Signed  (Trustee)

Treasurer's Report 1st January 2020 - 31st December 2020

As lockdown happened in March, we had to adapt very quickly to support our community with all the new restrictions. Within 48 hours, working alongside the Townstal Community Partnership a plan was in place and meals were going out of the door of the community hall.

To date we have provided-

12, 027 meals to our community and 6,917 food parcels delivered

203 toy parcels

67 Christmas meals

Dozens of emergency furniture items

Hundreds of prescriptions collected and delivered

Fuel top ups

Food shopping and essential items

Phone calls and messages to keep our community connected

Uniform swaps and alterations and Coat swap rails

During lockdown, some people were trapped in Dartmouth, unable to travel home. With the help of the Harbour office, we supported a stranded Italian sailor live in a boat until it was safe for him to return home, we funded his travel as he had run out of funds. We also used donated caravans to help people who could not return home due to restrictions.

As the first lockdown ended, we started our advice hubs again, with CAB, Housing and the Police

Our knit and natter group, working from home, made dozens on items for the special care baby unit at Torbay Hospital and lots of hats, scarves and gloves for our children. This helped people shielding with a purpose and to stay connected to the community

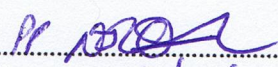

We managed to have our Halloween and Christmas parties (with a difference!) outside the community hall.

The number of volunteer hours is in the thousands, cooking, delivering, cleaning, shopping etc and the many hours spent by our team in the background doing all the stuff that is rarely seen but very important, DBS checks, insurance, risk assessments, safeguarding and the many grant forms filled in to keep us going.

All free of charge, led by the community, for the community.

Next year we hope to secure a space for our community to meet, support and recover from the effects of the pandemic. With mental health issues at an all time high across communities, we think that free spaces for locals to connect and come to terms with all that has happened this year, is vital to the health and wellbeing of our town and villages.

We will also be continuing with our core work of free, immediate support and signposting to the agencies we work with.

Signed  (Treasurer)

DARTMOUTH COMMUNITY CHEST

Accountants' Report

On the Accounts for the year ended 31st December 2020

Charity Number 1181605

Set out on Pages 4-10

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's consider that an audit is not required for this year under section 144 of the Charities Act 2011 (The Charities Act) and that an independent examination is needed.

- * examine the accounts under section 145 of the Charities Act
- * to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act
- * to state whether particular matters have come to my attention

Basis of Independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention. 1. which gives me reasonable cause to believe that in, any material respect, the requirements.

- * to keep accounting records in accordance with Section 130 of the Charities Act; and
 - * to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

DARTMOUTH COMMUNITY CHEST

Notes to the Financial Statements for the year to 31st December 2020

1. Accounting Policies

Statement of Compliance

The financial statements have been prepared in accordance with Accounting and Reporting Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011

Basis of Preparation

Dartmouth Community Chest meets the definition of a public benefit entity under FRS 102, Assets and Liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Exemption from preparing cashflow statement

The charity opted to early adopt Bulletin 1 published on 2nd February 2016 and have therefore not included a cashflow statement in these financial statements.

Going Concern

The trustees consider that there are no material uncertainties about the charity's to continue as a going concern.

Income and Endowments

Voluntary income including donation, gifts and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and Legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to the expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

DARTMOUTH COMMUNITY CHEST

Notes to the Financial Statements for the Period 1st January 2019 to 31st December 2020

Governance Costs

These include the cost attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustee's meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK Corporation Tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible Fixed Assets

Individual fixed assets costing £250.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent impairment losses.

Depreciation and Amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows.

Trade Debtors

are amounts due from customers for merchandise sold or services performed in the ordinary course of business, are recognised initially at the transition price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment is established when there is objective evidence that will not be able to collect all amounts due according to the original terms of receivables.

Cash and Cash Equivalents

Cash and Cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change of value.

Trade Creditors

are obligations to pay for goods or services that have been acquired the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities. Liabilities are recognised initially at the transaction price and subsequently measured at amortised costs using the effective interest method.
