Report of the trustees for the year ending 31 March 2025

The trustees (who are also directors of the charity for the purposes of the Companies Act) are pleased to present their annual report, together with the consolidated financial statements of the charity, for the year ending 31 March 2025. These financial statements have been prepared to meet the requirements of a directors' report and accounts under the Companies Act.

The financial statements comply with the following regulatory and reporting frameworks:

- **The Charities Act 2011**
- **The Companies Act 2006**
- **The Memorandum and Articles of Association**
- **Accounting and Reporting by Charities: Statement of Recommended Practice (SORP)** applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The purposes of the charity are to advance education and promote the preservation and protection of mental health among children, young people, and adults. This is achieved, without limiting the generality of the foregoing, through the provision of:

- a) **Therapeutic support** for children and young people in schools;
- b) **Support for families and carers** of such children;
- c) **Training for teachers and support staff** to enable them to identify and address mental health issues in schools; and
- d) **Therapeutic support** for individuals experiencing stress, anxiety, overwhelm, and exhaustion.

Primary Objective for the Year

Our primary objective for the year was to continue delivering a high-quality programme of arts therapy interventions—including art, dance, drama, and music therapy—within primary and secondary schools. These interventions aimed to

provide timely and targeted support for children and young people exhibiting concerns about their mental health, wellbeing, and self-care.

How We Delivered This Objective

To achieve this, we commissioned a team of experienced professionals, including:

- Dramatherapists
- Dance and Movement Psychotherapists

Each team member holds a Master's degree qualification and is regulated by both the Health and Care Professions Council (HCPC) and the Association for Dance Movement Psychotherapy. Additionally, we ensured that all therapists maintain up-to-date safeguarding training, in line with statutory requirements.

Public Benefit

In setting our objectives and planning activities, the trustees have given due consideration to the general guidance published by the Charity Commission on public benefit. Particular attention has been paid to the supplementary public benefit guidance to ensure our activities serve the wider community effectively.

Achievement and performance

In comparison to previous years, this has been the most challenging period. Supporting children and staff has required significant adaptability. We are now witnessing the aftermath of Covid-19 and its impact on children and young people's mental health, wellbeing and self-care. There has been an increase in neurodiverse diagnoses such as ADHD, autism and social communication difficulties, as well as a noticeable decline in social development. This includes heightened levels of anxiety and stress.

Although the therapeutic space is safe and confidential, we are increasingly asking clients for permission to share information that does not meet safeguarding thresholds but requires additional support from staff or pastoral teams. This ensures that brief check-ins can take place outside the therapy space, particularly as clients only see their therapist once a week.

We continue to use the Kings College London PSYCHLOPS evaluation to measure our quantitative data. We are proud that our results remain above the national average, demonstrating that Bennu provides a high-quality service. In addition, our qualitative data is strengthened by feedback from children and young people referred to as 'clients', as well as from schools and parents/carers. All have acknowledged the positive impact of the service, particularly where therapists have delivered trauma-informed practice.

To enable the organisation to grow and adapt, we have recognised the financial pressures many schools are experiencing, while the number of pupils/students requiring therapeutic intervention continues to rise. After careful consideration and a year of research, we launched **BAMM: Bennu Ambassadors for Mind Matters**. BAMM is a peer-led positive mental health programme coordinated between Bennu therapists and a designated member of school staff. To date, Bennu has over 70 ambassadors promoting positive mental health, wellbeing and self-care within their schools.

- Funding from Canary Wharf Group has enabled us to introduce and expand BAMM in two new schools across KS2, KS3 and KS4.
- Our ongoing partnerships with universities through a 'placement to recruitment' pathway have allowed Bennu to create a paid therapy post for a dramatherapist within a primary school.
- Continued Professional Development (CPD): Our self-care workshop '*Navigating Your Path to Self-Care*' has been endorsed by the Counselling and Psychotherapy Central Awarding Body (CPCAB). All participants receive an accredited CPD certificate.

Alongside our regular therapeutic work, the BAMM initiative and the *Navigating Your Path to Self-Care* CPD workshop have enabled Bennu to expand and enhance service delivery. This has strengthened our contribution to social, emotional and mental health support for children and young people, while maintaining a safe and confidential (safeguarding-aware) environment for healing. Bennu's service has remained consistent and resilient, particularly in the years following the pandemic, in supporting both students and staff.

The advisory committee consists of 10 members, including clinicians, NHS practitioners, senior leaders in education, business professionals and artists. Their role is to support Bennu by providing high-quality guidance and by exploring strategies for organisational development, with particular emphasis on digital innovation.

Financial review

This is the charity's seventh year of operation, and the trustees have worked to ensure that our programmes provide high-quality interventions that are both valued by schools and affordable. Contracts with schools have ensured the necessary funding to commission therapists and deliver our objectives.

Principal Funding Sources

Our funding this year has primarily come from contracts with schools and other organisations, alongside a grant to deliver a mental health and wellbeing workshop in three schools.

Reserves policy

The trustees have considered the need for reserves in light of the main risks to the organisation. Therapists are engaged on contracts for service and as such are not employees. Each contract for service is aligned to a school contract. This approach means that financial risks are mitigated and the need to hold significant reserves to deal with any liabilities is unnecessary. However, the trustees are keen to build reserves in order that they can use these for any short-term work with children that schools are unable to fund.

Details of Any Funds Materially in Deficit

The trustees declare that the charity had no funds which were materially in deficit at the date of the statement of assets & liabilities.

Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Structure, governance and management

Governing Document and Constitution

The charity is a company limited by guarantee and is governed by its Articles of Association. Its trustees are also its members, with each member's liability limited to £10. The Articles prescribe that the number of trustees shall not be less than three, but there is no maximum limit.

Method of selection and appointment of trustees

The first trustees are those notified to Companies House as the initial trustees of the charity. Any person willing to act as a trustee and permitted by law and the Articles may be appointed by ordinary resolution or a decision of the Trustees.

Apart from the first trustees, each trustee is appointed for an initial term of three years, which may be renewed for a second term of three years. During this year, Bennu appointed two new trustees, including Bennu's new Chair.

Trustees Responsibilities statement

The Trustees (who are also directors of Bennu for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that the statements give a true and fair view of the state of affairs of the charitable company, including the incoming resources and application of resources (income and expenditure) for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and accounting estimates that are reasonable and prudent;

- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions. These records should disclose, with reasonable accuracy, the financial position of the charitable company at any time and enable the Trustees to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and for taking reasonable steps to prevent and detect fraud and other irregularities.

This report was approved by the Trustees on 03 December 2025 and signed on their behalf by:

Independent Examiners Report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Report of the trustees for the year ending 31 March 2024

The trustees (who are also directors of the charity for the purposes of the Companies Act) are pleased to present their annual report, together with the consolidated financial statements of the charity, for the year ending 31 March 2024. These financial statements have been prepared to meet the requirements of a directors' report and accounts under the Companies Act.

The financial statements comply with the following regulatory and reporting frameworks:

- **The Charities Act 2011**
- **The Companies Act 2006**
- **The Memorandum and Articles of Association**
- **Accounting and Reporting by Charities: Statement of Recommended Practice (SORP)** applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The purposes of the charity are to advance education and promote the preservation and protection of mental health among children, young people, and adults. This is achieved, without limiting the generality of the foregoing, through the provision of:

- a) **Therapeutic support** for children and young people in schools;
- b) **Support for families and carers** of such children;
- c) **Training for teachers and support staff** to enable them to identify and address mental health issues in schools; and
- d) **Therapeutic support** for individuals experiencing stress, anxiety, overwhelm, and exhaustion.

Primary Objective for the Year

Our primary objective for the year was to continue delivering a high-quality programme of arts therapy interventions—including art, dance, drama, and music therapy—within primary and secondary schools. These interventions aimed to

provide timely and targeted support for children and young people exhibiting concerns about their mental health, wellbeing, and self-care.

How We Delivered This Objective

To achieve this, we commissioned a team of experienced professionals, including:

- Dramatherapists
- Dance and Movement Psychotherapists

Each team member holds a Master's degree qualification and is regulated by both the Health and Care Professions Council (HCPC) and the Association for Dance Movement Psychotherapy. Additionally, we ensured that all therapists maintain up-to-date safeguarding training, in line with statutory requirements.

Public Benefit

In setting our objectives and planning activities, the trustees have given due consideration to the general guidance published by the Charity Commission on public benefit. Particular attention has been paid to the supplementary public benefit guidance to ensure our activities serve the wider community effectively.

Achievement and performance

This has been another challenging year. Schools have increasingly required our therapists to provide support for staff experiencing anxiety, stress, and, in some cases, exhaustion.

For many of the children and young people who engage with our services, therapy has continued to offer a safe and confidential creative space where they can process, express, and share the challenges that trouble them.

Our annual data, underpinned by Psychlops, an evaluation tool developed by King's College London that measures therapeutic outcomes, demonstrates that Bennu's services are outstanding in delivering positive results.

As Bennu continues to grow, we have focused on implementing and developing strategies that promote positive mental health. Key achievements during the year include:

- Funding from Canary Wharf Group to implement positive mental health support for groups of children and young people in Years 6, 9, and 10.
- Connecting with universities to create student placement opportunities, with the aim of progressing these placements into paid contracts.
- Delivering self-care workshops with the aim of having these workshops endorsed and accredited as part of Continued Professional Development (CPD).

Through these initiatives, Bennu remains committed to delivering meaningful, innovative, and impactful support to schools, staff, and young people.

The advisory committee consists of 11 highly skilled individuals, including clinicians, NHS practitioners, senior leaders in education, and artists. Their role has been to support Bennu by offering sound, quality advice to help develop its practices as it continues to grow.

Financial review

This is the charity's sixth year of operation, and the trustees have worked to ensure that our programmes provide high-quality interventions that are both valued by schools and affordable. Contracts with schools have ensured the necessary funding to commission therapists and deliver our objectives.

Principal Funding Sources

Our funding this year has primarily come from contracts with schools and other organisations, alongside a grant to deliver a mental health and wellbeing workshop in three schools.

Reserves policy

The trustees have considered the need for reserves in light of the main risks to the organisation. Therapists are engaged on contracts for service and as such are not employees. Each contract for service is aligned to a school contract. This approach

means that financial risks are mitigated and the need to hold significant reserves to deal with any liabilities is unnecessary. However, the trustees are keen to build reserves in order that they can use these for any short-term work with children that schools are unable to fund.

Details of Any Funds Materially in Deficit

The trustees declare that the charity had no funds which were materially in deficit at the date of the statement of assets & liabilities.

Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Structure, governance and management

Governing Document and Constitution

The charity is a company limited by guarantee and is governed by its Articles of Association. Its trustees are also its members, with each member's liability limited to £10. The Articles prescribe that the number of trustees shall not be less than three, but there is no maximum limit.

Method of selection and appointment of trustees

The first trustees are those notified to Companies House as the initial trustees of the charity. Any person willing to act as a trustee and permitted by law and the Articles may be appointed by ordinary resolution or a decision of the Trustees.

Apart from the first trustees, each trustee is appointed for an initial term of three years, which may be renewed for a second term of three years. During this year, Bennu appointed two new trustees, including Bennu's new Chair.

Trustees Responsibilities statement

The Trustees (who are also directors of Bennu for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in

accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that the statements give a true and fair view of the state of affairs of the charitable company, including the incoming resources and application of resources (income and expenditure) for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and accounting estimates that are reasonable and prudent;
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions. These records should disclose, with reasonable accuracy, the financial position of the charitable company at any time and enable the Trustees to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and for taking reasonable steps to prevent and detect fraud and other irregularities.

This report was approved by the Trustees on 19 December 2024 and signed on their behalf by:

Independent Examiners Report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed

J. Thomas

Report of the trustees for the year ending 31 March 2023

The trustees (who are also directors of the charity for the purposes of the Companies Act) are pleased to present their annual report together with the consolidated financial statements of the charity for the year ending 31 March 2023, which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Objectives and activities

The purposes of the charity are:

to advance the education and preservation and protection of mental health among children, young people and adults, without prejudice to the generality of the foregoing by the provision of:

- a) *therapeutic support to children and young people in schools;*
- b) *support to families and carers of such children;*
- c) *training for teachers and support staff to enable them to identify and address issues of mental health in schools; and*
- d) *therapeutic support for persons suffering from bereavement or loss.*

Our primary objective for the year was to continue to provide a high-quality offer of 'Arts Therapy, that would work primarily with primary/junior and secondary schools to provide a timely and targeted intervention for children and young people exhibiting concerns about their social, emotional, mental health, well-being and self-care.

To deliver our objective we have commissioned a team of arts therapists, each qualified to master's degree level and regulated by the Health and Care Professions Council or The Association For Dance Movement Psychotherapy. We have ensured that all have up-to-date training in safeguarding and a disclosure and barring service certificate.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the charity commission relating to public benefit and in particular to its supplementary public benefit guidance.

Achievement and performance

This has been another challenging year. Schools have required therapists to support staff as they have been experiencing anxiety, stress and experiencing burn out. For some of the children and young people who are clients, they continue to find their therapeutic engagement a safe and confidential space that allows them to creatively process, express and share what is troubling them. Our annual data underpinned by Psychlops, an evaluation from Kings College London that measures outcomes, demonstrates that Bennu's service is outstanding. As Bennu continues to grow its focus has been to develop its social media and to explore recruiting students to lead to a paid contract. The advisory committee now stands with 12 strong people made up of clinicians including NHS practitioners, senior leadership in education and artists. Their role has been to support Bennu offering sound and quality advice to develop its practice as it moves forward.

Financial review

This is the charity's fifth year of operation and the trustees have looked to ensure that programmes are capable of providing a high-quality intervention that is valued by schools and affordable. Contracts with schools have ensured that finance has been available to commission therapists to deliver our objectives.

Principal funding sources

Our funding this year has been through contracts with schools.

Reserves policy

The trustees have considered the need for reserves in light of the main risks to the organisation. Therapists are engaged on contracts for service and as such are not employees. Each contract for service is aligned to a school contract. This approach means that financial risks are mitigated and the need to hold significant reserves to deal with any liabilities is unnecessary. However, the trustees are keen to build reserves in order that they can use these for any short-term work with children that schools are unable to fund, build resources and equipment.

Details of Any Funds Materially in Deficit

The trustees declare that the charity had no funds which were materially in deficit at the date of the statement of assets & liabilities.

Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable

future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

Structure, governance and management

Governing Document and Constitution

The charity is a company limited by guarantee and is governed by its Articles of Association. Its trustees are its members. The liability of each member is limited to £10. The Articles prescribe that the number of trustees shall be not less than three but are not subject to any maximum.

Method of selection and appointment of trustees

The first trustees are those notified to Companies House as the first trustees of the charity. Any person who is willing to act as a trustee and is permitted by law and the Articles to do so, may be appointed to be a trustee by ordinary resolution or a decision of the Trustees. Apart from the first trustees, every trustee shall be appointed for an initial term of three years, renewable for a second term of three years.

Trustees Responsibilities statement

The Trustees (who are also directors of BENNU for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to

ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees on 29 January 2024 and signed on their behalf by:

A handwritten signature in black ink, appearing to read 'Ian Comfort', written in a cursive style.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2.2 INCOME					
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; the monetary value can be measured with sufficient reliability. 		✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.		✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).		✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).				✓
Legacies	Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.				✓
Government grants	The charity has received government grants in the reporting period			✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.		✓		
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.				✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.				✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.				✓

	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.				✓
Donated services and facilities	Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.				✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.				✓
Support costs	The charity has incurred expenditure on support costs.		✓

- c) *training for teachers and support staff to enable them to identify and address issues of mental health in schools; and*
- d) *therapeutic support for persons suffering from bereavement or loss.*

Our primary objective for the year was to continue to provide a high-quality offer of dramatherapy that would work with primary schools to provide a timely and targeted intervention for children exhibiting concerns about their mental health and well-being.

To deliver our objective we have commissioned a team of experienced dramatherapists, each qualified to Master's degree level and regulated by the Health and Care Professions Council. We have ensured that all have up-to-date training in safeguarding.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the charity commission relating to public benefit and in particular to its supplementary public benefit guidance.

Achievement and performance

This has been another challenging year. Schools have required therapist to support staff as they have been experiencing anxiety and stress. For some of the children and young people

who are clients they continue to find their therapeutic engagement a safe space that allows them to creatively process, express and share what is troubling them. Our annual data underpinned by Psychlops, an evaluation from Kings College London that measures outcomes, demonstrates that Bennu's service is outstanding. As Bennu continues to grow its focus has been to develop its social media and to explore recruiting students to lead to a paid contract. The advisory committee now stands with 14 strong people made up of clinicians including NHS practitioners, senior leadership in education and artists. Their role has been to support Bennu offering sound and quality advice to develop its practice as it moves forward.

Financial review

This is the charity's fourth year of operation and the trustees have looked to ensure that programmes are capable of providing a high quality intervention that is valued by schools and affordable. Contracts with schools have ensured that finance has been available to commission therapists to deliver our objectives.

Principal funding sources

Our funding this year has been through contracts with schools.

Reserves policy

The trustees have considered the need for reserves in light of the main risks to the organisation. Therapists are engaged on contracts for service and as such are not employees. Each contract for service is aligned to a school contract. This approach means that financial risks are mitigated and the need to hold significant reserves to deal with any liabilities is unnecessary. However, the trustees are keen to build reserves in order that they can use these for any short-term work with children that schools are unable to fund.

Details of Any Funds Materially in Deficit

The trustees declare that the charity had no funds which were materially in deficit at the date of the statement of assets & liabilities.

Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. The charity has taken account of the impact of the COVID-19 pandemic on assessing its sufficiency of resources.

Structure, governance and management

Governing Document and Constitution

The charity is a company limited by guarantee and is governed by its Articles of Association. Its trustees are its members. The liability of each member is limited to £10. The Articles prescribe that the number of trustees shall be not less than three but are not subject to any maximum.

Method of selection and appointment of trustees

The first trustees are those notified to Companies House as the first trustees of the charity. Any person who is willing to act as a trustee and is permitted by law and the Articles to do so, may be appointed to be a trustee by ordinary resolution or a decision of the Trustees. Apart from the first trustees, every trustee shall be appointed for an initial term of three years, renewable for a second term of three years.

Trustees Responsibilities statement

The Trustees (who are also directors of BENNU for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

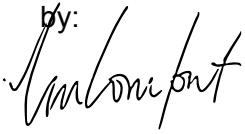

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiners Report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Report of the trustees for the year ending 31 March 2021

The trustees (who are also directors of the charity for the purposes of the Companies Act) are pleased to present their annual report together with the consolidated financial statements of the charity for the year ending 31 March 2021, which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Objectives and activities

The purposes of the charity are:

to advance the education and preservation and protection of mental health among children, young people and adults, without prejudice to the generality of the foregoing by the provision of:

- a) *therapeutic support to children and young people in schools;*
- b) *support to families and carers of such children;*
- c) *training for teachers and support staff to enable them to identify and address issues of mental health in schools; and*
- d) *therapeutic support for persons suffering from bereavement or loss.*

Our primary objective for the year was to develop a high-quality offer of dramatherapy that would work with primary schools to provide a timely and targeted intervention for children exhibiting concerns about their mental health and well-being.

To deliver our objective we have commissioned a team of experienced dramatherapists, each qualified to Master's degree level and regulated by the Health and Care Professions Council. We have ensured that all have up-to-date training in safeguarding.

In setting objectives and planning for activities, the trustees have given due consideration to general guidance published by the charity commission relating to public benefit and in particular to its supplementary public benefit guidance.

Achievement and performance

This has been a particularly challenging year. The COVID 19 pandemic became prevalent at the start of 2020 and was relentless over the following months. Schools had to adjust quickly

with children staying at home and engaging in on-line learning. Our therapists had to similarly adjust and develop working practices that enabled them to continue to provide a service to children and their families. The increase in poor mental health of children who adversely impacted by the Coronavirus restrictions presented an additional challenge to us. We are grateful to the City Bridge Trust who stepped in to provide the much-needed additional resource that enabled us to provide a significant number of children with computer tablets to engage in on-line therapy. Additional safeguarding measures were put in place to ensure e-safety.

Financial review

This is the charity's third year of operation and the trustees have looked to ensure that programmes are capable of providing a high quality intervention that is valued by schools and affordable. Contracts with schools, an additional grant-funding, has ensured that finance has been available to commission therapists to deliver our objectives. Sound financial management has enabled the charity to once again generate a small surplus at the end of the year.

Principal funding sources

Our funding this year has been through contracts with schools and with the additional grant funding provided by the City Bridge Trust.

Reserves policy

The trustees have considered the need for reserves in light of the main risks to the organisation. Therapists are engaged on contracts for service and as such are not employees. Each contract for service is aligned to a school contract. This approach means that financial risks are mitigated and the need to hold significant reserves to deal with any liabilities is unnecessary. However, the trustees are keen to build reserves in order that they can use these for any short-term work with children that schools are unable to fund.

Details of Any Funds Materially in Deficit

The trustees declare that the charity had no funds which were materially in deficit at the date of the statement of assets & liabilities.

Going Concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. The charity has taken account of the impact of the COVID-19 pandemic on assessing its sufficiency of resources.

Structure, governance and management

Governing Document and Constitution

The charity is a company limited by guarantee and is governed by its Articles of Association. Its trustees are its members. The liability of each member is limited to £10. The Articles prescribe that the number of trustees shall be not less than three but are not subject to any maximum.

Method of selection and appointment of trustees

The first trustees are those notified to Companies House as the first trustees of the charity. Any person who is willing to act as a trustee and is permitted by law and the Articles to do so, may be appointed to be a trustee by ordinary resolution or a decision of the Trustees. Apart from the first trustees, every trustee shall be appointed for an initial term of three years, renewable for a second term of three years.

Trustees Responsibilities statement

The Trustees (who are also directors of BENNU for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees on 23 December 2021 and signed on their behalf by:

Independent Examiners Report

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
