induction and training of Trustees

The Trustees are experienced business men or military officers, or both in the case of the President and Chairman. In the case of the ex officio vice presidents they hold senior appointments in the Reserve Forces of the Crown.

UK RESERVE FORCES ASSOCIATION

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025**

Structure, governance and management (continued)

e. Related party relationships

1. The Association has a related party relationship with the Ministry of Defence and the Single Armed Services under a Memorandum of Understanding and the majority of the Association's Funding is provided by the Armed Services who directs the activities on which the Charity expends its Resources. Serving regular and reserve officers are also ex-officio Trustees and serve on the Association's Customer Board.
2. The Association has a related party relationship with the Council of Reserve Forces & Cadets who provide two of the ex officio Trustees, the Secretary General and Director of Resources, together with providing free of charge office facilities, accountancy and secretarial services.

f. Financial risk management

The Trustees have assessed the major risks to which the Association is exposed, in particular those related to the operations and finances of the Association, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

UK RESERVE FORCES ASSOCIATION

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 MARCH 2025

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Association and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Association's transactions and disclose with reasonable accuracy at any time the financial position of the Association and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

UK RESERVE FORCES ASSOCIATION

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2025

Independent Examiner's Report to the Trustees of UK Reserve Forces Association ('the Association')

I report to the charity Trustees on my examination of the accounts of the Association for the year ended 31 March 2025.

Responsibilities and Basis of Report

As the Trustees of the Association you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Association's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Since the Association's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the Association has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Association as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated:

UK RESERVE FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1. General information

The United Kingdom Reserve Forces Association is a Charitable Incorporated Organisation ("CIO") and is registered with the Charity Commission (Charity Registered Number 1181194) and Registrar of Companies (Company Registered Number CE015934) in England and Wales.

The UK Reserve Forces' Association, an unincorporated charity, converted to CIO status with effect from 17 December 2018, and the assets of the unincorporated charity were transferred to the CIO as at that date.

The address of the registered office is given in the Association information on page 1 of these financial statements. The nature of the Association's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

2.1 Basis of preparation of financial statements

The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

UK Reserve Forces Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in Great British pounds sterling which is the functional currency of the Association and all amounts are rounded to the nearest pound.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.2 Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern.

2.3 Income

All income is recognised once the Association has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Association's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Staff costs

The Charity had no employees in either the current or prior year.

2.6 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities upon the completion of the relevant performance-related conditions. Other grants that are not subject to performance-related conditions are credited to the Statement of Financial Activities as the grant proceeds are received. Grants received prior to the revenue recognition criteria being satisfied are recognised as a liability.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Association; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Association only holds basic financial instruments as defined by FRS 102. The financial assets and financial liabilities of the Association and their measurement bases are as follows:

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in Note 8. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

2.12 Taxation

The Association is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Association is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

UK RESERVE FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Association and which have not been designated for other purposes.

3. Income from grants and donations

	Unrestricted funds 2025 £	Total funds 2025 £	<i>Total funds 2024 £</i>

UK RESERVE FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

6. Trustees' remuneration and expenses

During the year, honorarium totalling £25,144 (2024: £25,144) was paid to the Trustee, Colonel Christopher Lee Argent, to oversee and manage the military operations of the Charity. This included, but was not limited to, the selection of participants, oversight and arrangement of travel, duty of care and quality control reporting relating to all UKRFA events. No remuneration was received for undertaking the role of Trustee.

The honorarium was authorised by the Board of Trustees and was allowable under the governing Constitution.

During the year ended 31 March 2025, expenses totalling £NIL (2024: £Nil) were reimbursed or paid directly to Trustees in respect of travel and subsistence costs incurred representing UKRFA at meetings and managing UKRFA events in both the UK and overseas.

7. Debtors

	2025 £	2024 £
Due within one year		
Other debtors	24,000	15,000
	<u>24,000</u>	<u>15,000</u>

UK RESERVE FORCES ASSOCIATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their annual report together with the financial statements of the Association for the period 1 April 2023 to 31 March 2024.

Objectives and activities

a. Summary of the purposes of the Association as set out in its governing document

1. Furthering the efficiency of the Reserve Forces of the Crown and the education of their personnel both serving and retired and for the public benefit;
2. Promoting interest and morale in the Reserve Forces of the Crown and recruitment to them and for the public benefit; and
3. Promoting the Reserve Forces of the United Kingdom within the North Atlantic Treaty Organisation (NATO), the British Commonwealth and other international environments and for the public benefit by undertaking the interchange of ideas and good practice with the reserve forces of allied nations through involvement in such military competitions, Military Exchange Programmes and training exercises as the Trustees decide.

b. Grant-making policies

Each application for a Grant is reviewed and subsequently managed during implementation by the Management Team of the Association. In turn these decisions are reviewed by the Association's Customer Board which draws together the various stakeholders in the Association's work.

c. Volunteers

A substantial amount of the Strategic, Policy and day to day management of the Association is carried out by volunteers.

d. Main activities undertaken to further the Association's purposes for the public benefit

1. Provision of financial support to enable UK serving Reservists to participate in the activities of the NATO sponsored Interallied Confederations of Reserve Officers, Reserve Medical Officers and Reserve Non Commissioned Officers; and
2. Provision of financial support to enable UK serving reservists to participate in Education and Training, Competitions, Workshops, Military Exchange Programmes, and other activities in Europe, North America, Australia and South Korea; attendance at which enhances the utility and employability of Reservists both in Public Service in the Reserves of the Crown and in Civilian Life.

e. Statement confirming whether the Trustees have had regard to the guidance issued by the Charity Commission on public benefit

The Trustees have sought advice from their accountants and from the published Charity Commission Guidance, in particular "Charity Reporting and Accounting: The Essentials" published 1 Jan 2014. The Trustees confirm that they have given due regard to this guidance.

UK RESERVE FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance

a. Main achievements of the Association

The financial support that the Association provides to activities of the Reserve Forces of the Crown have enabled more than 410 Reservists (2023: 340) to complete activities to enhance their Professional Development, to encourage Retention in the Reserve Forces and to contribute to Defence Engagement. This has also been the second year in which the Association provided the management of the Military Reserves Exchange Programme with the United States' Reserves. The diversity of activity which the Association provides to Reservists drawn from all the Reserve Forces and to all ranks both commissioned and non commissioned of all trades and employments span Leadership skills, Military Competitions, employment specialisms such as for Medical Personnel and those engaged in Civil Military Cooperation as well as Operational Language Skills.

b. Achievements against objectives set

The Association substantially met all its targets as to numbers of Reservists participating in UKRFA activities. In financial terms Income was optimized by full grants once again being received from all three of the Armed Services. Whilst activity has been at a high level, this has partly been financed by the carry forward as a result of the Pandemic which has enabled UKRFA to maintain a strong level of liquidity, although this will inevitably reduce over coming years as the accrued income is absorbed. In consequence UKRFA has achieved its objective of strengthening its Balance Sheet position making it much more able to cope with demands placed upon its resources for the greater level of activity at which it is now operating.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

In certain financial years the income received cannot be wholly spent by the year end, and as the highest level of expenditure occurs in the first 6 months of the financial year it is prudent to hold year to year surpluses to cover any delays especially in the receipt of incoming funding.

c. Review of the Association's financial position at the end of the period

In 2023/24 the Association recognised total income of £543k. The Association also expended £545k. This meant, at the year end, the Association's Unrestricted Reserves including a deficit at 31st March 2024 of £2k were £107k after providing for Creditors. The view of the Trustees is that this is an acceptable position and will enable the Association to support ongoing activity in the ensuing financial period.

d. Material investments policy

The Association holds no investments other than surplus cash which from time to time is placed on deposit.

UK RESERVE FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

e. Principal risks and uncertainties

1. Reduction of the Funding received annually from the Ministry of Defence and Single Services; and
2. Suspension or reduction of activities during the pandemic.

f. Principal funding

The Association's principal funding for this period is derived from Grants received from the Ministry of Defence and the Single Armed Services.

Structure, governance and management

a. Constitution

UK Reserve Forces Association is a registered Charity, Charity number 1181194, and a Charitable Incorporated Organisation established under a constitution dated 17 December 2018.

b. Methods of appointment or election of Trustees

1. The President and Chairman of the Association shall by constitutional provision be appointed by the members and shall serve for a maximum of 5 years.
2. The Secretary General and Director of Resources shall hold office by virtue of their ex officio positions.
3. The Ex-Officio Vice Presidents shall hold office by virtue of their ex officio positions.

c. Organisational structure and decision-making policies

The Charity is managed by the key Trustees, who are the President, Chairman and Secretary General in regard to policy decisions. The Chairman acts as managing Trustee on a day to day basis and is assisted by the Director of Resources in regard to financial matters.

The Association has a Customer Board which reviews and advises the Chairman on the activities which the Association supports and ensures that there is the appropriate Governance, Duty Holder and Health & Safety regime in place and where appropriate provides inspections of activities. Members of the Customer Board are serving regular or reserve officers of the Armed Forces of the Crown who are appropriately qualified.

d. Policies adopted for the induction and training of Trustees

The Trustees are experienced business men or military officers, or both in the case of the President and Chairman. In the case of the ex officio vice presidents they hold senior appointments in the Reserve Forces of the Crown.

UK RESERVE FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Structure, governance and management (continued)

e. Related party relationships

1. The Association has a related party relationship with the Ministry of Defence and the Single Armed Services under a Memorandum of Understanding and the majority of the Association's Funding is provided by the Armed Services who directs the activities on which the Charity expends its Resources. Serving regular and reserve officers are also ex-officio Trustees and serve on the Association's Customer Board.
2. The Association has a related party relationship with the Council of Reserve Forces & Cadets who provide two of the ex officio Trustees, the Secretary General and Director of Resources, together with providing free of charge office facilities, accountancy and secretarial services.

f. Financial risk management

The Trustees have assessed the major risks to which the Association is exposed, in particular those related to the operations and finances of the Association, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

UK RESERVE FORCES ASSOCIATION

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

Independent Examiner's Report to the Trustees of UK Reserve Forces Association ('the Association')

I report to the charity Trustees on my examination of the accounts of the Association for the year ended 31 March 2024.

Responsibilities and Basis of Report

As the Trustees of the Association you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Association's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Since the Association's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the Association has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Association as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

UK RESERVE FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1. General information

The United Kingdom Reserve Forces Association is a Charitable Incorporated Organisation ("CIO") and is registered with the Charity Commission (Charity Registered Number 1181194) and Registrar of Companies (Company Registered Number CE015934) in England and Wales.

The UK Reserve Forces' Association, an unincorporated charity, converted to CIO status with effect from 17 December 2018, and the assets of the unincorporated charity were transferred to the CIO as at that date.

The address of the registered office is given in the Association information on page 1 of these financial statements. The nature of the Association's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

2.1 Basis of preparation of financial statements

The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

UK Reserve Forces Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in Great British pounds sterling which is the functional currency of the Association and all amounts are rounded to the nearest pound.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

2. Accounting policies (continued)

2.2 Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern.

2.3 Income

All income is recognised once the Association has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Association's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Staff costs

The Charity had no employees in either the current or prior year.

2.6 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities upon meeting the recognition criteria of measurement, probability of receipt and entitlement.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024**

2. Accounting policies (continued)

2.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Association; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Association anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Association only holds basic financial instruments as defined by FRS 102. The financial assets and financial liabilities of the Association and their measurement bases are as follows:

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in Note 8. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

2.12 Taxation

The Association is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Association is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

UK RESERVE FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Association and which have not been designated for other purposes.

3. Income from grants and donations

	Unrestricted funds 2024 £	Total funds 2024 £	<i>Total funds 2023 £</i>
Donations	47,425	47,425	8,398
Government Grants (MOD)	495,600	495,600	364,377
	<u>543,025</u>	<u>543,025</u>	<u>372,775</u>

There are no conditions or contingencies attached to the government grants above. All income from grants and donations in the prior year were allocated to Unrestricted funds.

4. Investment income

	Total funds 2024 £	<i>Total funds 2023 £</i>
Bank interest receivable	-	349
	<u>-</u>	<u>349</u>

All investment income in the prior year was allocated to Unrestricted funds.

	<u>35,800</u>	<u>31,886</u>

The Independent Examiners' remuneration includes the current year examination fee of £655 (2023: £625 plus the under-accrual of the prior year fee of £2,753).

UK RESERVE FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

6. Trustees' remuneration and expenses

During the year, honorarium totalling £25,144 (2023: £25,144) was paid to the Trustee, Colonel Christopher Lee Argent, to oversee and manage the military operations of the Charity. This included, but was not limited to, the selection of participants, oversight and arrangement of travel, duty of care and quality control reporting relating to all UKRFA events. No remuneration was received for undertaking the role of Trustee.

The honorarium was authorised by the Board of Trustees and was allowable under the governing Constitution.

During the year ended 31 March 2024, expenses totalling £3,943 (2023: £5,869) were reimbursed or paid directly to Trustees in respect of travel and subsistence costs incurred representing UKRFA at meetings and managing UKRFA events in both the UK and overseas.

7. Debtors

	2024 £	2023 £
Due within one year		
Other debtors	15,000	-
	<u>15,000</u>	<u>-</u>

8. Creditors: Amounts falling due within one year

UK RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their annual report together with the financial statements of the Association for the period 1 April 2022 to 31 March 2023.

Objectives and activities

a. Summary of the purposes of the Association as set out in its governing document

1. Furthering the efficiency of the Reserve Forces of the Crown and the education of their personnel both serving and retired and for the public benefit;
2. Promoting interest and morale in the Reserve Forces of the Crown and recruitment to them and for the public benefit; and
3. Promoting the Reserve Forces of the United Kingdom within the North Atlantic Treaty Organisation (NATO), the British Commonwealth and other international environments and for the public benefit by undertaking the interchange of ideas and good practice with the reserve forces of allied nations through involvement in such military competitions and training exercises as the Trustees decide.

b. Grant-making policies

Each application for a Grant is reviewed and subsequently managed during implementation by the Management Team of the Association. In turn these decisions are reviewed by the Association's Customer Board which draws together the various stakeholders in the Association's work.

c. Volunteers

A substantial amount of the Strategic, Policy and day to day management of the Association is carried out by volunteers.

d. Main activities undertaken to further the Association's purposes for the public benefit

1. Provision of financial support to enable UK serving Reservists to participate in the activities of the NATO sponsored Interallied Confederations of Reserve Officers, Reserve Medical Officers and Reserve Non Commissioned Officers; and
2. Provision of financial support to enable UK serving reservists to participate in Education and Training, Competitions, Workshops and other activities in Europe, North America, South Africa, Australia and South Korea attendance at which enhances the utility and employability of Reservists both in Public Service in the Reserves of the Crown and in Civilian Life.

e. Statement confirming whether the Trustees have had regard to the guidance issued by the Charity Commission on public benefit

The Trustees have sought advice from their accountants and from the published Charity Commission Guidance, in particular "Charity Reporting and Accounting: The Essentials" published 1 Jan 2014. The Trustees confirm that they have given due regard to this guidance.

UK RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Achievements and performance

a. Main achievements of the Association

The financial support that the Association provides to activities of the Reserve Forces of the Crown have enabled more than 340 Reservists to complete activities to enhance their Professional Development, to encourage Retention in the Reserve Forces and to contribute to Defence Engagement. This is a substantial improvement over the previous year in which our activities were adversely affected by the Pandemic and a comparable figure is 110 as 2022/23 saw the Association return to a full level of activity not seen since prior to the Pandemic. This has also been the first year in which the Association provided the management of the Military Reserves Exchange Programme with the United States' Reserves. It is also right to draw attention to the diversity of activity which the Association provides to Reservists drawn from all the Reserve Forces and to all ranks both commissioned and non commissioned of all trades and employments: these span Leadership skills, Military Competitions, employment specialisms such as for Medical Personnel and those engaged in Civil Military Cooperation as well as Operational Language Skills.

b. Achievements against objectives set

The Association substantially met all its targets as to numbers of Reservists participating in UKRFA activities. In financial terms Income was optimized by full grants once again being received from all three of the Armed Services. Notwithstanding the high level of activity, outgoings fell below budget owing to efficient purchasing especially of travel costs, notably on long haul activities in North America. Whilst activity has been at a high level, this has partly been financed by the carry forward as a result of the Pandemic which has enabled UKRFA to maintain a strong level of liquidity, although this will inevitably reduce over coming years as the accrued income is absorbed. In consequence UKRFA has achieved its objective of strengthening its Balance Sheet position making it much more able to cope with demands placed upon its resources for the greater level of activity at which it is now operating.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

In certain financial years the income received cannot be wholly spent by the year end, and as the highest level of expenditure occurs in the first 6 months of the financial year it is prudent to hold year to year surpluses to cover any delays especially in the receipt of incoming funding.

c. Review of the Association's financial position at the end of the period

In 2022/23 the Association recognised total income of £373k. The Association also expended £452k. This meant, at the year end, the Association's Unrestricted Reserves including a loss at 31st March 2023 of £78k were £108k after providing for Creditors. The view of the Trustees is that this is an acceptable position and will enable the Association to support ongoing activity in the ensuing financial period.

UK RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Financial review (continued)

d. Material investments policy

The Association holds no investments other than surplus cash which from time to time is placed on deposit.

e. Principal risks and uncertainties

1. Reduction of the Funding received annually from the Ministry of Defence and Single Services; and
2. Suspension or reduction of activities during the pandemic.

f. Principal funding

The Association's principal funding for this period is derived from Grants received from the Ministry of Defence and the Single Armed Services.

Structure, governance and management

a. Constitution

UK Reserves Forces Association is a registered Charity, Charity number 1181194, and a Charitable Incorporated Organisation established under a constitution dated 17 December 2018.

b. Methods of appointment or election of Trustees

1. The President and Chairman of the Association shall by constitutional provision be appointed by the members and shall serve for a maximum of 5 years.
2. The Secretary General and Director of Resources shall hold office by virtue of their ex officio positions.
3. The Ex-Officio Vice Presidents shall hold office by virtue of their ex officio positions.

c. Organisational structure and decision-making policies

The Charity is managed by the key Trustees, who are the President, Chairman and Secretary General in regard to policy decisions. The Chairman acts as managing Trustee on a day to day basis and is assisted by the Director of Resources in regard to financial matters.

The Association has a Customer Board which reviews and advises the Chairman on the activities which the Association supports and ensures that there is the appropriate Governance, Duty Holder and Health & Safety regime in place and where appropriate provides inspections of activities. Members of the Customer Board are serving regular or reserve officers of the Armed Forces of the Crown who are appropriately qualified.

d. Policies adopted for the induction and training of Trustees

The Trustees are experienced business men or military officers, or both in the case of the President and Chairman. In the case of the ex officio vice presidents they hold senior appointments in the Reserve Forces of the Crown.

UK RESERVES FORCES ASSOCIATION

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2023**

Structure, governance and management (continued)

e. Related party relationships

1. The Association has a related party relationship with the Ministry of Defence and the Single Armed Services under a Memorandum of Understanding and the majority of the Association's Funding is provided by the Armed Services who directs the activities on which the Charity expends its Resources. Serving regular and reserve officers are also ex-officio Trustees and serve on the Association's Customer Board.
2. The Association has a related party relationship with the Council of Reserve Forces & Cadets who provide two of the ex officio Trustees, the Secretary General and Director of Resources, together with providing free of charge office facilities, accountancy and secretarial services.

f. Financial risk management

The Trustees have assessed the major risks to which the Association is exposed, in particular those related to the operations and finances of the Association, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

UK RESERVES FORCES ASSOCIATION

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

Independent Examiner's Report to the Trustees of UK Reserves Forces Association ('the Association')

I report to the charity Trustees on my examination of the accounts of the Association for the year ended 31 March 2023.

Responsibilities and Basis of Report

As the Trustees of the Association you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Association's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Since the Association's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Association as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

UK RESERVES FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. General information

The United Kingdom Reserve Forces Association is a Charitable Incorporated Organisation ("CIO") and is registered with the Charity Commission (Charity Registered Number 1181194) and Registrar of Companies (Company Registered Number CE015934) in England and Wales.

The UK Reserve Forces' Association, an unincorporated charity, converted to CIO status with effect from 17 December 2018, and the assets of the unincorporated charity were transferred to the CIO as at that date.

The address of the registered office is given in the Association information on page 1 of these financial statements. The nature of the Association's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

2.1 Basis of preparation of financial statements

The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

UK Reserves Forces Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in Great British pounds sterling which is the functional currency of the Association and all amounts are rounded to the nearest pound.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.3 Income

All income is recognised once the Association has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Association's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Staff costs

The Charity had no employees in either the current or prior year.

2.6 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities upon meeting the recognition criteria of measurement, probability of receipt and entitlement.

2.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Association; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Association anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Association only holds basic financial instruments as defined by FRS 102. The financial assets and financial liabilities of the Association and their measurement bases are as follows:

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in Note 7. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

2.12 Taxation

The Association is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Association is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Association and which have not been designated for other purposes.

UK RESERVES FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

3. Income from grants and donations

FOR THE YEAR ENDED 31 MARCH 2023

5. Analysis of expenditure on charitable activities - by type

	Activities undertaken directly 2023 £	Support costs 2023 £	Total funds 2023 £
Furthering the efficiency of the Reserve Forces of the Crown	419,653	31,886	451,539
	<i>Activities undertaken directly 2022 £</i>	<i>Support costs 2022 £</i>	<i>Total funds 2022 £</i>
Furthering the efficiency of the Reserve Forces of the Crown	64,683	30,830	95,513

All expenditure recognised in the prior year was allocated to Unrestricted funds.

Analysis of support costs

	Total funds 2023 £	Total funds 2022 £
Insurance	2,446	2,446
Governance costs - Independent Examiners' remuneration	3,378	3,210
Trustees' Honorarium	25,144	25,144
Bank charges	30	30
Merchandise	888	-
	31,886	30,830

The Independent Examiners' remuneration includes the current year examination fee of £625 (2022: £625), plus the under-accrual of the prior year fee of £2,753 (2022: £2,585).

UK RESERVES FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

6. Trustees' remuneration and expenses

During the year, honorarium totalling £25,144 (2022: £25,144) was paid to the Trustee, Colonel Christopher Lee Argent, to oversee and manage the military operations of the Charity. This included, but was not limited to, the selection of participants, oversight and arrangement of travel, duty of care and quality control reporting relating to all UKRFA events. No remuneration was received for undertaking the role of Trustee.

The honorarium was authorised by the Board of Trustees and was allowable under the governing Constitution.

During the year ended 31 March 2023, expenses totalling £6,075 (2022: £2,386) were reimbursed or paid directly to 2 Trustees (2022: 1 Trustee) in respect of travel and subsistence costs incurred representing UKRFA at meetings and managing UKRFA events in both the UK and overseas.

7. Creditors: Amounts falling due within one year

	2023 £	2022 £
Other creditors	1,575	1,575
Accruals and deferred income	49,016	148,393
	<u>50,591</u>	<u>149,968</u>

Deferred income of £147,768 has been brought forward from the previous reporting period. Of this sum, £99,377 has been released in the current year, and £48,391 has been carried forward into the 23/24 financial year. Deferred income relates to grant income received in advance for activities undertaken in the 23/24 financial year.

8. Related party transactions

The Association has not entered into any related party transactions during the current or prior year other than the receipt of grant funding from the Ministry of Defence, being a total of £364,377 in the 22/23 financial year (2022: £167,232); further details have been provided in the Trustees Report. There are no outstanding balances owing between related parties and the Association at 31 March 2023 (2022: £Nil).

UNITED KINGDOM RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their annual report together with the financial statements of the Association for the period 1 April 2021 to 31 March 2022.

Objectives and activities

a. Summary of the purposes of the Association as set out in its governing document

1. Furthering the efficiency of the Reserve Forces of the Crown and the education of their personnel both serving and retired and for the public benefit;
2. Promoting interest and morale in the Reserve Forces of the Crown and recruitment to them and for the public benefit; and
3. Promoting the Reserve Forces of the United Kingdom within the North Atlantic Treaty Organisation (NATO), the British Commonwealth and other international environments and for the public benefit by undertaking the interchange of ideas and good practice with the reserve forces of allied nations through involvement in such military competitions and training exercises as the Trustees decide.

b. Grant-making policies

Each application for a Grant is reviewed and subsequently managed during implementation by the Management Team of the Association. In turn these decisions are reviewed by the Association's Customer Board which draws together the various stakeholders in the Association's work.

c. Volunteers

A substantial amount of the Strategic, Policy and day to day management of the Association is carried out by volunteers.

d. Main activities undertaken to further the Association's purposes for the public benefit

1. Provision of financial support to enable UK serving Reservists to participate in the activities of the NATO sponsored Interallied Confederations of Reserve Officers, Reserve Medical Officers and Reserve Non Commissioned Officers; and
2. Provision of financial support to enable UK serving reservists to participate in Education and Training, Competitions, Workshops and other activities in Europe, North America, South Africa, Australia and South Korea attendance at which enhances the utility and employability of Reservists both in Public Service in the Reserves of the Crown and in Civilian Life.

e. Statement confirming whether the Trustees have had regard to the guidance issued by the Charity Commission on public benefit

The Trustees have sought advice from their accountants and from the published Charity Commission Guidance, in particular "Charity Reporting and Accounting: The Essentials" published 1 Jan 2014. The Trustees confirm that they have given due regard to this guidance.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Achievements and performance

a. Main achievements of the Association

Without the financial support that the Association provides, none of the activities described above would have been undertaken. In the aftermath of the Pandemic inevitably the level of activity continued to be less than in a normal year of operations as work to regain and restart events continues. In consequence the number of Reservists of the Crown who participated in the Association's activities during the year ended 31st March 2022 was less than in the previous year at 110. However looking forward into 2022/23 there is every reason to believe that the activity level and numbers of Reservists involved will climb substantially as the Association's activities and the opportunities it provides for UK Reservists of the Crown reopen.

b. Achievements against objectives set

Inevitably the Pandemic continued to affect the level of activity and in consequence many of the Business Objectives set for 2021/22 were not achieved or only met in part. Activities held online enabled some events to continue and it is likely that this continues to play a part in our activity plan in the future. Moreover the time was used to strengthen and improve connections with various activities overseas, and in particular the Association has assumed responsibility for the Military Reserves Exchange Programme which enables Reservists from the United Kingdom and their counterparts from the United States of America to undergo exchange training and educational activities and this will form a core part of the Association's activities in the future.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

In certain financial years the income received cannot be wholly spent by the year end, and as the highest level of expenditure occurs in the first 6 months of the financial year it is prudent to hold year to year surpluses to cover any delays especially in the receipt of incoming funding.

c. Review of the Association's financial position at the end of the period

In 2021/22 the Association recognised total income of £169k. Of this, the Association expended £96k. This meant, at the year end, the Association's Unrestricted Reserves including a surplus at 31st March 2022 of £74k were £186k after providing for Creditors. The view of the Trustees is that this is an acceptable position and will enable the Association to support ongoing activity in the ensuing financial period.

d. Material investments policy

The Association holds no investments other than surplus cash which from time to time is placed on deposit.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Financial review (continued)

e. Principal risks and uncertainties

1. Reduction of the Funding received annually from the Ministry of Defence and Single Services; and
2. Suspension or reduction of activities during the COVID-19 Pandemic.

f. Principal funding

The Association's principal funding for this period is derived from Grants received from the Ministry of Defence and the Single Armed Services.

Structure, governance and management

a. Constitution

United Kingdom Reserves Forces Association is a registered Charity, Charity number 1181194, and a Charitable Incorporated Organisation established under a constitution dated 17 December 2018.

b. Methods of appointment or election of Trustees

1. The President and Chairman of the Association shall by constitutional provision be appointed by the members and shall serve for a maximum of 5 years.
2. The Secretary General and Director of Resources shall hold office by virtue of their ex officio positions.
3. The Ex-Officio Vice Presidents shall hold office by virtue of their ex officio positions.

c. Organisational structure and decision-making policies

The Charity is managed by the key Trustees, who are the President, Chairman and Secretary General in regard to policy decisions. The Chairman acts as managing Trustee on a day to day basis and is assisted by the Director of Resources in regard to financial matters.

The Association has a Customer Board which reviews and advises the Chairman on the activities which the Association supports and ensures that there is the appropriate Governance, Duty Holder and Health & Safety regime in place and where appropriate provides inspections of activities. Members of the Customer Board are serving regular or reserve officers of the Armed Forces of the Crown who are appropriately qualified.

d. Policies adopted for the induction and training of Trustees

The Trustees are experienced business men or military officers, or both in the case of the President and Chairman. In the case of the ex officio vice presidents they hold senior appointments in the Reserve Forces of the Crown.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022**

Structure, governance and management (continued)

e. Related party relationships

1. The Association has a related party relationship with the Ministry of Defence and the Single Armed Services under a Memorandum of Understanding and the majority of the Association's Funding is provided by the Armed Services who directs the activities on which the Charity expends its Resources. Serving regular and reserve officers are also ex-officio Trustees and serve on the Association's Customer Board.
2. The Association has a related party relationship with the Council of Reserve Forces & Cadets who provide two of the ex officio Trustees, the Secretary General and Director of Resources, together with providing free of charge office facilities, accountancy and secretarial services.

f. Financial risk management

The Trustees have assessed the major risks to which the Association is exposed, in particular those related to the operations and finances of the Association, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2022

Independent Examiner's Report to the Trustees of United Kingdom Reserves Forces Association ('the Association')

I report to the charity Trustees on my examination of the accounts of the Association for the year ended 31 March 2022.

Responsibilities and Basis of Report

As the Trustees of the Association you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Association's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Association as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. General information

The United Kingdom Reserve Forces Association is a Charitable Incorporated Organisation ("CIO") and is registered with the Charity Commission (Charity Registered Number 1181194) and Registrar of Companies (Company Registered Number CE015934) in England and Wales.

The UK Reserve Forces' Association, an unincorporated charity, converted to CIO status with effect from 17 December 2018, and the assets of the unincorporated charity were transferred to the CIO as at that date.

The address of the registered office is given in the Association information on page 1 of these financial statements. The nature of the Association's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

2.1 Basis of preparation of financial statements

The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

United Kingdom Reserves Forces Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in Great British pounds sterling which is the functional currency of the Association and all amounts are rounded to the nearest pound.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist, including considering the impact of COVID 19. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.3 Income

All income is recognised once the Association has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Association's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Staff costs

The Charity had no employees in either the current or prior year.

2.6 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities upon meeting the recognition criteria of measurement, probability of receipt and entitlement.

2.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Association; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Association anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Association only holds basic financial instruments as defined by FRS 102. The financial assets and financial liabilities of the Association and their measurement bases are as follows:

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in Note 7. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

2.12 Taxation

The Association is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Association is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Association and which have not been designated for other purposes.

5. Analysis of expenditure on charitable activities - by type (continued)

	<i>Activities undertaken directly 2021 £</i>	<i>Support costs 2021 £</i>	<i>Total funds 2021 £</i>
Furthering the efficiency of the Reserve Forces of the Crown	<u>71,659</u>	<u>8,088</u>	<u>79,747</u>

All expenditure recognised in the prior year was allocated to Unrestricted funds.

Analysis of support costs

	Total funds 2022 £	Total funds 2021 £
Insurance	2,446	2,389
Governance costs - Independent Examiners' remuneration	3,210	3,120
Sundry	-	1,247
Legal	-	1,332
Trustees' Honorarium	25,144	-
Bank charges	30	-
	<u>30,830</u>	<u>8,088</u>

The Independent Examiners' remuneration includes the current year examination fee of £625 (2021: £625), plus the under-accrual of the prior year fee of £2,585 (2021: £2,495).

6. Trustees' remuneration and expenses

During the year, honorarium totalling £25,144 (2021: £Nil) was paid to the Trustee, Colonel Christopher Lee Argent to oversee and manage the military operations of the Charity. This included, but was not limited to, the selection of participants, oversight and arrangement of travel, duty of care and quality control reporting relating to all UKRFA events. No remuneration was received for undertaking the role of Trustee.

The honorarium was authorised by the Board of Trustees and was allowable under the governing Constitution.

During the year ended 31 March 2022, expenses totalling £2,386 (2021: £2,515) were reimbursed or paid directly to 1 Trustee (2021: 1 Trustee) in respect of travel and subsistence costs incurred representing UKRFA at meetings and managing UKRFA events in both the UK and overseas.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

7. Creditors: Amounts falling due within one year

	2022	<i>2021</i>
	£	£
Other creditors	1,575	<i>1,575</i>
Accruals and deferred income	148,393	<i>625</i>
	149,968	<i>2,200</i>

Deferred income of £147,768 has been recognised at the current year-end (2020: £Nil). Deferred income relates to grant income received in advance for activities undertaken in the 22/23 financial year.

8. Related party transactions

The Association has not entered into any related party transactions during the current or prior year other than the receipt of grant funding from the Ministry of Defence, being a total of £167,232 in the 2021/22 financial year (2021: £188,000); further details have been provided in the Trustees Report. There are no outstanding balances owing between related parties and the Association at 31 March 2022 (2021: £Nil).

UNITED KINGDOM RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their annual report together with the financial statements of the Association for the period 1 April 2020 to 31 March 2021.

Objectives and activities

a. Summary of the purposes of the Association as set out in its governing document

1. Furthering the efficiency of the Reserve Forces of the Crown and the education of their personnel both serving and retired and for the public benefit;
2. Promoting interest and morale in the Reserve Forces of the Crown and recruitment to them and for the public benefit; and
3. Promoting the Reserve Forces of the United Kingdom within the North Atlantic Treaty Organisation (NATO), the British Commonwealth and other international environments and for the public benefit by undertaking the interchange of ideas and good practice with the reserve forces of allied nations through involvement in such military competitions and training exercises as the Trustees decide.

b. Grant-making policies

Each application for a Grant is reviewed and subsequently managed during implementation by the Management Team of the Association. In turn these decisions are reviewed by the Association's Customer Board which draws together the various stakeholders in the Association's work.

c. Volunteers

A substantial amount of the Strategic, Policy and day to day management of the Association is carried out by volunteers.

d. Main activities undertaken to further the Association's purposes for the public benefit

1. Provision of financial support to enable UK serving Reservists to participate in the activities of the NATO sponsored Interallied Confederations of Reserve Officers, Reserve Medical Officers and Reserve Non Commissioned Officers; and
2. Provision of financial support to enable UK serving reservists to participate in Education and Training, Competitions, Workshops and other activities in Europe, North America, South Africa, Australia and South Korea attendance at which enhances the utility and employability of Reservists both in Public Service in the Reserves of the Crown and in Civilian Life.

e. Statement confirming whether the Trustees have had regard to the guidance issued by the Charity Commission on public benefit

The Trustees have sought advice from their accountants and from the published Charity Commission Guidance, in particular "Charity Reporting and Accounting: The Essentials" published 1 Jan 2014. The Trustees confirm that they have given due regard to this guidance.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance

a. Main achievements of the Association

Without the financial support that the Association provides, none of the activities mentioned in the Summary of Activities would have been undertaken. In consequence of the Pandemic, the number of Reservists of the Crown who participated in the Association's activities during the year ended 31st March 2021 fell to 125. There is a wider benefit to society in the development of life skills and specific career based skills which transfer to the civilian careers of all the participants.

b. Achievements against objectives set

In consequence of the Pandemic in 2020/21 it was inevitable that many of the Business Plan Objectives were delayed or only met in part. However in consequence of converting many activities to online delivery whilst the numbers participating declined markedly, overall Objectives were successfully achieved and the Trustees believe the Association was both resilient to the impact of the Pandemic and stands in a strong position to continue its work in support of the Reserves of the Crown as conditions become more normal.

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Association has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

b. Reserves policy

In certain financial years the income received cannot be wholly spent by the year end, and as the highest level of expenditure occurs in the first 6 months of the financial year it is prudent to hold year to year surpluses to cover any delays especially in the receipt of incoming funding.

c. Review of the Association's financial position at the end of the period

In 2020/21 the Association recognised total income of £190k. Of this, the Association expended £80k. This meant, at the year end, the Association's Reserves including a surplus of Reserves at 31st March 2020 of £3k were £113k after providing for Creditors. The view of the Trustees is that this is an acceptable position and will enable the Association to support ongoing activity in the ensuing financial period.

d. Material investments policy

The Association holds no investments other than surplus cash which from time to time is placed on deposit.

e. Principal risks and uncertainties

1. Reduction of the Funding received annually from the Ministry of Defence and Single Services; and
2. Suspension or reduction of activities during the COVID-19 Pandemic.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Financial review (continued)

f. Principal funding

The Association's principal funding for this period is derived from Grants received from the Ministry of Defence and the Single Armed Services.

Structure, governance and management

a. Constitution

United Kingdom Reserves Forces Association is a registered Charity, Charity number 1181194, and a Charitable Incorporated Organisation established under a constitution dated 17 December 2018.

b. Methods of appointment or election of Trustees

1. The President and Chairman of the Association shall by constitutional provision be appointed by the members and shall serve for a maximum of 5 years.
2. The Secretary General and Director of Resources shall hold office by virtue of their ex officio positions.
3. The Ex-Officio Vice Presidents shall hold office by virtue of their ex officio positions.

c. Organisational structure and decision-making policies

The Charity is managed by the key Trustees, who are the President, Chairman and Secretary General in regard to policy decisions. The Chairman acts as managing Trustee on a day to day basis and is assisted by the Director of Resources in regard to financial matters.

The Association has a Customer Board which reviews and advises the Chairman on the activities which the Association supports and ensures that there is the appropriate Governance, Duty Holder and Health & Safety regime in place and where appropriate provides inspections of activities. Members of the Customer Board are serving regular or reserve officers of the Armed Forces of the Crown who are appropriately qualified.

d. Policies adopted for the induction and training of Trustees

The Trustees are experienced business men or military officers, or both in the case of the President and Chairman. In the case of the ex officio vice presidents they hold senior appointments in the Reserve Forces of the Crown.

e. Related party relationships

1. The Association has a related party relationship with the Ministry of Defence and the Single Armed Services under a Memorandum of Understanding and the majority of the Association's Funding is provided by the Armed Services who directs the activities on which the Charity expends its Resources. Serving regular and reserve officers are also ex-officio Trustees and serve on the Association's Customer Board.
2. The Association has a related party relationship with the Council of Reserve Forces & Cadets who provide two of the ex officio Trustees, the Secretary General and Director of Resources, together with providing free of charge office facilities, accountancy and secretarial services.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2021

Independent Examiner's Report to the Trustees of United Kingdom Reserves Forces Association ('the Association')

I report to the charity Trustees on my examination of the accounts of the Association for the year ended 31 March 2021.

Responsibilities and Basis of Report

As the Trustees of the Association you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Association's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Association as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

UNITED KINGDOM RESERVES FORCES ASSOCIATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. General information

The United Kingdom Reserve Forces Association is a Charitable Incorporated Organisation ("CIO") and is registered with the Charity Commission (Charity Registered Number 1181194) and Registrar of Companies (Company Registered Number CE015934) in England and Wales.

The UK Reserve Forces' Association, an unincorporated charity, converted to CIO status with effect from 17 December 2018, and the assets of the unincorporated charity were transferred to the CIO as at that date. The comparative period to the financial statements represents the accounting period starting on 19 March 2019 and ending 31 March 2020. The prior period is therefore not directly comparable.

The address of the registered office is given in the Association information on page 1 of these financial statements. The nature of the Association's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

2.1 Basis of preparation of financial statements

The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

United Kingdom Reserves Forces Association meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in Great British pounds sterling which is the functional currency of the Association and all amounts are rounded to the nearest pound.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist, including considering the impact of COVID 19. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Charity to be able to continue as a going concern.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.3 Income

All income is recognised once the Association has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Association's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Staff costs

The Charity had no employees in either the current or prior year.

2.6 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities upon meeting the recognition criteria of measurement, probability and entitlement.

2.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Association; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Association anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Association only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Association and their measurement bases are as follows:

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in Note 7. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

2.12 Taxation

The Association is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Association is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Association and which have not been designated for other purposes.
