5. It encourages successful marksmen to coach and enthuse others throughout the Army both Regular and Reserve Forces. The ARA also promotes and organises the following Army Target Shooting Teams competitions for soldiers (both serving and veterans):

- a. Target Rifle.
- b. Target Pistol.
- c. Smallbore Target Rifle.
- d. Clay Target.

6. These Target Shooting disciplines support the development of many of the attributes needed in combat shooting in an enjoyable environment. Association members have successfully competed at international level including attendance at the Commonwealth Games in 2018 and several World Cups in 2019 and 2021.

7. The Association is fully supporting the Army Sport High Performance Pathway (ASHPP), Troops to Target (T2T) programme which is aimed at getting our soldiers to the Commonwealth Games, Olympics and beyond.

8. High standards of shooting discipline and marksmanship contribute to success on operations and reduce the likelihood of casualties both to our own soldiers and among the uninvolved local civilian population. The public benefit of this is self-evident. In the course of promoting shooting activity the Association also improves the quality of life of injured and disabled soldiers by providing the means to attain skills and participate in competition. This is an integral part of the moral component of furthering military efficiency. The Association supports its objectives by:

- a. Acting as the governing body for Army Operational Shooting Competitions.

REVIEW OF FINANCIAL AFFAIRS

22. **Income.** The principal sources of income are competition entry fees, investment interest, sales, members' subscriptions, and payments for Target Shooting activities, in addition to the Army Sports Board Target Shooting support grants and a limited amount of sponsorship.

23. **Asset cover for funds.** An analysis of the assets attributed to the various funds is shown in the accounts. The Trustees consider the assets are sufficient to meet the Charity's obligations.

24. **Risk Assessment.** The Trustees have assessed the risk to which the Charity is exposed including operational and financial risks. In the opinion of the Trustees the Charity has established resources and review systems which, under normal operational conditions, should allow the risks identified to be mitigated to an acceptable level in its day-to-day operation.

25. **Reserves.** The Charity Commission defines reserves as that part of a charity's income funds that is freely available. Reserves are therefore the resources the charity has or can make available to spend for any or all the charity's purposes once it has met its commitments and covered its other planned expenditure. At the end of the accounting period the Charity's reserves comprised the following:

Funds	2023	2024

- b. Mess, which contributes to the running of the AMTC Clubhouse

CHARITY COMMISSION REPORT 2024

27. The Trustees have examined the needs and challenges of the Charity in both the short and medium terms, and consider that these reserves are necessary, to support its current activities and to allow the continuance of the Charity as a going concern to support the future of Army Target Shooting.

PUBLIC BENEFIT STATEMENT

28. The Trustees have complied with their duties to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

29. Law applicable to charities in England and Wales requires the Trustees of the Charity to prepare financial statements for each financial period, which give a true and fair view of the Charity's financial activities during the period and its financial position at the end of the period. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- a. Select suitable accounting policies and apply them consistently.
- b. Make judgements and estimates that are reasonable and prudent.
- c. State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements.
- d. Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the Charity will continue in operation.

30. The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity, and which enable them to ascertain the financial position of the Charity and ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking responsible steps for prevention and detection of fraud and other irregularities.

31. This report and the accompanying financial statements have been approved by the ARA Trustees.

CHARITY COMMISSION REPORT 2024

2. Respective Responsibilities of Trustees and Examiner:
 - a. As the charity's trustees you are responsible for the preparation of the accounts. You consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that independent examination is needed.
 - b. It is our responsibility to:
 - (1) Examine the accounts under section 145 of the Charities Act.
 - (2) Follow the procedures laid down in the General Directions given by the Charity Commission (under section 145 (5) (b) of the Charities Act).
 - (3) To State whether particular matters have come to my attention
3. Basis of Independent Examiner's Statement.
 - a. Our examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a "true and fair view" and the report is limited to those matters set out in the statement below.
4. Independent Examiner's Statement
 - a. In connection with our examination, no matter has come to my attention:
 - (1) Which gives me reasonable cause to believe that in any material respect the requirements:

 - (iii) have not been met; or

Notes to the Accounts

1. Principal Accounting Policies:

a. **Accounting Convention.** The financial statements are prepared under the historical cost convention as modified by the inclusion of investments at market value and in accordance with applicable accounting standards. In preparing the financial statements the charity follows best practice as set out in the Statement of Recommended Practice 'Accounting and Reporting by Charities' (SORP). The accounting conventions adopted are

CHARITY COMMISSION REPORT 2024

standard for those charities administered by the Army termed Service (Non-Public) Funds which were excepted by virtue of Statutory Instrument from registration under the Charities Act 2011.

b. **Incoming Resources.** Income is recognised in the period in which the charity is entitled to receipt, and the amount can be measured with reasonable certainty. Grants from other agencies including donations and other income from activities are in furtherance of the charity's objects and are part of the general funds of the charity. A restricted fund is only recognised where this is an agreed and explicit condition of the grant or donor.

c. **Intangible Income.** Due to the close collaborative relationship and the manner in which the charity's activities complement those of the Army, intangible income, reflected in time and use of premises, is not quantifiable or measurable and so is not recognised in the accounts.

d. **Resources Expended and Basis of Allocation of Costs.** Expenditure is included when incurred or exceptionally where a commitment is made which requires an accrual when payment is to be made in the subsequent accounting period. Similarly, where prepayments are made in recognition of commitments falling due in a subsequent accounting period, the appropriate credit is entered in the accounts and reversed the following year. Any grants payable are included in the SOFA when approved by the Trustees. Expenditure is recognised in the period in which it is incurred. The majority of costs are directly attributable to specific activities. Irrecoverable VAT is charged to the activity for which it was incurred.

e. **Governance Costs.** Governance costs are the costs of professional advice, holding trustee meetings or committee meetings associated with decision making, any fee for audit or independent examination and any fee incurred in the preparation, statutory filing, printing or copying of the annual report and accounts.

f. **Capitalisation and Depreciation of Tangible Fixed Assets.** All assets having a purchase value of more than £500 are capitalised. The cost of tangible fixed assets are written off by equal annual instalments over their expected useful lives using the following methods of depreciation:

(1) Furniture, fixtures and equipment - 10% to 50% reducing balance.

(2) Assets with a life of more than one year but with a purchase value of below £500 are written off in the year it is purchased and is not depreciated over the useful life of the asset.

g. **Fixed Asset Investments.** Fixed asset investments are included at market value at the balance sheet date. Any gain or loss on revaluation is shown in the Statement of Financial Activities (SOFA) on page 16.

h. **Stocks.** Purchased stocks are valued at the lower cost or net realisable value making due allowance for any obsolete or slow-moving items.

i. **Funds Accounting.** Funds held by the charity are:

(1) **Unrestricted Funds.** These are funds that can be used in accordance with the charitable objects at the discretion of the Trustees. Unrestricted funds comprise the General-Purpose fund and funds designated by the Trustees for particular purposes.

CHARITY COMMISSION REPORT 2024

(2) **Endowment Funds.** The charity currently has no endowment funds.

(3) **Specific Purpose/Restricted Funds.** These are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular specific/restricted purposes. Further explanation of the nature and purpose of each fund is included in the notes to the accounts.

j. **Heritage Assets.** In the course of the Association's history, the charity has acquired gifts, memorabilia, regalia, silverware, antiques and other historical artefacts. The value of these pieces is in large part derived from their close association with Corps/Regimental history which precludes the use of conventional valuation techniques being applied. Whilst the objects of the charity do not specifically include preservation and conservation, the pieces represent the tangible embodiment of the Association's history and foster enthusiasm for competitive marksmanship. Consequently, the Trustees consider the charity to hold heritage assets both for functional use and as an element of national history on behalf of the nation. Heritage assets acquired prior to 01 Apr 05 are therefore not capitalised on the balance sheet but a description of those assets is disclosed as part of the notes to the accounts. Heritage assets acquired after 01 Apr 05 where the purchase price is known, and which exceed £500.00 are included in the balance sheet at acquisition value but are not depreciated.

k. **Other Costs.** Other costs are those costs not incurred in: the undertaking of charitable activity in furtherance of the objects of the charity, i.e. in the provision of facilities, recreational programs or activities in furtherance of military efficiency, in the making of grants and donations, in the costs of generating funds, i.e. the costs incurred in trading or fundraising activity undertaken by the charity, in investment management costs, or in governance costs.

2. **Grants Made.** (Only required if total grants are over 5% of the charity's total expenditure).

3. The charity made no grants or donations to Institutions or individuals.

4. Related Party Transactions & Remuneration and Expenses

5. The charity holds its meetings in buildings owned and maintained by the Ministry of Defence (MOD). Two members of the ARA MOD staff provide administrative support to the charity, although their roles are shared with other Army-related responsibilities.
