Activities and Objectives

The planned activities for the Charity were the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life. A planned revision of the specific objectives will be submitted.

Due to ongoing circumstances the planned work of the CIO has continued to be on pause as many of the activities will have a focus on social and community inclusion which has been more difficult during the pandemic and with subsequent leave within the small board of Trustees in place.
