Report of the Trustees
For the year ended 31 December 2022

The Charity was registered as a Charitable Incorporated Organisation (CIO) on 21 January 2019 and the trustees present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Achievements against objectives set

In 2022 we continued our work via the Zoom platform. As people had treated the Covid pandemic a local disease and condition relieved, many churches had resumed physical gathering. Thus, our Zoom participants dropped by 30%. Our small group of elders for Bible class in the premise remained. Street evangelism was not effective as people were less eager to stop to listen the gospel from a stranger face to face. We look forward to 2023 like Paul, the apostle who taught us to forget what was behind and strain toward what was ahead to press on toward the goal.

FINANCIAL REVIEW

Reserve Policy

The reserves of the Charity are unrestricted. Our property donor continued to support us generously this year with over 90% of our total donation. The free reserves (total unrestricted reserves excluding fixed assets) of the charity as at 31 December 2022 GBP35,586 and the trustees consider that it should hold 9 months running expenses (expenditure excluding provision for depreciation) in reserve which equates GBP15,030.75. The trustees have decided to maintain a 5% reserve for repair and renovation of the charity.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. In forming this opinion, they have considered the impact of the Covid-19 pandemic on both its future income and expenditure for a period of at least 12 months from the date of approval of these financial statements.

Financial Performance

The total incoming resources for the year was GBP32,921 made up of individual unrestricted donations.

Expenditure during the year consists of depreciation on the charity's property and vehicle and costs incurred in the course of its charitable activities as well as day to day running costs for the premises and the charity's activities.

Principal Sources of Funds

Our principal funding sources come from individual donors inside and outside the UK.

Investment Policy

No new investment policy has been set up yet as this is not the main purpose of the charity and the financial condition is not suitable for such move.

Principal Risks

The trustees will try to have more outdoor activities as people have become more relaxed to the pandemic. We thank God for His special grace that during such hard times, we received generous donations. As the global economy had not improved much, many of our devoted donors were still hard hit.

STRUCTURE, GOVERNANCE AND MANAGEMENT
Governing Document

The Charity is a CIO registered on 21 January 2019 and is governed by its constitution. Under the constitution, the trustees are its sole members and are responsible for its day to day management.

According to the Charity Commission rules, all trustees share the same responsibility. Each of our trustees will take up a major financial, administrative or external role and a minor role in another role.

Appointment of Trustees

Our CIO is formed by a few committed Christians to spread Christianity in the UK.

We encourage daily Bible study, prayer meetings and fellowship with God for all trustees. We plan to hold annual Bible study meeting and global prayer meetings for the trustees with some volunteer workers in order to have a deeper understanding of God's words and His will so we may share and explain God's words clearly and be able to achieve our charity's goal effectively. All trustees are encouraged to join our activity of street evangelism.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

Independent Examiner's report to the Trustees of

Home of Grace for Christ's Workers in London

I report to the Trustees on my examination of the financial statements of the Charity for the year ended 31 December 2022, which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. This report is made to the Trustees, as a body, in accordance with the terms of my engagement. My work has been undertaken so that I might carry out an Independent Examination of the financial statements in accordance with the General Directions given by the Charity Commissioners. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body for my work or for this report.

RESPONSIBILITIES AND BASIS OF REPORT

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). The Charity's Trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011) and that an Independent Examination is required.

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (2) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
For the year ended 31 December 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Going concern

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. In forming this opinion, they have considered the impact of the COVID-19 pandemic and other recent economic developments on both its income and expenditure for at least a period of twelve months from the date of approval of these financial statements. In their opinion expenditure can easily be tailored to match the level of income received for the foreseeable future. The Charity's reserves are also sufficient to meet any short term fluctuations.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

1. ACCOUNTING POLICIES - CONTINUED

Governance costs

These are included within support costs and include the costs attributable to the Charity's compliance with constitutional and statutory requirements, including independent examination, trustees' meetings and reimbursed expenses.

Tangible Fixed Assets

Tangible fixed assets are stated at cost or estimated value for donated assets. Depreciation is calculated so as to write off the cost of fixed assets on a straight-line basis over the expected useful economic lives of the assets concerned. The principal annual rates used for this purpose are as follows:

Freehold property	– 2% per annum (excluding land)
Motor vehicles	- 20% per annum

The Trustees have considered the impact of component accounting on the freehold property and are of the opinion that its impact would be trivial on these financial statements.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

All the funds of the charity are unrestricted and can be used in accordance with the charitable objectives at the discretion of the trustees.

Critical accounting estimates and areas of judgement

In preparing the financial statements it is necessary to make certain judgements, estimates and assumptions that affect the amounts recognised in the financial statements. In the view of the Trustees, there are no significant judgements, estimates and assumptions required.

Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments, including its debtors and creditors. These are initially recognised at transaction value and subsequently valued at their settlement value.

Functional Currency

The financial statements are presented in Pound Sterling, which is the functional currency. All financial information presented is rounded to the nearest Pound Sterling.
