## **Report of the Trustees for the year ended 31 December 2022**

### **Structure, Governance, and Management**

#### **Governing Document**

British Friends of Orayta is constituted as a charity registered with the Charity Commission in February 2019 under Charity Number 1181839. It is governed by a Constitution last updated in January 2019.

#### **Organisational Structure**

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees meet annually to take decisions relating to the activities of the charity. There are no sub-committees.

#### **Recruitment and appointment of trustees**

The trustees are former students or have a relationship with Orayta. Trustees are selected because of their relationship with Orayta and evidence of participation in the life of the organisation. Trustees shall have competences in finance, or third sector organisations, or professional involvement in education.

#### **Induction and training of trustees**

New trustees are given copies of the Constitution. A number of publications from the Charity Commission in hard copy or electronic form are provided including the guidance on charities and the public benefit and on the advancement of religion for the public benefit.

#### **Risk Management**

The trustees have assessed the risks the charity faces which relate the level of continuing donations to the charity. The trustees review the risks at their meetings and consider that they are negligible as the charity has no costs and all income is passed on to Orayta.

#### **Objectives and activities**

##### **Our objectives**

These are set out in our Constitution and are:

THE ADVANCEMENT OF THE ORTHODOX JEWISH FAITH BY MAKING GRANTS TO INDIVIDUALS AND/OR RELIGIOUS EDUCATIONAL INSTITUTIONS WHICH FURTHER THE ADVANCEMENT OF THE ORTHODOX JEWISH FAITH AND IN PARTICULAR BUT NOT EXCLUSIVELY BY MAKING SUCH GRANTS TO YESHIVAT ORAYTA IN ISRAEL.

##### **Our activities**

The charity receives donations from students (former and current) of Orayta, parents of students (former and current), communal organisations, charitable trusts, and

individual donors who are not parents of students at Orayta. Several times a year the accumulated funds are transferred to Orayta to assist with their expenditure requirements.

### **Statement of compliance with the duty in section 4 of Charities Act 2006**

In setting our objectives and planning our activities, the trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education.

### **Financial review**

The trustees' policy is to transfer to Orayta all accumulated funds several times a year leaving only a small positive balance in our account.

### **Principal Funding Sources**

The charity's only source of funding is voluntary donations. Our income for the period ending 31<sup>st</sup> December 2022 of £7,355 (2021 £28,292) came from parents of former and current students and individual supporters of Orayta.

### **Investments**

The charity has no investments.

### **Statement of Trustees' responsibilities**

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees for the purposes of charity law who served during the year and up to the date of this report are set out on page 1.
