

Good evening and welcome to Gateshead musical theatre AGM.

This past 2 years has been very hard and challenging for GMTC as a society.

Before all of that I would just like to say how proud I was as chairman of our junior section that put on an excellent and successful production of SpongeBob. I just want to say what an amazing show this was and the talent that was on that stage was second to none.

Unfortunately after SpongeBob we had to make a decision to cancel our adult production of dirty rotten scoundrels. This was a decision that was not taken lightly. Meaning that we have not had an adult production since Addams family which I might say was fantastic and even had me falling in love with the moon.

Moving forward With a new Committee I am really looking forward to working with them if re elected as chairman to help get GMTC back on the map and back to the excellent standard of shows that our society puts on. Yes this will be hard work to get more members for our adult society and to get junior members back but hopefully this will be the start with our next junior production of chitty.

During this year our treasurer Julie decided to step down due to personal reasons. Meaning we were left without a treasurer. As you can see the accounts that have been provided were for the previous year and we are working a year behind as the current year's accounts were not done. I do apologize for this as this is not how I would like the society to be known. I and the committee are currently going through the accounts to try and get this year brought up to date. Once these have been completed and audited I will get copies sent over to all members to bring them up to date with the current finances.

I would like to take this opportunity to thank Julie for her many years as treasurer and ticket booking secretary and wish her all the best moving forward.

I wish I could of brought some better news to this AGM with account updates and how much profit we made on the last shows etc. unfortunately this was not possible, but I will endeavor to try and get this information to you ASAP.

On a brighter note we have the junior show coming up which I'm sure will be another GMTC spectacular production. I look forward to working the with children on this show and hope to sell lots of tickets and fly that car high.

**Gateshead Musical Theatre Company**
