## TRUSTEES' REPORT

### FOR THE YEAR ENDED 31 DECEMBER 2025

---

The trustees present their annual report and financial statements for the year ended 31 December 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

#### **Objectives and activities**

The object of the charity is to promote and protect the physical and mental health of sufferers of sarcoma in the United Kingdom through provision of financial assistance, support and education.

#### *Public benefit*

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

#### **Achievements and performance**

The past year was very positive for Ed's Foundation and we have made some major progress towards putting in place the steps that will lead to finding a cure for Clear Cell Sarcoma (CCS).

In February we passed the landmark of having raised over £1,000,000 and have now reset this target to raise a further million pounds.

This was a brief moment to reflect on achieving a milestone which we could not have envisaged reaching when we formed Ed's Foundation. It goes without saying this could not have been achieved without the kindness and generosity of others.

Ed wanted his life to make a difference and the reason for setting-up the Foundation was to try and achieve this on his behalf, by finding an effective treatment and ultimately a cure for Clear Cell Sarcoma (CCS), which we now feel is within reach.

The money that we are raising is funding the Edward Showler Foundation CCS Research Programme at the Cancer Institute at University College London (UCL). The funds provided have supported this programme and have also been a catalyst for other charities to invest directly into the programme through UCL; Sarcoma UK, The Jean Shanks Foundation, Transcend Sarcoma and others, which would not have happened without the Foundation having invested first.

In January we received the first of two instalments of a gift of €100,000 from a private donor. This has been used to fund a laboratory technician to collect CCS tissue samples of the gastrointestinal tract (GI). This has extended the scope of the programme and will increase our understanding of CCS of the GI and differentiate this type of CCS from CCS of the soft tissue. This will lead to a better understanding and possibly to treatments that specifically target this variant of the disease.

We also wanted to raise awareness of CCS and have taken every opportunity to do this. Perhaps not surprisingly, most people don't even know what Sarcoma is so why should they know about an ultra- rare sub-type of the disease.

Notwithstanding, we have raised awareness, particularly in the scientific and medical community and have helped to galvanise research being undertaken in different laboratories across Europe and the UK to be aware of each other. This of course could not have happened without the willingness of others to collaborate in order to achieve the greater good.

# THE EDWARD SHOWLER FOUNDATION

## TRUSTEES' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 DECEMBER 2025

---

#### Achievements and performance (continued)

UCL have established a network of institutions who are now sharing CCS research which include; the West German Cancer Centre (Essen), the German Cancer Research Centre (Heidelberg), VIB-KU Center for Cancer Biology (Leuven, Belgium), University of Zurich (Switzerland), The Institute for Cancer Research at the Royal Marsden Hospital (London), Gustave Roussy (Paris), The Christie (Manchester), Institute Curie (Paris), Biopicka Laboratory (Czech Republic), Cork University Hospital (Ireland), and the Medical University of Graz (France).

When we started this journey there had been little research into the causes and drivers of CCS and the principal aim of the research programme was to better understand these processes, before moving on to the next stage of identifying targets for treatment, developing or repurposing drugs and supporting clinical trials.

Most of the initial aims have now been achieved thanks to the dedicated work of Professor Nischalan Pillay and his team at the Sarcoma Genomics Lab at UCL - Christie, Akanksha, Leo, Tom and Sidi and others.

The genes usually involved in CCS are EWSR1 and ATF1, which fuse together incorrectly in what is known as a translocation. In very rare cases there are other gene fusions but EWSR1 is always involved. The research has confirmed this mutation through genetically sequencing the large batch of CCS tissue samples collected so far.

The ongoing analysis of these samples, using various techniques, some of which are so novel they were not available when we started the Programme, is helping to further understand the disease and what controls its growth and development.

UCL are looking at protein degraders that will destroy the EWSR1: ATF1 fusion by specifically targeting the ATF1 gene product.

Towards the end of last year, a group of scientists and clinicians from UCL, the University of Duisburg-Essen and the German Cancer Research Centre in Heidelberg, formed a CCS working group and have been collaborating on CCS research and sharing information. We are particularly indebted to Professor Sebastian Bauer, Dr Priya Chudasama, Dr Dawid Kreciesa and Professor Nischalan Pillay for their time and commitment to this effort.

Arising from this collaboration was the first ever international Clear Cell Sarcoma Workshop, which was held at the Royal Society of Medicine in London on the 17th and 18th September and was jointly hosted by UCL and the Edward Showler Foundation.

The Workshop gave the chance for CCS scientists, researchers, clinicians and patients to meet.

The first day of the Workshop was specifically for patients and patient advocates to exchange experiences and to discuss their disease with some of the top Sarcoma clinicians in Europe. It was also an opportunity to shape the direction of future research, a vital component informing the proceedings of the second day of the Workshop, which was for scientists, researchers and clinicians from the UK, Europe and the US, to discuss different approaches to future CCS research.

Nearly 30 scientists attended and they were invited to give presentations on different aspects of CCS, covering a range of themes from its biology, therapeutic discoveries and details of preclinical trials and translational research.

Following the Workshop, a Roadmap for the direction of CCS research has been produced which will shape the future programme of work and where it will be undertaken with international collaboration being central to how this moves forward.

A few weeks after the Workshop, the Foundation for the National Institute of Health (FNIH) in the US, announced its ULTRA Programme had selected CCS and another sarcoma, from over 250 rare cancers, on which to focus their future research efforts. The FNIH seeks to form public-private partnerships to accelerate biomedical research and has raised over \$1.5 billion dollars since it was founded in 1990.

# **THE EDWARD SHOWLER FOUNDATION**

## **TRUSTEES' REPORT (CONTINUED)**

### **FOR THE YEAR ENDED 31 DECEMBER 2025**

---

#### **Achievements and performance (continued)**

They selected CCS because they considered it had a mutation that is targetable, and due to the limited number of patients affected, it is unlikely pharmaceutical companies will specifically invest to find a cure.

On a final note, in respect of CCS therapies, there is an upcoming drug trial for metastatic CCS patients (SARC 045), which is due to start recruiting in early 2026. We mention this as a trial for a drug specifically targeting CCS is rare.

The trial drug, called Kimmtrak, is being provided by Immunocore, a UK based pharmaceutical company. The trial will recruit in centres in the US and at the Royal Marsden Hospital (RMH) in London. We are in contact with the RMH to provide assistance in recruiting patients for the trial.

Progress is also being made on the doctor / patient communications research we are funding with Cambridge University. Arjun Kingdom, who is undertaking the research on a part time basis over 4-years, has completed his first year. Arjun has collected large amounts of data and has started analysing this and some very interesting findings are already emerging. The intention is to get the findings of this research integrated into medical training and Arjun has already had discussions with the Department of Health and Social Care about a "patient centred" approach to treatment.

We donated a further £5,000 to the Willow Foundation to support days out for terminally ill young adults. We have now donated £35,500 to Willow.

Finally, we would like to thank everyone who has ran, swam, walked, held an event or otherwise punished themselves to raise money for Ed's Foundation. You are amazing!

#### **Financial review**

The net incoming resources totalled £16,225 surplus.

#### **Structure, governance and management**

A Board of Trustees of up to six members meet regularly to administer the Charity.

The charity's constitution was adopted on 21 December 2018.

Trustees are appointed annually at the Annual General meeting.

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr J J Showler  
Mrs E J Showler  
Dr C D Paluch  
Mr M R Fraser  
Ms K M Hamilton  
Dr C N Atkins

# **THE EDWARD SHOWLER FOUNDATION**

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

### **FOR THE YEAR ENDED 31 DECEMBER 2025**

---

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# THE EDWARD SHOWLER FOUNDATION

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE EDWARD SHOWLER FOUNDATION

---

I report to the trustees on my examination of the financial statements of The Edward Showler Foundation (the charity) for the year ended 31 December 2025.

#### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 DECEMBER 2025

---

#### 1 Accounting policies

##### Charity information

The Edward Showler Foundation is a public benefit entity and registered charity in England and Wales and is unincorporated. The address of the principal office is The Well House, Sextries Farm, Church Lane, Nackington, Canterbury, Kent, CT4 7AF.

##### 1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

##### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

# THE EDWARD SHOWLER FOUNDATION

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2025

---

### 1 Accounting policies

(Continued)

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### ***Basic financial assets***

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### ***Basic financial liabilities***

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### ***Derecognition of financial liabilities***

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

#### 1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

# THE EDWARD SHOWLER FOUNDATION

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2025

### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

|                                                                                    | <u>1,134</u> | <u>1,140</u> |

### 9 Trustees

None of the trustees (or any persons connected with them) received any remuneration or benefits from the charity during the year.

# THE EDWARD SHOWLER FOUNDATION

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2025

### 10 Employees

The average monthly number of employees during the year was:

|       | 2025<br>Number | 2024<br>Number |
|-------|----------------|----------------|
| Total | -              | -              |

There were no employees whose annual remuneration was more than £60,000.

### 11 Other expenditure

|                 | Unrestricted<br>funds<br>2025<br>£ | Unrestricted<br>funds<br>2024<br>£ |
|-----------------|------------------------------------|------------------------------------|
| Financing costs | 562                                | 562                                |

### 12 Taxation

The charity is exempt from taxation on its activities because all its income is applied for charitable purposes.

### 13 Creditors: amounts falling due within one year

|                              | 2025<br>£ | 2024<br>£ |
|------------------------------|-----------|-----------|
| Accruals and deferred income | 1,163     | 1,140     |

### 14 Restricted funds

The restricted funds of the charity comprise the unexpended balances of donations and grants held on trust subject to specific conditions by donors as to how they may be used.

|          | At 1 January<br>2025<br>£ | Resources<br>expended<br>£ | At 31<br>December<br>2025<br>£ |

## TRUSTEES' REPORT

### FOR THE YEAR ENDED 31 DECEMBER 2024

---

The trustees present their annual report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

#### **Objectives and activities**

The object of the charity is to promote and protect the physical and mental health of sufferers of sarcoma in the United Kingdom through provision of financial assistance, support and education.

#### *Public benefit*

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

# **THE EDWARD SHOWLER FOUNDATION**

## **TRUSTEES' REPORT (CONTINUED)**

### **FOR THE YEAR ENDED 31 DECEMBER 2024**

---

#### **Achievements and performance**

Edward Showler was a doctor working at the Royal Free Hospital in London when in 2016 he was diagnosed with metastatic Clear Cell Sarcoma. Ed sadly died just 8 months later at the age of 28.

Sarcomas are rare types of cancer that affect connective tissue and bone. Clear Cell Sarcoma is a very rare sub-type that mainly affects young adults in their 20's and 30's. For patients diagnosed with Clear Cell Sarcoma the outlook is often poor as little is known about the disease.

The Edward Showler Foundation is a registered charity that was set up by Ed's family and friends in his memory.

The Foundation has continued to pursue its aims of supporting research into Clear Cell Sarcoma, promoting better doctor patient communications, with an emphasis on end of life care and support life enhancing experiences for seriously ill young adults.

The work of the Foundation is supported by gifts received from donors either directly or in the support of charity events.

The Foundation has set a target of raising £1,500,000. At the end of March 2025 it has raised over £1,000,000.

The Foundation is a voluntary-run charity that has almost zero overheads and has strong governance, through a young and talented board of trustees. We aim to use all the monies raised to fund the specific aims of the Foundation (rather than being spent on administration) and have continued to be successful in achieving this. On request, we will ring fence donations to be used specifically for Clear Cell Sarcoma research.

The main thrust of the Foundation's work is in supporting research into Clear Cell Sarcoma, through a programme into the genomic causes and drivers of the disease, being undertaken at the Cancer Institute at University College London by a team under the supervision of Dr Nischalan Pillay.

The programme is now in its fourth year and has collected a large sample (for such a rare disease) of Clear Cell Sarcoma tissue samples from the bio bank at the Royal National Orthopaedic Hospital and from other sarcoma centres across the UK and Europe. Many of these have been genomically sequenced and analysed to better understand the causes and drivers of the disease.

The Foundation has recently agreed an extension to this research work, which is being part funded by a grant of £120,000 from Sarcoma UK. This further work will fund a PhD studentship, will involve collaboration with Oxford University on cutting edge single cell sequencing of Clear Cell Sarcoma cells and will have a drug component element using a new class of drug called PRODAX and other protein degraders.

To further our aim of promoting better doctor patient communications we are part fund a PhD studentship at Cambridge University in doctor patient communications, with an emphasis upon end of life care. The successful application is a consultant in Palliative Care and will take up his part time post under the supervision of a very strong panel of experts in the field drawn from Cambridge University and University College London.

To support life-enhancing experiences for seriously ill young adults we give an annual donation of £5,000 to the Willow Foundation. To date we have given a total of £30,500 to help Willow to continue the excellent work they do.

#### **Financial review**

The net incoming resources totalled £96,651 surplus.

# THE EDWARD SHOWLER FOUNDATION

## TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

---

### Structure, governance and management

A Board of Trustees of up to six members meet regularly to administer the Charity.

The charity's constitution was adopted on 21 December 2018.

Trustees are appointed annually at the Annual General meeting.

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr J J Showler

Mrs E J Showler

Dr C D Paluch

Mr M R Fraser

Ms K M Hamilton

Dr C N Atkins

The trustees' report was approved by the Board of Trustees.

.....  
Mr J J Showler

**Trustee**

Date: .....

# **THE EDWARD SHOWLER FOUNDATION**

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

### **FOR THE YEAR ENDED 31 DECEMBER 2024**

---

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## INDEPENDENT EXAMINER'S REPORT

### TO THE TRUSTEES OF THE EDWARD SHOWLER FOUNDATION

---

I report to the trustees on my examination of the financial statements of The Edward Showler Foundation (the charity) for the year ended 31 December 2024.

#### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn. I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

David Crombie FCA (Independent Examiner)

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31 DECEMBER 2024

---

#### 1 Accounting policies

##### Charity information

The Edward Showler Foundation is a public benefit entity and registered charity in England and Wales and is unincorporated. The address of the principal office is The Well House, Sextries Farm, Church Lane, Nackington, Canterbury, Kent, CT4 7AF.

##### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a statement of cash flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

##### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

##### 1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

# THE EDWARD SHOWLER FOUNDATION

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

---

### 1 Accounting policies

(Continued)

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

#### 1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

##### ***Basic financial assets***

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

##### ***Basic financial liabilities***

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

##### ***Derecognition of financial liabilities***

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

#### 1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

# THE EDWARD SHOWLER FOUNDATION

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

### 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

## Trustees' Annual Report

### Year ended 31 December 2023

---

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 December 2023.

#### Reference and administrative details

**Registered charity name** THE EDWARD SHOWLER FOUNDATION

**Charity registration number** 1181330

**Principal office** The Well House  
Sextries Farm  
Church Lane  
Nr Nackington  
Canterbury, Kent  
CT4 7AF

#### The trustees

Mr C Atkins  
K Hamilton  
Dr C D Paluch  
Mrs E J Showler  
Mr J J Showler  
Mr M R Fraser

**Independent examiner** David Crombie FCA (Independent Examiner)  
4 Bloors Lane  
Rainham  
Gillingham  
Kent  
ME8 7EG

#### Structure, governance and management

A Board of Trustees of up to six members meet regularly to administer the Charity.

The Charity's constitution was adopted on 21 December 2018.

Trustees are appointed annually at the Annual General Meeting.

#### Objectives and activities

The object of the charity is to promote and protect the physical and mental health of sufferers of sarcoma in the United Kingdom through provision of financial assistance, support and education.

During 2021 the Charity entered into a partnership with the Cancer Institute at University College London to undertake a programme of ground breaking research into the causes and drivers of Clear Cell Sarcoma by genomically sequencing Clear Cell Sarcoma tissue samples held at the RNO Hospital and from other sarcoma centres in the UK and abroad. The Charity is funding this 4-year programme and entered into a gift agreement with University College London. A drawdown of £75,390 was made during the year, under the terms of the agreement made in December 2021.

# THE EDWARD SHOWLER FOUNDATION

## Trustees' Annual Report *(continued)*

### Year ended 31 December 2023

---

A donation of £5,000 was made to the Willow Foundation, a charity that provides experience and fun days out for terminally ill young adults. This is the fifth such payment to Willow.

#### **Achievements and performance**

During the period the Charity has continued to carry out its objectives.

The unrestricted reserves of the Charity are available to carry out its objectives and no restriction is placed on the use of these reserves.

The Charity has set up a separate research bank account, which is a restricted reserve, which would receive funds from other charitable entities and individuals who specifically wanted their donations to be used only for research.

#### **Financial review**

The net incoming resources totalled £96,651 surplus.

#### **Going Concern**

The Trustees have considered whether it is appropriate to prepare the Charity's financial statements on a going concern basis. In doing so it has considered the following:

- the substantial assets of the Charity.
- the discretionary nature of the grants awarded, and the prudent nature of the commitments given by the Charity to its beneficiaries.

The Trustees have a reasonable expectation that the Charity will continue to operate and to meet its liabilities as they fall due over the period of their assessment.

In the opinion of the Trustees, it is appropriate to prepare the Charity's financial statements for the year ended 31 December 2023 on a going concern basis. Furthermore, they have identified no material uncertainties surrounding the Charity's ability to continue to operate as a going concern during a period of at least twelve months from the date of approval of the financial statements.

#### **Trustees' responsibilities statement**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
  - observe the methods and principles in the applicable Charities SORP (FRS 102);
-

# THE EDWARD SHOWLER FOUNDATION

## Trustees' Annual Report *(continued)*

Year ended 31 December 2023

---

- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' annual report was approved on 9/4/24 and signed on behalf of the board of trustees by:

Mr J J Showler  
Trustee

## Independent Examiner's Report to the Trustees of The Edward Showler Foundation

**Year ended 31 December 2023**

---

I report to the trustees on my examination of the financial statements of The Edward Showler Foundation ('the charity') for the year ended 31 December 2023.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

David Crombie FCA (Independent Examiner)  
Independent Examiner

## Notes to the Financial Statements

Year ended 31 December 2023

---

### 1. General Information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is The Well House, Sextries Farm, Church Lane, Nackington, Canterbury, Kent, CT4 7AF.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue. -

#### Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

### 3. Accounting policies *(continued)*

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

### 3. Accounting policies *(continued)*

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Financial Instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

#### Structure, governance and management

A Board of Trustees of up to seven members meet regularly to administer the Charity.

The Charity's constitution was adopted on 21 December 2018.

Trustees are appointed annually at the Annual General Meeting.

#### Objectives and activities

The object of the charity is to promote and protect the physical and mental health of sufferers of sarcoma in the United Kingdom through provision of financial assistance, support and education.

During the year the Charity continued its partnership with the Cancer Institute at University College London to undertake a programme of ground-breaking research into the causes and drivers of Clear Cell Sarcoma by genomically sequencing Clear Cell Sarcoma tissue samples held at the RNO Hospital and from other sarcoma centres in the UK and abroad. The Charity is funding this 4-year programme and entered into a gift agreement with University College London. During the year the charity donated £211,256, under the terms of the agreement.

A donation of £5,000 was made to the Willow Foundation, a charity that provides experience and fun days out for terminally ill young adults. This is the fourth such payment to Willow.

# **THE EDWARD SHOWLER FOUNDATION**

## **Trustees' Annual Report**

**Year ended 31 December 2022**

---

### **Achievements and performance**

During the period the Charity has continued to carry out its objectives.

The unrestricted reserves of the Charity are available to carry out its objectives and no restriction is placed on the use of these reserves.

The Charity held a separate research bank account, which is a restricted reserve, which would receive funds from other charitable entities and individuals who specifically wanted their donations to be used only for research.

### **Financial review**

The net incoming resources totalled £127,202 deficit.

### **Going Concern**

The Trustees have considered whether it is appropriate to prepare the Charity's financial statements on a going concern basis. In doing so it has considered the following:

- the substantial assets of the Charity.
- the discretionary nature of the grants awarded, and the prudent nature of the commitments given by the Charity to its beneficiaries.

The Trustees have a reasonable expectation that the Charity will continue to operate and to meet its liabilities as they fall due over the period of their assessment.

In the opinion of the Trustees, it is appropriate to prepare the Charity's financial statements for the year ended 31 December 2022 on a going concern basis. Furthermore, they have identified no material uncertainties surrounding the Charity's ability to continue to operate as a going concern during a period of at least twelve months from the date of approval of the financial statements.

### **Trustees' responsibilities statement**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
  - observe the methods and principles in the applicable Charities SORP (FRS 102);
  - make judgments and accounting estimates that are reasonable and prudent;
-

# THE EDWARD SHOWLER FOUNDATION

## Trustees' Annual Report

Year ended 31 December 2022

---

- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

The trustees' annual report was approved on 19/07/23 and signed on behalf of the board of trustees by:

Mr. J. Showler  
Trustee

## Independent Examiner's Report to the Trustees of The Edward Showler Foundation

**Year ended 31 December 2022**

---

I report to the trustees on my examination of the financial statements of The Edward Showler Foundation ('the charity') for the year ended 31 December 2022.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

David Crombie FCA (Independent Examiner)

## Notes to the Financial Statements

Year ended 31 December 2022

---

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is The Well House, Sextries Farm, Church Lane, Nackington, Canterbury, Kent, CT4 7AF.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

# THE EDWARD SHOWLER FOUNDATION

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

---

### 3. Accounting policies *(continued)*

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- Income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

# THE EDWARD SHOWLER FOUNDATION

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

---

### 3. Accounting policies *(continued)*

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Financial Instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

### Structure, governance and management

A Board of Trustees of up to seven members meet regularly to administer the Charity.

The Charity's constitution was adopted on 21 December 2018.

Trustees are appointed annually at the Annual General Meeting.

### Objectives and activities

The object of the charity is to promote and protect the physical and mental health of sufferers of sarcoma in the United Kingdom through provision of financial assistance, support and education.

During the year the Charity entered into a partnership with the Cancer Institute at University College London to undertake a programme of ground-breaking research into the causes and drivers of Clear Cell Sarcoma by genomically sequencing Clear Cell Sarcoma tissue samples held at the RNO Hospital and from other sarcoma centres in the UK and abroad. The Charity is funding this 4-year programme and entered into a gift agreement with University College London in the summer and the first drawdown of £173,698, under the terms of this agreement, was made in December 2021.

A donation of £5,000 was made to the Willow Foundation, a charity that provides experience and fun days out for terminally ill young adults. This is the third such payment to Willow.

---

# **THE EDWARD SHOWLER FOUNDATION**

## **Trustees' Annual Report**

**Year ended 31 December 2021**

---

### **Achievements and performance**

During the period the Charity has continued to carry out its objectives.

The unrestricted reserves of the Charity are available to carry out its objectives and no restriction is placed on the use of these reserves.

During the year the Charity set up a separate research bank account, which is a restricted reserve, which would receive funds from other charitable entities and individuals who specifically wanted their donations to be used only for research.

### **Financial review**

The net incoming resources totalled £84,608 surplus.

### **Going Concern**

The Trustees have considered whether it is appropriate to prepare the Charity's financial statements on a going concern basis. In doing so it has considered the following:

- the substantial assets of the Charity.
- the discretionary nature of the grants awarded, and the prudent nature of the commitments given by the Charity to its beneficiaries.

The Trustees have a reasonable expectation that the Charity will continue to operate and to meet its liabilities as they fall due over the period of their assessment.

In the opinion of the Trustees, it is appropriate to prepare the Charity's financial statements for the year ended 31 December 2021 on a going concern basis. Furthermore, they have identified no material uncertainties surrounding the Charity's ability to continue to operate as a going concern during a period of at least twelve months from the date of approval of the financial statements.

### **Trustees' responsibilities statement**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
  - observe the methods and principles in the applicable Charities SORP (FRS 102);
  - make judgments and accounting estimates that are reasonable and prudent;
-

## Trustees' Annual Report

Year ended 31 December 2021

---

- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

The trustees' annual report was approved on 13/09/22 and signed on behalf of the board of trustees by:

Mr J J Showler  
Trustee

## Independent Examiner's Report to the Trustees of The Edward Showler Foundation

**Year ended 31 December 2021**

I report to the trustees on my examination of the financial statements of The Edward Showler Foundation ('the charity') for the year ended 31 December 2021.

### **Responsibilities and basis of report**

As the trustees of the charity, you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

David Crombie FCA  
Independent Examiner

## Notes to the Financial Statements

Year ended 31 December 2021

---

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is The Well House, Sextries Farm, Church Lane, Nackington, Canterbury, Kent, CT4 7AF.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. Its financial statements are consolidated into the financial statements of (enter name of group financial statements) which can be obtained from (enter detail). As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

- (a) No cash flow statement has been presented for the company.
- (b) Disclosures in respect of financial instruments have not been presented.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

# THE EDWARD SHOWLER FOUNDATION

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2021

---

### 3. Accounting policies *(continued)*

#### Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

# THE EDWARD SHOWLER FOUNDATION

## Notes to the Financial Statements *(continued)*

Year ended 31 December 2021

### 3. Accounting policies *(continued)*

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Financial Instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.
