Financial review

Income from corporate subscriptions increased during 2024 by raising income from individual subscriptions and philanthropic donations. The fund inflow was £140,295 (2023: £234,949).

Plans for future periods

The Trustees plan to continue to expand the reach and activities of the charity in 2025. Reserves will be maintained at a prudent level consistent with that growth.

Trustees' responsibilities statement

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to Trustees of Ignite Life

Year ended 31 December 2024

I report on the financial statements of the Charitable Company for the year ended 31 December 2024, which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes numbers 1 to 8.

Respective responsibilities of Trustees and Examiner

The charity's Trustees (and the Directors of the Company for the purposes of company law) are responsible for the preparation of the financial statements. The charity's Trustees consider that an audit is not required for this year (under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements (under section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners. (under section 145(5) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that, in any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act and section 386 of the Companies Act 2006; and
- to prepare financial statements which accord with the accounting records, comply with the accounting requirements of the 2011 Act, section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Notes to the Financial Statements Year ended 31 December 2024

1. General information

This charity was registered on 03/01/2019 (Number 1181408). The address of the registered office Unit 6 Bridge Road Kingswood Bristol, BS15 4FW.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the Accrual basis.

The financial statements are prepared in sterling, which is the functional currency of the entity and rounded to the nearest £.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Funds held by the charity are either:

Unrestricted funds - these are funds which can be used in accordance with the charitable objects at the discretion of the Trustees, of which some are designated for specific purposes, but not irrevocably.

Restricted funds - these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor. These funds are either endowments (capital base maintained) or restricted income (the entire fund may be used for the restricted purpose).

Fixed assets

Fixed assets are stated at cost less accumulated depreciation. Depreciation is charged to the income and expenditure account over 5 years using the straight-line method.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.

3. Accounting policies *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

We have based our projections for the appropriate number of reserves we require on the basis of estimated running costs for 3 months. However, we operate on a model which makes no financial commitment until funding is secured, therefore, our risk is relatively low in terms of an unforeseen drop in income.
