Governance and management

Broadstairs Surf Life Saving Club is a Charitable Incorporated Organisation registered on 28 January 2019. The club has trustees who are normally appointed at annual general meetings. One-third of the charity trustees retire from office at each annual general meeting with the vacancies so arising filled by the decision of the members. Proceedings of the club are managed by a committee with the committee roles also being elected at the annual general meeting. The club has a constitution which was agreed on 25 January 2019.

Aims and objectives.

To promote water safety and teach lifesaving skills.

Summary of the main achievements during the period

The Broadstairs Surf Life Saving Club has continued to offer regular beach and water-based training to members during this year and also to offer recognised lifeguard courses. The club offers weekly pool based sessions during the colder months. The Nipper Pathway programme remains popular and allows younger members to become confident in the sea and to start mastering the skills and knowledge needed to keep them safe at the beach.

Independent Examiner's Report
For the Broadstairs Surf Life Saving Club
For the year ended 31st December 2024

I report to the trustees on my examination of the accounts of the above charity.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

In accordance with the engagement letter, we have prepared for your approval the financial statements of the group for the year ended 31 December 2024 from the entity's accounting records and from information and explanations you have given us.

As a practising member of the Association of Certified Chartered Accountants (ACCA), we are subject to its ethical and other professional requirements which are detailed acca.com/members/handbook.

This report is made solely to you, in accordance with the terms of our engagement letter. Our work has been undertaken solely to prepare for your approval the financial statements of BSLSC and state those matters that we have agreed to you in this report in accordance with the guidance of ACCA. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Board for our work or for this report. We have not carried out an audit.

You have approved the accounts for the year ended 31 December 2024 and have acknowledged your responsibility for them, for the appropriateness of the financial reporting framework adopted and for providing all information and explanations necessary for its compilation.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination gives me cause to believe that in, any material respect, accounting records were not kept or that the accounts do not accord with those records.

I have no concerns to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Chairman's Report for Year 2021

As we finally come out of the Covid 19 pandemic, at least for now, we can see that the club has weathered the storm in many ways. The club has had to undertake all sorts of additional things that we never imagined we would have

Our Nippers section of the club is becoming very popular – we have a waiting list for people to join us. The pool sessions have transformed our winter offering – we are now truly a year-round club, and we have had between 10 and 18 attendees. We are just about breaking even or slightly in profit for the pool session, which is the benchmark we set for continuing them.

We ran a lifeguard course for 10 participants in a mix of online and in person training, having to adhere to strict C19 protocols that were approved by Surf Life Saving GB. We had a number of persons requalify using the C19 route, but also ran a revalidation for lifeguards in the autumn for 6 candidates.

We got funding last year for manikins for pool and beach training and more boards for the club for the summer season. We ran a successful nipper competition last summer for our own nippers.

Now for the challenges the club will face. Much of the work running the club has been focussed on too few people. We only have one level 2 coach, who therefore needs to attend ALL sessions that are not lifeguard training sessions. We have 2 lifeguard trainer assessors, but one of these is also the level 2 coach. The other challenge is that people we train are not joining us for training, once they have their initial qualifications, so we are losing opportunities for developing coaches, having safety cover for nippers and social events and money. They are also requalifying with other organisations after their initial training – as its slightly cheaper and occurs every other year.

The challenge now will be to widen the numbers of people involved in running the club – both on the organisational side – on the committee – and on the practical side of things coaching at level 2 and trainer/assessors to secure a longer future for the club that is not reliant on a few people.

Policy on social investment including program related investment	Para 1.38	
Contribution made by volunteers	Para 1.38	The CIO relies heavily for volunteer effort and there are no paid persons involved in the running of the club. In 2020 the club performed approx. 30 hours of Beach Warden patrolling of areas of danger around the Thanet coast before the RNLI lifeguard service was operational around the time of the release of the first Covid -19 'lockdown' using the SLSGB Beach Warden Framework Club coaches performed approx. 100 hours of volunteer coaching of Nippers and other members when this was possible in the summer months. Behind the scenes, Volunteers assisted in running the club, performing administrative duties to ensure smooth running of the club

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Club has given a number of nippers opportunities to learn and develop their skills in the sea and fitness and skills training for a number of adult members. We have supported visitors to Thanet in enjoying the seaside in a safe manner through our Beach Warden Patrols, helping reduce the load on other voluntary services such as the Coastguard and RNLI rescue services.

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	The Club successfully ran a nippers programme of events in the summer of 2020. However, we were unable to run a lifeguard course in 2020 owing to the Covid-19 restrictions and requirements for volunteer time.
Performance of fundraising activities against objectives set	Para 1.41	The club raised funds from applying for a grant to Sport England to cover losses for having to cancel and refund fees for a lifeguard course owing to the Covid-19 restrictions. Other funds were raised from membership of child and adult members of the club.
Investment performance against objectives	Para 1.41	n/a

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The club is in a weaker position at the end of the year than hoped for. The inability to run a full season of events: Lifeguard training courses, requalifications, club activities led to lower income. However, we have still been able to meet our outgoings.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	No reserves are held currently beyond those required to meet outgoings of affiliations, insurance, and vital equipment to undertake beach activities, such as first aid consumable equipment.
Amount of reserves held	Para 1.22	
Reasons for holding zero reserves	Para 1.22	n/a
Details of fund materially in deficit	Para 1.24	n/a
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	We are reliant on income to pay for essentials such as insurance, equipment repair and replacement (e.g. first aid supplies) and this is reliant on being able to offer a range of events for members. With current restrictions this is making it harder to undertake these activities and reducing the income. With outgoings increasing in price, we will have to have a successful year of running events in 2021 to remain viable into 2022.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Membership and training courses are our main sources of income. We apply for small grants locally and occasionally nationally to pay for specific items.
Investment policy and objectives including any social investment policy adopted	Para 1.46	We make no investments
A description of the principal risks facing the charity	Para 1.46	Lack of income from being unable to run events owing to Covid – 19. From this a lack of equipment may affect the numbers we can let take part Loss of coaches / trainers owing to other commitments to work/family due to Covid-19. Our lead coach can run level 1 coaching courses to increase our capacity for coached sessions. However, we need more resilience in Level 2 coaching and Trainer Assessors
