Objectives and Activities

In brief the purposes of the charity as set out in the governing document are

The prevention or relief of poverty and support for those in need, by reason of youth, age, ill-health, disability, financial hardship or other disadvantage, within a Christian ethos.

To further or benefit the residents of Wythenshawe and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions by associating together the said residents and the local authorities, voluntary

and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life of the residents, within a Christian ethos.

To promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society, within a Christian ethos.

Public benefit

Our support activities are centred on developing and strengthening local communities in their efforts to address their individual and wider community needs, including responding to poverty. The charity helps build the capacity of groups and individuals and the activities outlined in this report demonstrate the public benefit. This is in line with Charity Commission guidance on public benefit

Contribution of volunteers

Volunteers are integral to all of our activities. Our volunteer base has remained steady. In recognition of the importance of volunteers we amended our job description for our employee to “Community and Volunteer Development Worker” (CVDW)

Achievements and Performance and future plans

Our chief work in a year with Covid was to serve families with our Breakfast Packs (formerly Breakfast Clubs). In 2021 we organised six Packs to coincide with the school holidays. Each Pack consisted of providing a plentiful supply - three or four good bags - of vital food staples for families, principally those whose children enjoyed free school breakfasts and meals, the better to alleviate the pressure on families while schools were off and the food provision unavailable.

In 2021 we were able to commence two of the former Places of Welcome at St Luke’s and St Richard’s, while St Martin’s relaunched its coffee morning. At this point we looked at reviving William Temple Place of Welcome, but decided that winter and the onset of flu militated against meeting at William Temple Church. We took the opportunity. At the end of 2021, especially without a CVDW in post, it was clear that William Temple POW would only be possible with a high and consistent level of volunteering.

We have continued to deliver support throughout 2020.

Financial Review

A summary of the accounts is provided alongside the Independent Examiner Report. Expenditure is less than forecast due to there being no worker in post for the final quarter of the year.

In accordance with our reserves policy we continue to hold 3 months operating costs in reserves alongside funds to meet our statutory obligations to our worker in the event of closure

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes

The trustees declare that they have approved the trustees' report.

To promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society, within a Christian ethos.

This is achieved through the following main activities as can be identified through our accounts:

Regular weekly drop-ins (Places of Welcome) until March 2020

Foodbank Hub

The Bread And Butter Thing Community Grocery scheme (from October 2019)

Holiday breakfast clubs

In addition we supported the following

A Baby Bank

A Good As New Shop (until March 2020)

And additional coffee mornings and drop-ins are run across the area of benefit.

Contribution of volunteers

Volunteers are integral to all of our activities. Volunteers come from across Wythenshawe, many of them are local residents who have engaged with our activities and wish to give something back.

Achievements and Performance and future plans

We have continued to deliver support throughout 2020. With the Coronavirus pandemic and subsequent national lockdowns, we had to change our operating model. Essential food support services such as Food bank and Bread and Butter continued with appropriate measures in place. We moved other services online including our coffee mornings – renaming Places of Welcome as Spaces of Welcome. We benefitted from Covid response funding

to provide people with additional activities including cooking challenges, family film nights and opportunities to learn new skills. Face to face breakfast clubs were transformed into Breakfast at Home Packs and these were delivered across Wythenshawe by volunteers. We received funding to meet the extra costs of being Covid-secure and ensuring everyone is as safe as possible. Our communities are at the heart of our objectives and so activities will be reviewed and re-shaped in light of our experiences of living through the Pandemic Securing funding for the community development work post is a continued priority and trustees should review the Constution and membership during the coming year
