LCI MD105 BRAIN TUMOUR & PAEDIATRIC CANCER FOUNDATION

TRUSTEES' REPORT

FOR THE YEAR ENDED 30 JUNE 2021

The trustees presents its annual report and financial statements for the year ended 30 June 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The objects of the Foundation are the relief of sickness and preservation and protection of health by:

1. Supporting research into brain tumours and paediatric cancers and the dissemination of the useful results of such research for the public benefit
2. Providing or assisting in the provision of laboratories and equipment for the purposes of brain tumour and paediatric cancer research
3. Relieving the needs and helping young people suffering from a brain tumour or paediatric cancer
4. Working with charities and other organisations to support individuals, children and families affected by a brain tumour or paediatric cancer

Public benefit

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning its future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

The trustees has paid due regard to guidance issued by the Charity Commission in deciding what activities the should undertake.

LCI MD105 BRAIN TUMOUR & PAEDIATRIC CANCER FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2021

Achievements and performance

Charitable activities

Having obtained Charity registration, in January 2019, the Foundation was formally launched at the Annual Convention of Lions Clubs International in the British Isles held in Swansea in May 2019.

A five-year programme was approved by the Trustees to raise £1 Million, year two of that programme started on 1st July 2020 and ran to 30th June 2021.

On the 26th July 2019 The Trustees entered into a Partnership Agreement between Lions Clubs International of the British Isles and Brain Tumour Research, acknowledging that Brain Tumours are indiscriminate. What's more, they kill more children and adults under the age of 40 than any other cancer. Together, we are determined to change this through a partnership to positively impact and improve the lives of children affected by brain tumours.

Following its discovery in late 2019 as a new strain of coronavirus disease, COVID-19 developed into a worldwide pandemic resulting in severe restrictions on social interactions being imposed by authorities around the world. These restrictions have resulted in a significant reduction in economic activity.

The changes that were implemented, because of the coronavirus threat, led to the closing down of many parts of society; Lions Clubs and individual members were not immune from these changes.

Achievement and performance was severely blunted during the year due to the effects of the Covid pandemic and legislation that resulted in severe restrictions on social interactions.

We are indebted to those Lions Clubs and individuals who continued to support the Appeal in the most trying of times, however, income generated and received has been well short of expectations, as a direct consequence. We are especially grateful to Gemma Driscoll, Debbie Prior and Christine Wilson who designated the Foundation as their 'Partner's Appeal' during 2020-21, generating funds and highlighting the aims of the Foundation.

I am pleased to acknowledge the hard work, dedication and commitment of those individuals who have worked to bring us to this point. We are very much aware, from the stories we have been told by Lions from across the British Isles that, every day, lives are being devastated and many people are living without hope.

We are determined to contribute to changing this: we have accepted the challenge, though do not underestimate its magnitude in the post Covid-19 world.

Fundraising activities

Recent years have been challenging for the entire charity sector, with ongoing austerity, wider financial uncertainty, increased media scrutiny, new regulations and high-profile allegations of misconduct. We want to be a leader in good fundraising practice, ensuring our supporters are treated fairly and with respect.

LCI MD105 BRAIN TUMOUR & PAEDIATRIC CANCER FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2021

Financial review

The finances of the trust operated on a sound basis through previously established bank accounts. Income and donations, in the second year of operations, totalled £50,512.

During the year, the trust maintained a tight control over its cashflow and projected expenditure. The Trustees are acutely aware of the financial risks and review the cash flow at least monthly.

At the year end the reserves consisted of restricted funds totalling £51,551 and unrestricted general fund of £9,967 .

Reserves policy

The Trustees are required to set a policy regarding the reserves requirements in order to help ensure sustainability of the charity in the event that income decreases, to ensure that costs can continue to be met and the charity continue with its day-to-day activities with limited disruption. The Trustees would endeavour to maintain 3 - 6 months' worth of running costs within general funds, however, the first two years operations cannot be considered 'typical' years, the level of ongoing costs required needs to be established. Once this level is set the Trustees will endeavour to set reserves at this amount, after accounting for restricted funds held and anything above this level can then be paid out as grants, unless ringfenced for other purposes.

Plans for future periods

As noted above the charity will continue with its five year programme.

Structure, governance and management

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The members of the trustees who served during the year and up to the date of signature of the financial statements were:

Mr P N Burnett

Mr G M A Leeder

Ms L C Picton

Mr P C Nathan MBE

Mr G P Goodier

Mr D J Reynolds

Mr N P Martin

(Appointed 1 July 2021)

Recruitment and appointment of new trustees

1.1 Apart from the first charity trustees, every appointed trustee will be appointed for a term not exceeding four years by a resolution passed at a properly convened meeting of the charity trustees.

1.2 In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

1.3 Before appointing any trustees, the charity trustees for the time being must obtain the prior written approval to the proposed appointments from the Council Chairman (or the person acting as Council Chairman for the time being).

LCI MD105 BRAIN TUMOUR & PAEDIATRIC CANCER FOUNDATION

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2021

Decision making

The Trustees will seek to develop a professional, well managed and proactive charity in line with good business practice.

Trustees oversee governance, agree strategy and the direction of the Charity, they approve financial accounts, budgets and reserves and approve research grants and risk management policies.

The Trustees actively review the major risks that the Foundation faces and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The Trustees examine operational and business risks faced by the Foundation and confirm that these are kept under regular review.

The trustees' report was approved by the Trustees.

Mr R C Nathan MBE

Date: 13/04/2022.

LCI MD105 BRAIN TUMOUR & PAEDIATRIC CANCER FOUNDATION

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF LCI MD105 BRAIN TUMOUR & PAEDIATRIC CANCER FOUNDATION

I report to the trustees on my examination of the financial statements of LCI MD105 Brain Tumour & Paediatric Cancer Foundation (the) for the year ended 30 June 2021.

Responsibilities and basis of report

As the trustees of the you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the 's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

LCI MD105 BRAIN TUMOUR & PAEDIATRIC CANCER FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2021

1 Accounting policies

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's governing document, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The is a Public Benefit Entity as defined by FRS 102.

The has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £1.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees has a reasonable expectation that the has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the .

1.4 Income

Income is recognised when the is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

LCI MD105 BRAIN TUMOUR & PAEDIATRIC CANCER FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2021

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.7 Financial instruments

The has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the 's balance sheet when the becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.
