

Word International Ministry Annual Report:17/05/2023

The purpose for our charity is to help the disadvantaged individuals across England and in Africa, Zimbabwe.

During the past year we have not done much in Zimbabwe, we are only meeting for religious gatherings in our local community here in England Bournemouth due to lack of funding and having no enough donors.

We are gathering every Sunday afternoon for our worship and prayers. We are then feeding all those who attend with hot meals after our meeting.
