The Leadership Team is responsible for the administration and management of the local church, general purposes, finances and personnel. Capital projects and expenditure require the approval of the leadership team. This team meets regularly to discuss and plan objectives and implementation thereof. All matters are subject to prayer and God's direction. Appointments of officers are governed by the constitution of the church.

Trustee Induction and Training

New trustees undergo orientation where they are briefed on their legal obligations under Charity Law, the content of the constitution and the processes on decision making within the organisation. The Charity encourages trustees to attend, at their discretion; appropriate external training events where these will be of use for the undertaking of the role.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The board of trustees actively review the major risks facing the charity on a regular basis and ensure measures are put in place to safeguard the charity's fund and assets. The trustees also ensure that legal advice is sought when necessary on crucial issues concerning the ministry.

OBJECTIVES AND ACTIVITIES

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

The vision of the church is "Saving souls and making them better through Christ." To help achieve this, the following objectives have been set:

To expand and develop the ministry of RTP through Sunday and mid-week worship services, children's ministries, youth ministries, prayer and ministry training, bible studies and small groups meetings.

To minister to the congregation and the local community through family life, relationship and other ministry programmes.

To establish social programmes to provide food, clothes and shelter for the needy and care for the sick (especially sickle cell children)

TRUSTEES' ANNUAL REPORT (continued)

RESPONSIBILITIES OF THE TRUSTEES

The trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Laws applicable to Charities in England and Wales requires trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;

- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with Charities Acts 2011. The trustees are also responsible for

safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
