EGBA UNITED SOCIETY MANCHESTER

REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 30 JUNE 2022

The trustees present their report and the financial statements for the period ended 30 June, 2022.

The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' effective 1 January 2015.

Structure, Governance and Management

Governing Document

Our organisation is a Charitable Incorporated Organisation governed by Association Model Constitution and registered with Charity Commission on 23rd January, 2019

Recruitment and appointment of new trustees

Generally trustees are appointed by Board of Trustees. Trustees are appointed by invitation as at when required and depending on their expertise and requirements of the charity.

Induction and training of new trustees

The charity arranges appropriate training both internally and through other voluntary training providers. The trustees and all involved in running the charity, including volunteers are always encouraged to acquire the necessary skills required for the achievement of the charity objectives.

Additionally, new trustees are invited and encouraged to attend series of short training sessions to familiarise themselves with the charity and the context within which it operates.

Organisational structure

The trustees who served during the period and up to the date of the report are set out above. The day to day responsibility for the running of the charity lies with the Chief Executive Officer who is the Chairman of the charity and he is accountable to the Board of Trustees who are ultimately responsible for all strategic decisions of the charity.

The trustees meet regularly and are responsible for the strategic direction and policy of the charity. All trustees and the chairman give their time voluntarily and receive no benefits from the charity. No full time employee is engaged in the administration of the charity. The charity is assisted by members who render voluntary services to the charity.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to operations and finances of the charity and are satisfied that the systems are in place to mitigate exposure to the major risks.

Objectives and Principal Activities

The charity's objectives and principal activity is to preserve and showcase cultural values, history and traditions of Egba people from South West of Nigeria. The charity seeks to foster friendship and cooperation amongst its members and with the wider community as means of achieving better understanding and community integration.

EGBA UNITED SOCIETY MANCHESTER
REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 30 JUNE 2022

The Focus of Our Work

The policy of Egba United Society is to pursue our objectives in the following areas:

1. The advancement of education, relief of poverty and promotion of good health amongst people originally from Nigeria now living in Manchester by provision of items, services and funds
2. Promotion of racial harmony for the public benefit by promoting knowledge and mutual understanding between different groups, advancing education and raising awareness about different racial groups to promote good relations between persons of different racial groups and working towards the elimination of discrimination on the grounds of race.
3. The advancement of education about all aspects of arts, culture and heritage of people from South West Nigeria, in particular by organising special days of celebration and the promotion of annual festivals to that end.
4. Such other charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the trustees may deem fit from time to time.

Development and Achievements in the Period

The charity's events were properly managed, executed and reviewed for its impact on our members and communities. We continue to hold our monthly meeting every second Sunday of every month. We also support our members physical and mental needs. We have helped relief poverty and hardship especially in this period of pandemic when there is a rise in unemployment and lack of financial resources.

The charity was able to raise a total income of £4,729 during the period under review.

Principal Funding Sources

The principal funding sources for the charity are currently by way of donations, monthly and general contribution during monthly meetings and through bank standing orders etc.

Investment Policy

The Charity will retain a significant amount in the savings account. The objective of the investment policy is to invest in cash at banks where the capital is protected. The charity currently has a policy of keeping any surplus liquid funds in cash at banks where immediate access and security of funds is guaranteed

EGBA UNITED SOCIETY MANCHESTER
REPORT OF THE TRUSTEES FOR THE PERIOD ENDED 30 JUNE 2022

Reserves Policy

It is the policy of the charity to maintain unrestricted funds which are the free reserves of the charity at a level which equates to at least 3 months of unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs and to respond to emergencies which may arise from time to time.

The expenditure for 2022 was £4,729 and therefore the targeted reserves should be between £1,182.25 and £2,364.50 in general funds. The reserves are needed to meet the working capital requirements of the charity and the trustees are confident that at this level they would be able to continue the current activities of the Charity in the event of a significant drop in funding. The targeted reserve was not achieved during the period under review.

Plans for Future Periods

In the near future, the charity plans to expand its operations and we will continue our drive towards providing more benefits to our members and general community. The Charity plans continuing the activities outlined above in the forthcoming year subject to satisfactory funding arrangements.

Trustees' Responsibilities

Charity Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable trust as at the balance sheet date and of its incoming resources and applications of resources, including income and expenditure, for the financial year. In preparing those financial statements the Trustees should follow best practice and

- ☐ Select suitable accounting policies and then apply them consistently;
- ☐ Make judgements and estimates that are reasonable and prudent
- ☐ Prepare the financial statements on going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statement comply with the Charities Act 2011. They are also responsible for the safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of Disclosure of Information to the Accountants

In accordance with charity law, as trustees, we certify that:

So far as we are aware, there is no relevant information of which the company's accountants are unaware; and as the trustees of the charity we have taken all steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the Charity's accountants are aware of that information'.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF EGBA UNITED SOCIETY FOR THE PERIOD ENDED 30 JUNE 2022

As described on pages 2 to 5, the Trustees are responsible for the preparation of the accounts, and they consider that an audit is not required for this year (under section 144(1) of the Charities Act 2011 (The 2011 Act) and that an independent examination is needed. It is my responsibility to:

examine the accounts (under section 145(1) of the Charity Act 2011;

follow the procedures laid down in the general Directions given by the Charity Commissioners under section 132 of the Charity Act 2011; and

state whether particular matters have come to my attention

Basis of Independent examiners statement

Our examination was carried out in accordance with general Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below:

Independent examiners statement

In connection with my examination, no matter has come to my attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with section 130 of the Charities Act 2011; and

to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities, have not been met: or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
