October 2021 Update

Due to the nature of our work, the ongoing restrictions around personal interaction has resulted in our attempts to raise money and to provide assistance drawing to a halt.

The trustees hope to resume activities as soon as possible.

October 2022.

Despite the easing of restrictions following the COVID pandemic, our attempts to raise money and to provide assistance has continued to prove difficult. Work is going on to increase the momentum and as such the trustees hope to pick things up as quickly as possible.

October 2023.

It has been another slow year for the DKF which continues to be impacted by the after effects of COVID as we are restricted from doing much of our work as potential beneficiaries are amongst the most vulnerable in society.

Work is going on to increase the momentum and as such the trustees hope to pick things up as quickly as possible.
